

March 18, 2020

All City Buildings, including GTrans Administrative Offices are CLOSED to the public until further notice.

As of March 16, 2020 GTrans service is operating on a modified schedule until further notice, due to the suspension of in-person classes at various educational institutions in our service area. For information about GTrans service, please contact 310-965-8888 or visit GTrans on Instagram (@RideGTrans), Facebook (GTrans), Twitter (@RideGTrans) or [www.ridegtrans.com](http://www.ridegtrans.com). For information on alternate locations to load your TAP card or buy fare media, please contact GTrans at 310-965-8888.

GTrans will continue to provide fixed route service for customers performing essential activities and for those traveling to and from work. We are now practicing social distancing onboard the bus and ask that you not sit in rows that are blocked off. We want to ensure there is enough space for customers to remain 6 feet from each other. Increased cleaning and disinfecting are continuing onboard our buses.

GTrans Special Transit paratransit service is now offered on a reduced basis, limited to essential trips only. Please call Special Transit Dispatch at (310) 965-8848 for the most current scheduling information.

If you are sick, we ask that you not ride GTrans' services. We urge you to continue to practice safety guidelines when dealing with COVID-19 or Coronavirus.

- Please stay home if you are sick
- Wash your hands often with soap and water for a minimum of 20 seconds
- Avoid touching your eyes, nose and mouth with unwashed hands
- Limit close contact with others, and practice social distancing

Stay safe and healthy!
