**MEMORANDUM OF UNDERSTANDING
BETWEEN THE
GARDENA MUNICIPAL EMPLOYEES ASSOCIATION (GMEA),
A RECOGNIZED EMPLOYEE ORGANIZATION,
AND THE CITY OF GARDENA
FOR THE PERIOD OF JULY 1, 2021 TO JUNE 30, 2025**

PREAMBLE

The undersigned representatives of the GARDENA MUNICIPAL EMPLOYEES ASSOCIATION, hereinafter referred to as "GMEA" and the CITY of Gardena, hereinafter referred to as "CITY" hereby agree that this Memorandum of Understanding, hereinafter referred to as "MOU" supersedes any previous memoranda of understanding governing the wages, hours, terms, and conditions of employment for the employees in the hereinafter-described representation unit.

- 02.** As and to the extent required by, and only for the purpose of, the Meyers-Milias-Brown Act, the CITY has recognized GMEA as the exclusive representative of the employees, as hereinafter defined. Nothing in this MOU shall be construed as constituting an acknowledgement by the CITY that any work is or may become the exclusive right of any employee or classification of employees represented by GMEA.
- 03.** As used in this MOU, the terms "employee" and "employees" refer, individually and collectively, to those persons at the City's facilities for whom GMEA has been recognized as the representative. For the purpose of identification only, such persons are described as those persons, if any, as assigned in the current City Classification and Compensation Plan.
- 04.** The following are specifically excluded from GMEA representation, except that any such employee who has a grievance against the CITY may request the assistance of GMEA in the processing of said grievance. GMEA at its discretion may provide such representation or decline to provide such representation. Additionally, it is understood and agreed by the parties hereto that such category of employees shall not be hired or retained by the CITY for the sole purpose of replacing or eliminating full-time positions:
1. All full-time sworn employees, management employees and employees who are designated as "Confidential" because of the nature of work performed for the CITY.
 2. Any employee designated as temporary, or provisional, except those employees already represented by GMEA when appointed to such position.
 3. Any employee whose salary is fifty percent (50%) or more paid by any Grant fund.
- 05. THIS MOU IS SUBJECT TO RATIFICATION BY THE MEMBERSHIP OF THE ASSOCIATION AND THE CITY COUNCIL OF GARDENA**
1. The parties to this MOU agree to perform whatever acts are necessary, both jointly and separately, to urge the members of GMEA and the City Council of the City of Gardena to approve this MOU.
 2. Following ratification by the affected employees, the MOU shall be submitted to the City Council for approval and adoption.
 3. Following approval of this MOU by the City of Gardena City Council, its terms and conditions shall be implemented by appropriate ordinance, resolution or other lawful action.

Accordingly, the CITY and GMEA do hereby agree to the terms and conditions stated herein.

ARTICLE 1. CLASSIFICATION PLAN

SECTION 1. CLASSIFICATION PLAN CHANGES

- A. Should any new classification be created or existing classification be modified and such new or modified classification is intended to perform activities normally performed by members of GMEA, the parties shall meet and confer with respect to the job description and appropriate pay rate for such classification provided that such new or modified classification is a class represented by GMEA.

SECTION 2. POSITION VACANCIES

- A. City job vacancies shall be advertised on NEOGOV and qualified employees are encouraged to apply. Employees who wish to apply shall do so using the automated application process. Notice of all city job vacancies shall be emailed to "All Personnel" and posted on all department bulletin boards. Job vacancy notices shall include the job title, a brief description of the required duties, the minimum qualifications of the position, pay rate, and City benefits. Only those applicants who meet the minimum qualifications and pass each component of the testing process shall be considered for the position.
- B. Open-Competitive examinations shall be open to current employees and external applicants until the closing date of the recruitment as specified in the job announcement. If an Open-Competitive examination has a limit on applications received, the City shall exclusively open the position to current employees for five (5) business days before allowing external applicants the opportunity to apply for the position.
- C. When there are at least three (3) current employees who meet the minimum qualifications of the position and pass all components of the testing process, the Human Resources Officer shall place the successful internal candidates in "Band 1" of the Eligibility List, ranked in the order of merit, and all external candidates shall be placed in subsequent bands. The vacancy must be offered to one of the internal candidates in "Band 1". No offer may be made to any candidate in subsequent bands until "Band 1" has been exhausted.
- D. If a position is modified or retitled, any incumbent employee who has been performing all of the duties of said position shall remain in such position without having to qualify by examination or competition with other employees. With the concurrence of GMEA, the employee may be appointed to the modified classification upon recommendation of the department head and approval of the Human Resources Officer.
- E. Transfer is defined as a change of an employee from one position to another position in the same class or another class, involving the performance of similar duties and requiring substantially the same basic qualifications with no change in pay schedule. With the approval of the Human Resources Officer, a transfer to an equal or lesser position may be made from one department to another if both the employee's existing department head and the department head where the vacancy exists so agree. An employee so transferred shall receive the same salary received in the former classification.

SECTION 3. PROMOTIONS

- A. Promotion is defined as a move from a lower classification to a higher classification. It is the intention of the CITY to fill job vacancies within the city by employee promotion as provided in this Section.
 - 1) At the recommendation of the department head and with the approval of the City Manager, the Human Resources Officer shall conduct a "Closed-Promotional" recruitment for any position when the needs of the service shall be limited to persons already employed by the City.
 - 2) Notice of such promotional opportunity shall follow the same process as outlined above under Section 2A.

- 3) Upon completion of the Closed-Promotional examination process, the Human Resources Officer shall certify an "Eligibility List," ranked in the order of merit, from which the department head may make a selection for appointment.
- B. An employee who is promoted to a higher position shall be appointed to the applicable step of the new job classification that represents at least a five percent (5%) increase over base pay rate (salary schedule & step) plus any applicable Senior Pay Bonus at the time of promotion.
- C. Promoted employees shall receive a higher rate of pay than any of his/her subordinates taking into account base salary Step 1 through 6 and any applicable Senior Pay Bonus at the time of promotion. Any employee so promoted shall be placed in the higher classification for a probationary period of six (6) months. If the employee does not pass this probationary period, such employee shall be returned to his/her former position at the former pay step.

ARTICLE 2. COMPENSATION

SECTION 1. SALARY

A. BASIS FOR ESTABLISHING SALARY RANGES (SALARY SURVEY)

- 1) The CITY and GMEA agree to work cooperatively to bring all salaries to a benchmark standard as quickly as possible within the City's ability to pay and sustain such while ensuring the delivery of quality public services.
- 2) The CITY and GMEA shall conduct a joint salary survey by way of a mutually agreed upon procedure using the following jurisdictions for comparison:
 - (a) For general position classifications, the following cities shall be surveyed: El Segundo, Hawthorne, Manhattan Beach, Redondo Beach, and Torrance.
 - (b) For Transit specific position classifications, the following agencies shall be surveyed: Culver City, Montebello, Norwalk, Torrance and Santa Monica.
- 3) For purposes of the survey, the position specification, i.e. job description as well as minimum qualifications and all such other duties/assignments carried out by each covered employee, above and beyond those specified in such position specification, i.e. job description, shall be considered in determining comparability.
- 4) All GMEA represented classifications will be benchmarked and/or surveyed and for purposes of this Article, salary shall mean the base pay rate at salary schedule and step, exclusive of any other compensation or benefits.

B. SALARY ADJUSTMENTS

- 1) July 2021 Cost-of-Living Adjustment: Each affected employee represented by GMEA shall receive a cost-of-living adjustment to base salary of two percent (2.0%). Such cost-of-living adjustment shall apply to the employee's salary schedule and step only, excluding any Senior Pay Bonus or other premiums. The salary adjustment shall be effective the first pay period in July 2021.
- 2) July 2022 Cost-of-Living Adjustment: Any cost-of-living adjustment in July 2022 is conditioned upon the City's ability to require GMEA members to pay an additional one percent (1.0%) of compensation towards the CalPERS employer contribution rate. Any change to the employees' rate of contribution requires a secret ballot election among the affected employees. The City cannot amend its contract with CalPERS if the majority of the affected members vote to disapprove of the proposed cost-sharing of the employer contribution.

Upon meeting the conditions set forth above, each affected employee represented by GMEA shall receive a cost-of-living adjustment to base salary of three percent (3.0%). Such cost-of-living adjustment shall apply to the employee's salary schedule and step only, excluding any Senior Pay Bonus or other premiums. The salary adjustment shall be effective the first pay period in July 2022.

- 3) July 2023 Cost-of-Living Adjustment: Any cost-of-living adjustment in July 2023 is conditioned upon the City's ability to require GMEA members to pay an additional one percent (1.0%) of compensation towards the CalPERS employer contribution rate. Any change to the employees' rate of contribution requires a secret ballot election among the affected employees. The City cannot amend its contract with CalPERS if the majority of the affected members vote to disapprove of the proposed cost-sharing of the employer contribution.

Upon meeting the conditions set forth above, each affected employee represented by GMEA shall receive a cost-of-living adjustment to base salary of three percent (3.0%). Such cost-of-living adjustment shall apply to the employee's salary schedule and step only, excluding any Senior Pay Bonus or other premiums. The salary adjustment shall be effective the first pay period in July 2023.

- 4) July 2024 Cost-of-Living Adjustment: Any cost-of-living adjustment in July 2024 is conditioned upon the City's ability to require GMEA members to pay an additional one percent (1.0%) of compensation towards the CalPERS employer contribution rate. Any change to the employees' rate of contribution requires a secret ballot election among the affected employees. The City cannot amend its contract with CalPERS if the majority of the affected members vote to disapprove of the proposed cost-sharing of the employer contribution.

Upon meeting the conditions set forth above, each affected employee represented by GMEA shall receive a cost-of-living adjustment to base salary of three percent (3.0%). Such cost-of-living adjustment shall apply to the employee's salary schedule and step only, excluding any Senior Pay Bonus or other premiums. The salary adjustment shall be effective the first pay period in July 2024.

C. SALARY SCHEDULE

- 1) **RATES OF COMPENSATION:** Except as hereinafter specifically provided, and subject to the other provisions of this MOU, each affected employee shall be entitled to receive, and shall be paid at the applicable rate or rates of compensation as prescribed for the class in which his/her position is designated as set forth in the current Classification and Compensation Plan.
- 2) **ADVANCEMENT IN PAY STEPS:** Advancement of employees from the minimum to the maximum rate of compensation for the respective classes is generally divided into six (6) steps, as set forth in the current Classification and Compensation Plan, with said steps interpreted and applied as follows:
 - (a) The first step, Step 1, is a minimum rate and will normally be the hiring rate for each class within the classification plan, unless the Human Resources Officer approves a different hiring rate.
 - (b) If hired at Step 1, an employee will move to Step 2 upon satisfactory completion of the probationary period.
 - (c) Progression from Step 2 shall be upon completion of one (1) year satisfactory service on each step and the recommendation and approval of the department head. Such recommendation and approval shall not be denied except for cause. Thus, normal progression from Step 1 through Step 6 should require a period of five (5) years.
 - (d) Promoted employees shall be appointed to the appropriate pay step as set forth under Article 1, Section 3, Promotions. If promoted to Step 1, an employee will move to Step 2 upon satisfactory completion of the promotional probationary period. Alternatively, if the employee is appointed to a higher rate than Step 1, the employee shall progress to the next pay step upon completing one (1) year of satisfactory service on the appointed step and the recommendation and approval of the department head.
 - (e) Employees who have been absent from city service without pay or on paid sick leave in excess of one-hundred and sixty (160) hours may, as determined by the Human Resources Officer, be extended on such pay step for a period not to exceed the term of such absence.

- (f) Advancement in pay steps shall be effective on the first day of the pay period following eligibility to receive such pay advancement. The City shall have the discretion to authorize a different effective date when necessary.

SECTION 2. PROBATION AND SENIORITY

- A.** Newly hired employees shall be considered on a probationary trial basis for twelve (12) months from the date of hire. Promoted employees shall serve a minimum probationary period of six (6) months from date of appointment.
- B.** During the probationary period, such employees shall be entitled to all rights and privileges under this MOU, except with respect to discharge. Such employee may be terminated at any time during the probationary period with no recourse whatsoever.
 - 1) If the employee satisfactorily completes the probationary period and receives permanent employment, seniority shall be effective as of the original date of employment, but time served in a part-time, provisional, temporary or acting position will in no event be credited to seniority.
- C.** Seniority shall mean length of continuous service with the City in a full-time position regardless of classification or assigned department except that an employee shall lose all seniority rights for any of the following reasons: voluntary resignation, discharge for cause or layoff for a continuous period of two years or more.
 - 1) Seniority between affected employees in the same classification shall be determined in the following order:
 - i. By the date of most recent appointment to the classification;
 - ii. If affected employees were appointed to the classification on the same date, then by numerical ranking on their most recent eligibility list for the classification; or
 - iii. Date of original hire.

SECTION 3. BONUS PAY

A. SERVICE RECOGNITION

- 1) **SENIOR PAY BONUS:** Employees hired prior to July 1, 2002 shall receive a "Senior Pay Bonus" per the schedule in Exhibit "A." The Senior Pay Bonus (SPB) is in recognition of continuous service to the city during the years when financial uncertainty prohibited the city from giving employees pay increases.
 - a) The SPB replaces the longevity bonus formerly received by GMEA represented employees and shall not be increased beyond the amounts set forth in Exhibit "A" except as stated for cumulative years of service in each category. Advancement to a higher position classification shall not modify the range of the SPB paid to each employee.
 - b) If an employee hired prior to July 1, 2002 leaves the city service and subsequently is rehired, the new date of hire shall be the determining date and the employee will therefore not be eligible for the SPB, but shall be eligible for the Continuous Service Bonus as stated in this section.
- 2) **CONTINUOUS SERVICE BONUS:** Employees hired July 1, 2002 and thereafter shall receive a Continuous Service Bonus (CSB) on each five-year (5) anniversary of continuous satisfactory service to the City as a full-time permanent employee.
 - a) The CSB shall be paid as follows and shall be included in the employee's first regular paycheck following the anniversary date of permanent appointment according to the following schedule:

(i)	Five (5)	\$ 500.00
(ii)	Ten (10)	\$1,000.00
(iii)	Fifteen (15)	\$1,500.00
(iv)	Twenty (20)	\$2,000.00
(v)	Twenty-Five (25)	\$2,500.00
(vi)	Thirty (30)	\$3,000.00
(vii)	Thirty-five (35)	\$3,500.00
(viii)	Forty (40)	\$4,000.00

b) If any employee leaves the city services and is subsequently rehired, the new date of appointment to full-time permanent status shall be the date for future anniversary dates.

B. BILINGUAL BONUS PAY

- A. Employees who are responsible for bilingual interpretation, and whose use of a language other than English is of significant benefit to city operations as determined by the department head and Human Resources Officer, shall receive Bilingual Bonus pay according to the following rules.
 - a) To qualify for Bilingual Bonus pay, an employee must have completed probation and successfully passed a language proficiency test that is job related to his/her duties and responsibilities. The Human Resources Officer shall determine the languages that will be tested and the method of testing and may require a verbal and/or written test based on the employee's work assignment.
 - b) If called upon to do so, employees who are paid a Bilingual Bonus must assist with oral or written translation in any city operation. If it is determined that an employee does not use his/her bilingual skills as required in city service, the Human Resources Officer may determine that the employee is no longer eligible to receive Bilingual Bonus Pay.
- B. The Human Resources Officer may require that each employee re-test and successfully pass an annual language proficiency test in order to remain eligible for the Bilingual Bonus.
- C. The CITY shall pay each approved full-time employee a Bilingual Bonus of thirty-one dollars (\$31.00) per pay period and each approved part-time employee a Bilingual Bonus of eleven dollars and fifty-five cents (\$11.55) per pay period as long as the employee remains eligible for this bonus. Bilingual Bonus Pay shall commence the first pay period following certification of eligibility by the Human Resources Office.

C. MATRON DUTY

- 1) Administrative Support Services Supervisor, Police Records Technicians I & II, Administrative Aide working in the Police Department, or other positions that have been identified by the Chief of Police to perform Matron duties, and have received certification, shall receive a fixed compensation of \$100 per month, payable bi-weekly, at a rate of \$46.15. This compensation has not been identified as reportable CalPERS compensation.

D. SHIFT DIFFERENTIAL

- A. The CITY shall pay a shift differential to all employees with the exception of Bus Operator, Recreation Coordinator, Community Center Coordinator, Street Sweeper Operator, Community Services Counselor and part-time or seasonal employees.
- B. Shift differential shall be based on the employee's bi-weekly base pay including applicable Senior Pay Bonus. The following rates shall be applied:

- C. An employee who works not less than five (5) nor more than twenty (20) regularly scheduled hours during a pay period between the hours of 6:00 p.m. and 6:00 a.m. shall receive shift differential pay equal to five percent (5%) his/her base pay plus applicable Senior Pay Bonus.
- D. An employee, who works more than twenty (20) regularly scheduled hours during a pay period between the hours of 6:00 p.m. and 6:00 a.m. shall receive a shift differential of seven-and-a-half percent (7½%) of his/her base pay plus applicable Senior Pay Bonus.

E. ACTING TIME COMPENSATION

- 1) When making an "Acting Time" assignment, a department head shall consider all eligible employees in determining the assignment. Compensation for "Acting Time" shall be made by official designation by the department head whenever an employee is assigned to work in a higher classification for a period of five (5) consecutive working days or a total of forty (40) consecutive working hours. All assignments for Acting Time shall be pre-authorized by the department head and initiated by the completion of the appropriate Personnel Action Form (PAF) and approved by the Human Resources Officer.
- 2) Acting Time in Non-Management Classifications: Compensation for Acting Time in a Non-Management position shall be in an amount equal to five percent (5%) above the employee's regular base pay including any applicable Senior Pay Bonus for all hours actually worked and shall be paid retroactive to the third (3rd) day of Acting in the assigned classification. If the employee continues acting in the higher position longer than twelve (12) continuous weeks and the employee is deemed to be fulfilling the total responsibilities of the higher position, the employee shall be paid at the appropriate higher salary schedule at the lowest step, which provides the employee pay at a rate not less than five percent (5%) above his/her regular salary schedule and step and any applicable Senior Pay Bonus.
- 3) Acting Time in Management Classification: Compensation for Acting time in a management position shall be granted whenever an employee is assigned to work in a management position for a period of five (5) consecutive working days, forty (40) consecutive working hours, or for a cumulative ten (10) days or eighty (80) hours in a fiscal year. Acting Pay shall be in an amount equal to five percent (5%) above the employee's regular base salary plus Senior Pay Bonus and will commence on the day following the satisfying of the qualification time in the Acting position. If the employee continues acting in the management position for thirty (30) continuous working days and the employee is deemed to be fulfilling the total responsibilities of the management position, the employee shall receive salary at the appropriate management salary schedule at the lowest step which provides the employee pay at a rate not less than five percent (5%) above his/her regular salary schedule and step and any applicable Senior Pay Bonus.

An employee assigned to work in a management position for thirty (30) continuous working days, or longer, shall not be entitled to any management benefits, unless approved by the Human Resources Officer.

- 4) Employees who are paid at the higher salary schedule in an Acting position (non-management or management) shall continue to receive advancement in pay step at the same interval as received in the employee's regular classification as set forth in Article 2, Section 1(C)(2).

F. OVERTIME AND HOURS OF PAY

- 1) Unless otherwise noted, a workweek is the consecutive one-hundred and sixty-eight (168) hours from 12:01 a.m. Sunday to 12:00 a.m. (midnight) on Saturday. For all employees working on a 9/80 alternative work schedule, the workweek shall begin exactly four hours into the eight-hour shift on the day of the week which constitutes the alternating regular day off.
- 2) Except as provided herein, all time worked by an affected employee in excess of forty (40) hours in a defined workweek shall be compensated at the rate of time-and-one-half (1½) the employee's regular schedule and step and any applicable Senior Pay Bonus.

- 3) Unless otherwise noted, the City shall only consider hours worked by an employee to calculate the minimum overtime threshold for each workweek. The Fair Labor Standards Act defines "hours worked" as all time during which an employee is on the employer's premises, on duty or at a prescribed work place.
- 4) Notwithstanding Article 2, Section 3(E)(2) and Section 3(E)(3) above, full-time employees of the Police Department shall be compensated at the rate of time-and-one-half (1½) the employee's base rate of pay and any applicable Senior Pay Bonus for all time worked by an affected employee in excess of the employee's regular workday.
- 5) At the option of the employee, overtime compensation shall be compensated as pay or as compensatory time off. If paid, the payment shall be included in the employee's regular paycheck for the period in which the overtime was worked.
- 6) Whenever possible, compensatory time should be earned and taken within the same pay period, however, in no case shall the accrual of compensatory time exceed a total of ninety-nine (99) hours. Requests for taking compensatory time off shall be requested in writing by the employee and approved by the department head in the same manner as any other requests for time-off.
- 7) **EXCEPTIONS:** The exceptions to the above overtime provisions are as follows:
 - a) Employee shall not receive overtime compensation for any incidental time worked in excess of a normal workday when such excess is less than fifteen (15) minutes in total duration.
 - b) When such excess time is fifteen (15) minutes in total duration, the employee shall be entitled to the appropriate overtime compensation for all time worked in excess of such normal workday. Overtime shall otherwise be in increments to the nearest fifteen (15) minutes.
 - c) Employees shall receive overtime for actual work performed or permitted by the department. Employees are required to obtain prior authorization to perform overtime work.
 - d) Overtime shall not be paid more than once for any hour worked, and there shall be no pyramiding of overtime.
 - e) Bus Operators shall receive actual time as provided in Article 6 of this MOU.
 - f) An employee who is required to work extra shifts and/or hours beyond their regular shift due to an operational emergency, organizational necessity or other situations declared by and at the discretion of the City Manager or department head shall be compensated at the rate of time-and-a-half (1 ½) the employee's base rate of pay and any applicable Senior Pay Bonus for such time worked regardless of whether the employee worked their regularly scheduled shift. At the option of the employee, overtime compensation under this exception may be compensated as pay or as compensatory time off.

G. CALL-IN AND CALL-BACK PAY

- 1) Any full-time employee called in for work on his/her regularly scheduled day off (except for bus operators) shall receive not less than four (4) hours work or four (4) hours pay at one-and-one-half (1 ½) times the employee's regular rate of pay. Regular rate of pay shall be composed of base pay plus any applicable Senior Pay Bonus.
- 2) An employee called back for work after completing a regularly scheduled shift shall receive not less than four (4) hours work or four (4) hours pay at time-and-one-half the regular rate of pay plus any applicable Senior Pay Bonus.
- 3) Overtime, which has been previously scheduled, shall not be considered Call-In Pay.
- 4) Employees scheduled to return to work following their regular shift shall be compensated in accordance with the Fair Labor Standards Act and the overtime provision of this MOU.

An eligible employee may defer into the succeeding calendar year an amount of paid vacation equal to the total amount of vacation leave accrued during the prior calendar year.

- 7) It shall be the employee's responsibility to monitor personal leave accruals and to maintain such accruals within the limits set forth in this MOU.
- 8) No employee shall be paid for or allowed to take as leave any excess vacation accrual if it is determined that the accruals were credited to the employee in error or are the result of a violation of the City's Personnel Rules and Regulations, MOU or a signed agreement between the employee and the City that provides otherwise.

ARTICLE 5. LAY-OFFS AND RECALL PROCEDURES

SECTION 1. REDUCTION IN WORKFORCE

A. Whenever, in the judgment of the City Council, a reduction in workforce is necessary for economic or operational reasons, any employee may be laid off. The City will consider layoffs across all Departments and all bargaining units. However, due to the unpredictable nature of the circumstances that would give rise to this decision, the City has the discretion to reduce the workforce in a manner that best meets its economic and operational needs.

B. Designating Positions for Layoff. The City shall designate the positions for layoff by classification and Department.

C. Order of Layoff. The Order of Layoff within each classification and Department shall be the employees with the least amount of seniority first. Seniority is defined in Article 2, Section 2, for all employees other than Bus Operators; and in Article 7, Section 3, for Bus Operators.

In the event of a tie, the City will review the employees' most recent annual performance evaluations. The employee with the lower overall rating on the most recent annual performance evaluation shall be laid off first. If the overall ratings are equal, then the City will go to the next most recent annual performance evaluation. If all the ratings are equal, then the Department Head will have the discretion to designate the employee for layoff after a review of the employees' performance evaluations.

D. Positions that are Exempt from Layoff.

- 1) Positions listed in the GMEA MOU Section 4 of the PREAMBLE shall be exempt from layoffs.
- 2) The following classifications may be exempt from layoffs: Community Service Counselors, Planning Assistants, Associate Engineers, Engineering Technicians and Engineering Aides.

E. Notice to Layoff. Employees to be laid off will be given 15 days' notice of layoff. Notice will begin when the employee designated for layoff is handed a letter or sent an email, by the Human Resources Department, City Manager, or his/her designee notifying him/her that he/she may be laid off fifteen (15) days from the date layoff notice was issued.

SECTION 2. BUMPING RIGHTS

A. Eligibility. An employee who is subject to layoff shall be eligible to exercise bumping rights, unless:

- 1) The employee is on a Performance Improvement Plan at the time of the layoff; or
- 2) The employee has received discipline of suspension or higher within the last two years; or
- 3) The employee is a probationary employee.

B. Positions into Which Employee May Bump. An employee may exercise the right to bump into a lower classification represented by GMEA if:

- 1) He or she has more seniority than the incumbent in the lower classification. If an employee exercises this right, this employee bumps the employee with the least seniority in that lower classification.
- 2) Meets the minimum qualifications for that position. GMEA must be able to provide valid support to document the member bumping has the education, experience, knowledge, qualifications, and proficiency for the position, based on past work experience.

Positions listed in the GMEA MOU Section 4 of the Preamble are exempt from the bumping procedure, and an employee may not exercise his or her right to bump into those positions.

C. Notice to Exercise Bumping Right. An employee who is eligible and wishes to exercise his or her bumping right must do so in writing to the Human Resources Manager within five (5) calendar days of receiving the notice of layoff.

D. Employees who are displaced as a result of this bumping procedure may themselves exercise bumping rights, if they are eligible and in accordance with the procedures above.

SECTION 3. REHIRING OF LAID-OFF WORKERS

- A. **Recall List.** Any employee who is laid off or who bumps into a lower classification shall be placed on a Recall List for a period of two years.
- B. **Order of Recall.** If the City is able to rehire into a position that was previously designated for layoff, the CITY shall rehire those employees who are the Recall List and who previously held the position into which the City is rehiring. The City shall rehire the employee with the most seniority at the time of layoff first.
- C. **Recall Notice.** The City shall send a Recall Notice to employees on the Recall List who are eligible to be rehired. The Recall Notice to an employee who has been laid off shall be made by email to the last known email address of the employee. It is the employee's responsibility to keep the City updated with his or her most current contact information.
- D. **Responding to Recall Notice.** An employee must respond within 10 calendar days receiving the Recall Notice by email in order to be rehired into his or her previously held position. An employee rehired into the position that he or she previously held prior to layoff shall assume the same salary step and seniority that he or she held at the time of layoff.
Failure to respond, unless due to actual illness or accident (the City may require proof of illness or accident), will cause the employee to be removed from the Recall List.
- E. If there are no employees on the Recall List that are eligible to be rehired into a vacant position, then the City will conduct an open recruitment to fill the position.

ARTICLE 6. GRIEVANCE PROCEDURES AND FACT-FINDING

SECTION 1. SCOPE AND LIMITATIONS

- A. **Employee Protection:** Employees shall be assured of freedom from reprisal for using these grievance procedures.
- B. The procedures set forth in this section shall not apply to any matter involving the initiation or renewal of memoranda of understanding, the resolution of impasses or any other matter that is beyond the scope of representation.

SECTION 2. PROCEDURE

A. Employee Responsibility

- 1) In any instance of grievance, the employee or employees concerned shall first make every effort to resolve such grievance with his/her immediate supervisor.

- 3) The complaint shall be signed by the employee or the employee and the Steward, and shall be submitted in three (3) copies to the employee's immediate supervisor. The supervisor shall forward all three copies to his department head.

B. Investigation and Fact-Finding

- 1) The department head shall hold a meeting with the aggrieved employee and/or the Steward and the immediate supervisor.
- 2) The department head will make such investigation of the facts and issues as deemed necessary and upon reaching a conclusion, but in any event within five (5) working days of receipt of the grievance statement, the department head shall reply in writing, stating his determination. Three (3) copies of such reply shall be made, one copy of which shall be transmitted to the employee, one to the Steward, and the other one retained by the department head.

- 3) The use of the fact-finding step by GMEA shall be elective and may be bypassed if GMEA desires to do so.

C. Submission of the Complaint to Human Resources Officer

- 1) If the employee wishes to process the grievance further, the employee or the Steward shall, within ten (10) working days of the receipt of the department head's determination, so notify the department head in writing. The department head shall immediately submit to the Human Resources Officer two (2) copies of the original grievance complaint and the department head's determination.
- 2) The Human Resources Officer shall, without delay, arrange a meeting with the GMEA Representative. At such meeting, discussion shall be limited to the issues raised in the grievance complaint, and an earnest effort shall be made to arrive at a satisfactory resolution of the issue.
- 3) Such notes and memoranda as the Human Resources Officer deems required, shall be made of the substance of the issues and conclusions and findings of the meeting.
- 4) The conclusions and findings of this meeting shall be reduced to writing and shall be final, except that in cases which involve the alleged violation of the MOU of Understanding, Personnel Ordinance, Classification Plan, or the Personnel Rules and Regulations, GMEA may, by written notification to the Human Resources Officer, within ten (10) working days, request submission of the issue to an impartial arbitrator who shall ascertain the facts and make a recommendation which shall not be binding on either party.

D. Submission of Complaint to an Arbitrator

- 1) The fees and expenses of the arbitrator shall be borne equally by the parties with the arbitrator selected as follows:
 - a) GMEA may request a panel of five (5) arbitrators from the California State Conciliation and Mediation Service.
 - b) Upon receipt of the names, the first party to strike a name shall be determined by lot; thereafter each party shall alternately strike names until only one (1) name remains; that individual shall be the arbitrator.
1. The arbitrator shall determine the facts in a manner mutually agreed upon and shall, within thirty (30) days, submit his or her findings and recommendations to the parties.
2. Within ten (10) days of the receipt by the parties of the arbitrator's findings and recommendations, the City Manager shall review the grievance in its entirety and render his determination to GMEA. Should his determination not satisfy the GMEA, the grievance may then be referred to the City Council for final determination in accordance with this Article.

E. Submission of the Complaint to the City Council

- 1.) A complaint which is requested to be submitted to the City Council shall be submitted by the Human Resources Officer at the next regularly scheduled City Council meeting.
- 2.) The decision of the City Council shall be final.

ARTICLE 7. TRANSPORTATION DEPARTMENT EMPLOYEES (GTRANS)

The terms and conditions of this MOU shall apply to full-time employees of the Transportation Department unless other terms and conditions are set forth in this Article as specifically applicable to full-time classifications of the Transportation Department as indicated below.

SECTION 1. COMPENSATION

A. OVERTIME: Bus Operators and Equipment Mechanics shall be paid overtime (time and one-half regular hourly rate) in accordance with the "hours worked" provisions of the Fair Labor Standards Act.

- 1) If any Bus Operator works a sixth (6th) or seventh (7th) day in any one work week and such sixth (6th) or seventh (7th) day is worked on a regular bus run, such time worked by the driver on such regular run shall be compensated at time-and-one-half (1½) the base hourly rate plus any applicable Senior Pay Bonus.
- 2) Compensation for training time shall be paid in accordance with the Fair Labor Standards Act. The following situations or time spent by employees in required training is considered to be non-compensable: training which is required for certification of the employee by law of a higher level of government (e.g., where State, County, or Federal law imposes a training obligation on City employees does not constitute compensable hours of work)
- 3) Bus Operators and Para-Transit Drivers will be paid one-and-one-half (1½) times their straight time hours for all work they perform in excess of eight (8) hours per day or forty (40) hours per week, on a regular run with the exception of spread time, guarantee time, or incidental overtime.

Operators shall be paid a flat rate of eight dollars (\$8.00) for accurately completing and timely submitting each required Operator Daily Log. Operator Daily Logs are to be submitted at the end of the Operator's shift, but in no case shall be submitted more than 24 hours after the end of the Operator's shift. Late submittals or incorrectly completed Operator Daily Logs may delay payment of the allowance.

D. ACCIDENT/INCIDENT REPORT PAY: Bus Operators involved in an accident/incident must submit a completed Accident/Incident Report by the end of the shift. The Accident/Incident Report must be completed prior to leaving the bus yard on the same day the accident/incident occurred. Bus Operators will be paid for twenty (20) minutes, at time and a half, to timely complete an Accident/Incident Report prior to leaving work. Such payment is subject to the following exceptions:

All or a portion of the time completing a report may be calculated at time and a half depending on the total hours worked. (Report time is added to any work performed. If the total hours worked exceed eight (8) hours in a day for full-time Operators and/or 40 hours in a week for part-time Operators, then any time beyond that threshold will be paid at time and a half.)

If a full-time Operator is relieved early (before meeting the 8-hour guarantee) due to an accident/incident, then the report time will not result in overtime pay.

In the event the Accident/Incident Report is submitted later than the end of the shift in which the accident/incident occurred, then time spent completing the report will not qualify for overtime.

The Accident/Incident Report should include comprehensive information about the accident/incident including but not limited to: date and time of the accident/incident; exact location of the accident/incident; description of the accident/incident including any photographs or sketches of the scene; the operator's name, address and contact information; the operator's driver's license number; vehicle description information and license plate numbers; and report of any injuries or damages.

- 2) When a Bus Operator is prevented from reporting to work on time due to an illness or emergency, the dispatcher/supervisor will review the Bus Operator's personal situation and the work assignments for that day to determine if a new report time will be requested by the dispatcher/supervisor. In the event a new report time is requested, and the employee agrees to the new report time, failure of the Bus Operator to report to the new assignment on time will result in a second MISSOUT for that day.
- 3) When a Bus Operator is prevented from reporting to work on time due to an emergency and later presents proof of said emergency satisfactory to the Transportation Director, he/she may waive the charge of a MISSOUT on a Bus Operator's record. Waiver of any MISSOUT is considered on a case-by-case basis.
- 4) The failure of a bus operator to report in person, ready for work at the assigned time will be considered a MISSOUT.
 - a) First MISSOUT in a thirty (30) day period will result in the loss of one (1) day's work without pay.
 - b) Second MISSOUT in a sixty (60) day period will result in the loss of two (2) days' work without pay (the one-day missed, plus a one-day suspension).
 - c) Third MISSOUT in a ninety (90) day period may be grounds for termination.
 - d) The cumulative record of MISSOUTS will be taken into consideration in any disciplinary action taken.

Preparatory activities to be conducted prior to each pull-out includes checking the Operator Bulletin Board and conducting a full vehicle pre-trip inspection. Split-run operators shall also be granted thirteen (13) minutes preparatory time for reporting to the Transportation facility to take out the second part of their run, for a total of twenty-six minutes for assignments requiring to pull out a bus twice.

K. EXTRA WORK

- 1) The City and GMEA agree to encourage and promote all extra work and recognize that extra work is required by Bus Operators to ensure GTrans provides scheduled and special event services to its customers.
- 2) **Assignment of Extra Work:** The assignment of extra work shall first be given to the Extra Board Operators, who will be required to perform this work as part of their regular duties. If the Extra Board is exhausted, Bus Operators will be assigned extra work in the following sequence:

 - 4) Any operator who has volunteered for extra work and cannot be reached at their primary contact phone number on file will be passed and the next available Bus Operator will be contacted. A Bus Operator that could not be reached at their primary contact phone number under the above circumstances is not eligible for any compensation for the unassigned extra work.
 - 5) A Bus Operator that requests to volunteer for extra work will submit a "Volunteer to Work on Day Off" slip during the bid/selection process to be effective at the start of the shake-up. Bus

Operators may also volunteer for extra work after the bid/selection process by submitting the slip to the dispatcher by Friday of each week prior to 10:00 a.m. to be effective that Saturday. If a Bus Operator should request to be added onto the volunteer list after the shake-up commences, they will not be placed in the order of seniority but will be added to the bottom of the volunteer list according to the order in which their slips were submitted.

- 6) A Bus Operator may request to be removed from the volunteer list by submitting a request in writing during the bid/selection process to be effective at the start of the shake-up. Bus Operators may also request to be removed from the volunteer list by submitting the slip to the dispatcher by Friday of each week prior to 10:00 a.m. to be effective that Saturday.
- 7) If a Bus Operator has volunteered to work on their regular day off and the remaining work to be assigned will not leave that Bus Operator available for their regular run due to rest period requirements, they shall be passed and another Bus Operator who has volunteered for work on their regular day off will be assigned if that work leaves them available to work their regular assignment. When such Bus Operator have been passed in making assignments on account of unavailability, they shall be considered as the next in turn for the first unfilled assignment for which they are qualified, and which signs on after expiration of their proper rest period.
- 8) If a Bus Operator that has volunteered for extra work fails to report on time for that assignment, they will be charged with a MISSOUT as provided in subparagraph G of this Section.

- D. Meal/rest periods in the Bus Operator's recovery time shall be computed as time worked. There is no meal/rest period due for an assignment with a total daily work period of less than three-and - one-half (3½) hours. July 2021

TRANSIT OPERATIONS SUPERVISOR TRAINING PROGRAM

The Operations team has been working on development of a training program that would provide GTrans bus operators a path for future promotion to Transit Operations Supervisor. The goal of the program is to develop a pool of skilled and talented candidates eligible for promotion while also improving staff morale through the provision of training opportunities.

The program is designed to be a 12-month Supervisor Training Program. As discussed in further detail below, the program is broken down into two major parts, 14 weeks of Supervised hands- on job training and 38 weeks of actual performance of the job.

The proposed details of program development are outlined in the following sections, with details of the training program content included as Attachment A.

Applicant Criteria

The criteria to be used in consideration for acceptance into the Supervisor Training Program would include the following:

- Must have been a GTrans Bus Operator for a minimum of three (3) years (FT or PT) (Relief Operator time counts)
- Must not have received any written reprimands, suspensions or other disciplinary action during the past 12 months.
- Must not have had more than 2 miss-outs during the past 12 months.
- Must not have had more than 9 unscheduled absences during the past 12 months.
- Must have worked a minimum of 1800 hours during the past 12 months.
- A written statement detailing the reasons an applicant would like to be accepted into the program.
- An oral interview conducted by Transit Operations Manager, Training and Safety Supervisor and other GTrans staff as appropriate.
- The final selection will be based on a combination of performance record and oral interview.

Pay Rates

It is recommended that during Supervisor Training Program trainees receive the following compensation:

- During the supervised portion of the Training program (approx. 14 weeks) they receive a **(\$2 increase) from their current Step.**
- During the unsupervised portion of the Training Program (approx. 38 weeks) they receive **(Step 1 of Salary Schedule 117.**
- After successful completion of the Training Program (12 months) we would create a **LEAD OPERATOR PREMIUM of \$3.00. Operators who maintain in good standing and who are called upon to perform Supervisory duties will get the \$3.00 per hour, for hours worked.**

The Training Program

The program is broken down into two major parts, approximately 14 weeks of Supervised hands-on job training and approximately 38 weeks of actual performance of the job.

Supervised portion of the Training program:

1st Module- Intro to Transit Supervision
2nd Module- Dispatch/Hands On Training
3rd Module- Road Supervision/Hands On Training
4th Module- Training and Coaching-Complaint Investigation/Evaluations

Unsupervised portion of the Training Program:

5th Module- Actually performing the full duties of a Supervisor (Road, Dispatch, Admin etc...)

Evaluation Criteria

At the conclusion of each training module we propose that trainees receive an evaluation prior to proceeding to the next module. It is recommended that an evaluation criteria be used in determining whether a trainee will move to the next module and their acceptable performance in the program will be based on the listing of specific Transit Operations Supervisor shift duties. These daily job duties will be used to develop an evaluation sheet that program instructors will use to assess competence in core job tasks associated with each training module.

Failure to adhere to City or department procedures may result in disciplinary action and/or ending of the Training program at Managements discretion.

Instructors

We propose using a combination of instructors: City Staff, GTrans Management Team, Operations Supervisors, and our Training and Safety Supervisor as the primary instructors for the program. Given some of the topics that the trainees will cover, we also would recommend having other staff from Human Resources and Gardena PD participate in the program. There may be opportunities for participation by some outside staff from other local transit agencies if they have expertise in particular disciplines.

Activities After Completion of Training Program (LEAD OPERATOR PREMIUM)

After the successful completion of the training program, trainees would return to the Bus Operator classification and resume their scheduled work assignments. However, given the experience gained from the training program, program graduates would be available to be used to supplement the existing Transit Operations Supervisor staff as needed. This could include their usage in situations such as being scheduled to work as supervisors periodically with regular assignments on pre-scheduled days (i.e., on Mondays or Fridays), for special assignments, during special events, or due to the absence of an existing supervisor.

This provides the opportunity to continue their growth and experience in undertaking the duties of an Operations Supervisor, provide refresher opportunities and to strengthen their ability to compete if a new Operations Supervisor position were made available for recruitment.

The Transportation Department reserves the full right to control the amount of Trainees in the program, determine the necessity to use Lead Bus Operators after completion of the Training Program.

An outline of the training program setup and topics is listed in Attachment A.

2. APPLICABILITY

This policy applies to all Gardena Municipal Employees Association classifications.

3. DEFINITIONS

- a. **Electronic Device** – For the purpose of this policy, an electronic device is any device that makes or receives phone calls, leaves messages, sends, or receives text messages, e.g., SMS/MMS/iMessage or similar yet to be developed technology or alerts, accesses the internet, receives or sends a global positioning system (GPS) signal, allows for uploads or downloads of data, text or images, or requires any user action to operate. These include but are not limited to mobile cellular phones, tablets, laptops, global positioning systems (GPS), gaming devices, electronic book devices, MP3 players, televisions, radios, video players, smart watches or other wearable interactive devices, as well as any similar or future devices known by different names, whether or not the device is company issued.

Use of an electronic device includes, but is not limited to: viewing or listening to any media; playing any games; checking the time or notifications; communicating with another person or another device, such as phone calls, text messages or emails; accessing the internet; using any software applications; taking pictures or videos; recording audio, or any other interaction with a device not listed above.

- b. **Distracted Driving** – For the purpose of this policy, distracted driving means any driving activity a person engages in while using an electronic device when operating a motor vehicle and equipment. Such activities have the potential to distract the person from the primary task of driving and increase the risk of crashing and injury to self, others and City property and vehicles.
- c. **Passenger-Vehicle** – A vehicle that is available to the general public and there is a reasonable expectation of carrying passengers that directly pay fares. Passenger vehicles also include vehicles operated in ‘free fare’ service and vehicles that are intended to transport relief employees to and from a vehicle. Examples of passenger vehicles include, but are not limited to; bus, paratransit vehicles, relief vehicles, passenger vans and any other vehicles used by departments to transport public passengers.

- d. **Non-Passenger Vehicle** – A vehicle that assists in maintenance construction, inspection or other functions that support the operations of the City. They are not intended to transport public passengers but may do so in certain special circumstances such as emergencies and abnormal operating conditions. Examples of non-passenger vehicles include, but are not limited to, administrative vehicles, forklifts, golf carts, street sweepers, tractors, and other maintenance vehicles. Non-passenger vehicles transporting public passengers for any reason must adhere to the passenger vehicle restrictions.
- e. **Hands-Free Device** – An attachment, add-on, built-in feature or addition to an electronic device that, when used, allows for the free use of hands for other actions. This includes a hands-free device that requires the use of hands to initiate or terminate a telephone call or to turn the device on or off. Examples include, but are not limited to, Bluetooth devices, headsets (wired or wireless), and speakerphones. These devices can be installed or portable. A smart watch or other wearable interactive devices are **not** considered a hands-free device.

3. Use of one-way radios or monitoring installed AM/FM radios or similar devices are permitted in non-passenger vehicles, as long as the volume and interaction is kept at a minimum to avoid distraction.
4. Employees operating portable or mobile City-issued two-way radio equipment (e.g., walkie-talkie, bus or car radios) are permitted to use and must be used in safe manner at all times.
5. Once the break, or before the vehicle is put in motion again, the employee must put the electronic device away.

c. Use of Electronic Devices in Emergency Circumstances

- i. Pursuant to the California Vehicle Code, employees may use a cell phone (without a hands-free device) while driving in the course and scope of their employment with the City for emergency purposes, including, but not limited to, an emergency call to a law enforcement agency, health care provider, fire department, or other emergency services agency or entity. In case of an emergency, the employee will attempt to make sure the vehicle is secured as soon as practicable.
- ii. In case of an emergency where on-board communication equipment is inoperable on a passenger vehicle, the employee may use electronic device to contact emergency services once the vehicle has been stopped and secured in a safe location.

5. Enforcement

If greater discipline is imposed, then any post-disciplinary appeal will be heard in accordance with Section 16.6(b) of the City's Personnel Rules and Regulations.
- b. The second violation of this policy while operating a passenger vehicle within seven years of the first violation will result in termination.
- c. Violation of this policy while operating a non-passenger vehicle may result in discipline.
