December 1, 2020

The City of Gardena will be closed for business operations in observance of the holiday season during the following periods:

December 24, 2020 – Christmas Eve

December 25, 2020 – Christmas Day

December 31, 2020 – New Year's Eve

January 1, 2021 – New Year's Day

Additionally, because of the various holiday closures, in order to comply with the City's obligation to timely process wireless applications under the State and federal 'Shot Clock' rules, wireless siting applications will be received during normal submittal days and hours as published by the City up to the end of the business day on December 8, 2020. This date allows the City to timely conduct its initial wireless application reviews prior to the end-of-year holiday closures and properly account for diminished staffing levels during the holidays. The City will resume normal wireless applications acceptance processes starting January 4, 2021, subject to the usual City days and times for wireless siting applications.

Thank you,

City of Gardena Public Works Department
