Transportation Department

The City of Gardena has suspended all in-person services, such as the purchase and loading of TAP cards, until further notice. All City facilities have been closed to the public, including the Transportation Department. Please see the [City Directory](#) for each department's contact information.

Due to the suspension of in-person classes at various educational institutions in our service area, we are experiencing a decline in ridership and operator shortages. As a result of the actions taken at the federal, state and local levels of government, GTrans will be operating on a modified schedule until further notice. We are dedicated to maintaining service for customers performing essential activities and traveling to and from work.

- **Line 1X:** Operating daily on its Weekend Schedule as normal. No service to Downtown LA

- **Line 5:** Operating daily on its Weekday Schedule with trips every hour
