NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GARDENA, GARDENA, DOES HEREBY RESOLVE, AS FOLLOWS:

SECTION 1. APPROVAL AND FINDINGS – GENERAL PLAN AMENDMENT.

A. Section 18.52.010 of the Gardena Municipal Code provides that the land use and zoning of property may be amended "[w]henver the public necessity, convenience, general welfare, or good land use and zoning practices require. . ." The City Council hereby approves the General Plan land use designation change for the Property from Industrial with a Mixed Use Overlay to High Density Residential as shown on Exhibit A, attached hereto.

B. In taking this action, the City Council finds that the change is in the best interests of the general welfare and represents good land use planning practices, including, but not limited to the following reasons:

1. The property to the west is developed with a mobilehome park which has been negatively impacted by the industrial use at the Property. Residential condominiums will be more compatible with the adjacent mobilehome residential use.

2. The Property was designated with a Mixed Use Overlay designation which would have allowed housing of up to 30 units per acre and would have reduced the open space requirement from 600 square feet per unit to 150 square feet per unit. However, in order to build housing under the Mixed-Use designation it is necessary to have a component of commercial uses. Given the location of this Property, commercial uses would not be a viable option.

3. The General Plan Amendment, and the Project which will be built thereunder, is consistent with a number of policies and goals of the General Plan, including clean-up of contaminated property, as detailed in the staff report which are incorporated by reference.

4. As there continues to be a need for housing in Gardena, and California in general, changing the land use designation to allow high-density multi-family housing makes good

planning sense. This Project will provide additional two-, three-, and four- bedroom homes in the City.

SECTION 2. RECORD.

Each and every one of the findings and determinations in this Resolution are based on the competent and substantial evidence, both oral and written, contained in the entire record relating to the Project. All summaries of information in the findings which precede this section are based on the entire record. The absence of any particular fact from any such summary is not an indication that a particular finding is not based in part on that fact.

SECTION 3. CUSTODIAN OF RECORD.

The Custodian of Record for the proceedings relating to the Project, including the MND and MMRP, is Raymond Barragan, Community Development Manager, City of Gardena, 1700 W. 162nd Street, Gardena, California 90247. Mr. Barragan's email is rbarragan@cityofgardena.org and his phone number is 310/217-9546.

SECTION 4. EFFECTIVE DATE.

This Resolution shall take effect on the thirty-first day after passage.

SECTION 5. NOTICE OF DETERMINATION.

Staff is hereby directed to file a Notice of Determination of the approvals granted herein with the County Recorder's office within five working days from the date of approval.

BE IT FURTHER RESOLVED that the City Clerk shall certify to the passage and adoption of this Resolution; shall cause the same to be entered among the original Resolutions of said City; and shall make a minute of the passage and adoption thereof in the records of the proceedings of the City Council of said City in the minutes of the meeting at which the same is passed and adopted.
