KEEPING GARDENA SAFE

CITY MANAGER UPDATE

APRIL 22, 2020 | REF 2020.107

HAPPY EARTH DAY!

In honor of Earth Day's 50th Birthday, I would like to remind everyone to dispose of their waste responsibly. While being safe at home, you can still protect our planet by recycling. For more information on what can be recycled, visit CalRecycle's [website](#). Please be advised that used gloves, masks and wipes are not recyclable.

Sincerely,

Clint Osorio
City Manager
