CITY MANAGER UPDATE

MAY 18, 2020 | REF 2020.130

THE LATEST NEWS IN GARDENA

As we move through the stages of reopening, the City of Gardena will continue sharing and promoting resources that are available to our community. For the most up to date information, tune in to Spectrum Channel 3 or Channel 22 or visit our website: <https://www.cityofgardena.org/coronavirus-covid-19/>.

Gardena is following LA County's Roadmap to Recovery and will adjust our Reopening Guidelines based on official Health Officer Orders. Currently, Gardena's lower-risk retail businesses are permitted to open for curbside or outdoor pickup only. In addition, car dealership showrooms and manufacturing and logistics sector businesses that supply lower-risk retail businesses may also open at this time.

Gardena Parks are open during regular park hours for activities such as walking, running and tennis only. Other outdoor recreation facilities such as golf courses, beaches, trails, pickleball courts, shooting and archery ranges, equestrian centers, model airplane areas, community gardens and bike parks are also open with limitations.

All residents and visitors must continue practicing the protective actions while in public: physical distancing, wear face coverings, wash your hands, clean frequently touched surfaces and common areas, and stay home if you are sick or feel unwell.

For more information about the Reopening Guidelines, please visit our Business Resource Portal at <http://www.gardenaawaits.com/covid-19-resource-guide/>. You may also contact the Emergency Operations Center at (310) 217-9583 or EOC@cityofgardena.org.

Sincerely,

Clint Osorio
City Manager

TEMPORARY MORATORIUM ON EVICTIONS

On March 26, 2020, the City Council adopted Urgency Ordinance No. 1819, establishing a temporary moratorium on the eviction of residential and commercial tenants who are unable to pay rent due to the impacts of COVID-19.

To take advantage of the protections provided in Urgency Ordinance No. 1819, residential and commercial tenants are required to do the following within 30 days after the rent is due:

- Notify the landlord in writing of the substantial COVID-19 related financial impacts
- Provide documentation in writing establishing substantial COVID-19 related financial impacts
- Pay the portion of rent that the tenant is able to pay

Please keep in mind that a landlord may not evict a tenant if the tenant has done any of the following:

- Rent is overdue for a period of 30 days or less and the tenant notified the landlord as required by this ordinance
- Rent is overdue for a period of 31 days or more and the tenant complies with both requirements of this ordinance

If the tenant fails to provide the information in writing within the 30-day period, the landlord has the right to proceed with the eviction process. Please be advised that this ordinance does not intend to waive a tenant's obligation to pay back rent owed once this ordinance is no longer effective. If a tenant still has the means to pay rent, then they are expected to do so. A tenant will have up to 120 days after the expiration of this ordinance to pay the unpaid rent that is due. If you have any questions regarding Urgency Ordinance No. 1819, please call (310) 217-9503.

FACIAL COVERING UPDATE

As of April 11, 2020, Gardena residents and visitors are required to wear face coverings that cover the nose and mouth while in public. Face coverings can be non-medical grade cloth coverings, including scarves and bandanas

The original Emergency Order was amended during the City Council Meeting on April 28, 2020, allowing individuals that are driving or riding in a vehicle alone or with other members of their household to do so without face coverings. The revised Order is available on our website: <https://www.cityofgardena.org/covid-042920-afco>

Individuals are required to wear face coverings while at any essential business, traveling to and from essential businesses or services and while out in public. Please be advised that face coverings are to be used in addition to physical distancing and frequent handwashing.

Refer to LA County's Guidance for information on how to safely use and care for cloth face coverings. Check your local retailers and pharmacies to purchase cloth face coverings. CDC has also provided instructions on how to make your own cloth face covering at home on their website.

*The City of Gardena is with you.
We are better together !
-Mayor Tasha Cerda*

FIND LOCAL CHILD CARE

California Governor Gavin Newsom announced a new portal to help parents, including essential workers and vulnerable families, find safe, reliable and accessible child care options.

The new portal is available at covid19.ca.gov/childcare and enables parents to enter their location and the type of care they need, instantly receiving a list of local center-based and family child care programs. The list of open licensed child care programs will include health and safety information, age of children accepted, capacity, availability, hours, and contact information for the program and local Child Care Resource and Referral agency.

Questions? Please call 1-800-KIDS-793 (available in English or Spanish).

PRICE GOUGING INFORMATION AND REPORTING

Price gouging is when sellers increase their prices for essential consumer goods and services during an emergency. According to California's Penal Code Section 396, it is illegal to raise the price of consumer goods by more than 10% after an emergency has been declared.

If you suspect price gouging, please report it to Code Enforcement at (310) 217-6171 or call the Gardena Police Department at (310) 323-7911.
