D. COUNCIL REMARKS

- (1) MAYOR PRO TEM HENDERSON Since the last Council Meeting, he has participated in the Los Angeles Business Federation COVID-19 Task Force and Discussion Committee Meetings. Discussion was centered around sending a potential letter to Governor Newsom, requesting that different parts of Los Angeles County that meet the requirements outside of the Los Angeles Public Health shall be allowed to open. Also, reiterated the same topic in his SCAG Meeting Regional 28. He also mentions that the discussion during his Community Economic and Human Development Committee was about all the cities being financially devastated and possibly getting the Federal Government to start bailing out some of the communities that have less than half a million people. In addition, he ran for co-chair and lost to a Councilman in Cerritos. He thanked all colleagues on the Council and City Manager for responding to the South Bay Cities Council of Governments Project to get fiber throughout the South Bay. He also attended a presentation on how communities can repurpose their streets, outdoor dining, and different exercises and much more. He will also be participating in another presentation in order to obtain additional information to bring back to Council.
- (2) <u>COUNCIL MEMBER FRANCIS</u> She attended the Los Angeles Sanitation District to urge businesses to participate. She attended the South Bay Cities Council of Governments for Senior Services Working Group; were she was made aware that there is a 10-year master plan on aging that is going to the legislature. She also thanked the Parks and Recreation Department for the Food/Lunch Giveaway and Councilman Tanaka and Kaskanian for helping to distribute lunches. She also mentions that May is one of the busy months because we have Cinco De Mayo, Mother's Day, Memorial Day and, we also honor Asian American and Pacific Islanders.
- (3) COUNCIL MEMBER KASKANIAN He attended the Drive thru Lunch and thanked everyone that participated in the event including the Gardena Police Department; Chief Saffell, Lieutenant Fox, Lieutenant Lee, and Lieutenant Cuff. He also has been working with the Nestle and Arrowhead Water Company and was able to get three pallets of water to our Seniors, Pantry, and the City of Gardena: over ten thousand bottles of water. He thanked them for their generous donation and for promising to help us again in the near future. In addition, he is currently negotiating with a cereal company in Pomona in efforts to obtain cereal boxes for the City's Pantry. Once negotiation is completed, he will report back to Council.
- (4) MAYOR CERDA Since the last Council Meeting, she has attended several zoom meetings; one being a City Selection Meeting, where Council Members from all over came together and voted on a Library Commissions as related to the County. She also attended the CCGA Meeting which deals with the casinos. She was happy to announce that the City of Colma had joined the CCGA and that there are more cities that would like to come on board. She also stated that there are Emergency Funds for Casinos in the event of a pandemic like COVID or anything that disrupts the casinos. The CCGA is currently trying to reach out and ask that funds be dispensed to our casinos so that it could help us. She also said that there's new requirements called self-spacing that many casinos are doing, as far as how they are spacing the players apart and how they are putting plexiglass in between different patrons. Some casinos up north have already started opening, unfortunately some of the tribe casinos have disregarded the governor orders. She also attended the Sanitation Meeting via telephone and shared information with our City Manager as it relates to "If you're not using your facilities as much and you can show that 20% below", please reach out. We want to make sure that people can get great reductions and any type of discounts or anything that could help them during this time. Lastly, she commented in response to Councilwoman Francis; she is aware of the meaning of emeritus and what an honorable person is. She believes that it's important to have all the correct information and titles on signs, when people are making decisions; like who they're going to vote for because there are people who were furious when they find out that the person name and title was not accurate. We appoint people who have integrity.

- D. COUNCIL REMARKS (Continued)
 - (5) <u>COUNCIL MEMBER TANAKA</u> He thanked the Mayor for allowing him to invocate. He stated that he participated in the 1000 Meal Lunch Giveaway as well and thanked the City for representing us so well. He also is attending zoom meetings for the Non-profit with the Elks, trying to keep the lodge alive and doing meals on Fridays and keeping busy with SCAG at the end of the week.

 - (1) <u>RESOLUTION NO. 6457</u>, Adopt Resolution Ratifying the Proclamation Declaring Existence of Local Emergency (Continued)

There was a discussion regarding the amount of money that has already been incurred on PPE, and how long it would take for us to get reimbursed by FEMA. It was then discussed that we have no knowledge of when we would get reimbursed, we are pro-actively keeping track so when FEMA starts to reimburse, we would qualify. Mayor Cerda asked about how much has been spent since the pandemic started. Chief Saffell justified that we have spent \$165,000, a portion of that was spent on overtime for our police officers. He also gave a report on thefts and burglaries around the City. He explained that we did assist other cities, who are in Area G, a mutual aid conglomerate that we, along with other cities belong to and help out when resources are needed; he continued to say that a lot of this information is given out at our community district policing meetings. There were 5 speakers who requested to speak and voiced their concerns regarding the subject matter. They were as follows: 1) Mr. Rudy Martinez, resident; 2) Ms. Wanda Love, Chief Executive Officer of the Gardena Valley Chamber of Commerce; 3) Ms. Alexis Moore, no address on record; 4) An Anonymous Person, whose statement was read into the record; and 5) Ms. Felicia Benjamin, no address on record.

Mayor Pro Tem Henderson seconded it.

C. CITY MANAGER REMARKS RE: DIRECTIVES / COUNCIL ITEMS

- (1) A memorandum which has been included in your packet that was prepared regarding Council Member Kaskanian's directive regarding if Developers are required to hire local suppliers;
- (2) A report, included in your packet, that Chief Saffell prepared regarding Detention and Arrest Oversight;
- (3) A memorandum, included in your packet, regarding community inquiry re: burglaries at Purche Elementary School;
- (4) City Manager provided a list of problematic addresses that were put into Gardena Direct by our residents and gave a report on how staff has taken steps to get these issues taken care of; and
- (5) A video by our Recreation Department who worked with Waste Resources, sponsor, to host a Graduation Station Event set up on the lawn at the Nakaoka Community Center where 2020 graduates came to take pictures.

D. COUNCIL REMARKS

- (1) COUNCIL MEMBER TANAKA He attended SBCCOG Board Meeting and the SBCCOG Steering Committee Meeting. He stopped by the Graduation Event at City Hall Lawn and is really proud of our City during this pandemic. He mentioned to buy your Gardena Strong mask, it helps with donations to the Pantry. He stated that he does not support what happened in Minneapolis with George Floyd. We stand behind George Floyd. He is very proud of our City, Citizens, and Police Department. Our Police Department has gone through many positive changes since he has been there. He is proud of the peaceful protests and how we handle ourselves.
- (2) MAYOR PRO TEM HENDERSON Thank you to our Parks and Rec staff for the 2020 graduation event. Through my anger and pain, thank you to Chief Saffell for letting me rant about Black Lives Matter issues. He attended Centinela Youth Services meeting and had a discussion on restorative justice for the youth. We have our own program so when funding comes back, we can look into the restorative justice program for the youth. He attended the Los Angeles Business Federation Responsible Governance Committee and pushed for an initiative to make sure we have financial support for municipalities and cities with less than 500,000 as law & order Cares Act & refunds are starting to go out. They believe that municipalities or cities with 500,000 people or less should receive help as well. He attended the SCAG meeting representing Region 28 that includes Gardena. We had a General Assembly Meeting; he is now on the legislative committee. We had a nice peaceful community dialogue on Bell side, and he thanked Commissioner Lawanda Stanton. He participated in a few Black Lives Matter discussions online. He thanked the president of the GPOA. We had a couple discussions on how we can change some things. Looking forward to great things coming out of this pandemic as well as racial inequality. Our community needs to be on the forefront.

D, COUNCIL REMARKS (Continued)

- (3) <u>COUNCIL MEMBER FRANCIS</u> She said thank you to staff for all they do to keep our city running. Also thanked Public Works for cleaning up the Rosecrans median. She stated it has been a difficult week but All Lives Matter when Black Lives Matter.
- (4) MAYOR CERDA She said congratulations to all the graduates this year. This will be one of those unique things the graduates will remember from 2020 regarding COVID. Special thank you to Recreation and Human Services along with WRG for the graduation stations. Always great to know we are on the forefront with these types of things. She stated 400 people came out to enjoy and take pictures and that it is important to keep the moral good during COVID. She attended a Flag ceremony for one of our firemen, Ernie Marquez. The Fire Department held it at Station 159 on 135th. They had multiple firetrucks out there. She was happy to be there and be part of it. It was great to see all the current and retired firemen. She mentioned fireworks and how bad it has gotten. She wanted to tell the residents if they see a firework up in the air or that makes noise it is illegal. She has been calling the police as she sees the people doing illegal fireworks. Reminded everybody to call the police on illegal fireworks. She then mentioned she is outraged by what happened to George Floyd and added him to our Remembrances. She said when the time is right the City of Gardena will make a statement. This is not a situation we take lightly and as an African American woman she does not stand for what happened. With COVID going on and protests, tensions are high, we are evaluating when to make a statement. I am proud of our City and how we have figured out how to work cohesively and as a team with Council, City Manager, and all the departments.
- (5) <u>COUNCIL MEMBER KASKANIAN</u> He delivered over 1,000 bottles of water to the Japanese Cultural Institute in Gardena. Within the next couple of weeks, we will have a food delivery to the JCI. He has been working hard with big corporations to deliver food, water, and supplies. He stated George Floyd's death was a wrongful death and was unacceptable. He attended peaceful protests in downtown LA. He also attended an Armenian for Black Lives Matter peaceful protest in Glendale. He stated we are all one human and under one nation and condolences to the Floyd's family.

ORAL COMMUNICATIONS FROM THE PUBLIC

Agenda Item #4

Planning Assistant Amanda Acuna addressed the Commission and public on procedures for conducting the online meeting since all participants were attending from a remote location. Instructions on how to comment and ask questions via the Zoom application was given.

A member of the public asked how the construction of townhomes would benefit the City and its citizens.

Ms. Acuna stated that the members of the public would be able to speak on any agenda item at the time of the public hearing for that item and asked if the member of the public would like to speak on any non-agenda item during oral communications.

Assistant City Attorney Lisa Kranitz stated that Agenda Item #5 was not proceeding at this time and the public hearing would be opened and continued to the next Planning Commission meeting.

Acting Community Development Director Raymond Barragan asked Ms. Kranitz to clarify whether any member of the public in attendance at this meeting would be able to speak on Agenda Item #5 if they would not be able to attend the next Planning Commission meeting.

Ms. Kranitz stated yes and added that staff would be giving a full presentation on the item and the applicant would be in attendance at the next Planning Commission meeting.

Another member asked how the issues of debris and maintenance of the vacant lot on West 147th Street are being addressed and if someone would be responsible for cleaning that up.

Mr. Barragan stated staff would work with the Code Enforcement Division to handle that issue.

Ms. Acuna added that the Code Enforcement Division was already made aware of this issue and was working with the property owner to resolve it.

PUBLIC HEARING

Agenda Item #5

Site Plan Review #4-19; Tentative Tract Map #2-19

A request for site plan review and tentative tract map approval for the construction of six new townhome units in the Medium Density Multiple-Family Residential (R-3) zone per Section 18.44.010.E and Chapter 17.08 of the Gardena Municipal Code, and direction to staff to file a Notice of Exemption.

Project Location: 1621 W. 147th Street (APN: 6103-031-075)

Applicant: Julio Vargas

Chair Jackson opened the public hearing and continued the item to the August 18, 2020, Planning Commission meeting.

Agenda Item #6

Site Plan Review #1-19, Variance #1-20, and Tentative Tract Map #1-19

A request for a Site Plan Review to allow the development of 113 townhomes, including 57 attached townhomes, 41 detached single-family units, and 15 attached live-work units; a Variance to construct a front yard fence abutting a public sidewalk; and a Tentative Tract Map to subdivide 5.46 acres consisting of two properties for 113 condominium units (VTTM #82667). The property is zoned C-3/MUO (General Commercial/Mixed Use Overlay). A Mitigated Negative Declaration (MND) and Mitigation Monitoring and Reporting Program (MMRP) were prepared to address environmental impacts.

Project Location: 2101 and 2129 Rosecrans Avenue (APNs: 4061-028-049 and 4061-028-018)

Applicant: G3 Urban Inc.

Senior Planner John F. Signo presented the staff report and recommended that the Planning Commission approve Resolution No. PC 7-20 adopting the Mitigated Negative

Declaration and Mitigation Monitoring and Reporting Program, and approving Site Plan Review #1-19, Variance #1-20, and Tentative Tract Map #1-19, subject to the conditions of approval.

Rita Garcia with Kimley-Horn and Associates, the environmental consultant for the project, provided a brief overview regarding the project and the mitigation measure that were being imposed and concluded by stating the implementation of those mitigation measures as well as the project's compliance with all regulatory frameworks would result in the project having a less than significant impact on the environment.

Commissioner Langley stated that in the environmental document there was a mistake stating that Junipero Serra High School was not part of the Los Angeles Unified School District.

Ms. Garcia stated staff would correct that in the record.

Chair Jackson opened the public hearing.

The applicant, Mitch Gardner from G3 Urban, provided a presentation on the proposed project and showed a simulation video of what the project would look like.

Commissioner Henderson asked the applicant to provided clarification on the original plans that included a commercial building and questioned whether the dwelling units proposed could be reduced in size.

Mr. Gardner answered by stating their company had the commercial building advertised on the retail market for over six months and did not receive one offer. At that time, the pandemic started and he and his team had to reassess the project's feasibility of selling residential homes with a vacant commercial building in the front. Mr. Gardner then stated the project was designed to be market driven and the proposed square footages of the homes fit the market expectations of potential buyers.

Ms. Kranitz stated because the project is in the MUO it is required to have a minimum of 20 units per acre and reminded the Commission that when residential projects are not seeking any legislative approval and meet the development standards of the code the City may not reduce the density of the project.

Commissioner Henderson then asked how the project would be addressed if the office spaces of the live/work units were not occupied and proposed as additional living space.

Mr. Gardner stated the residences of the live/work units would be allowed to operate their personal business on the ground floor and were not allowed to lease the space out to a third party. He then went on to say that with the ordinance that recently passed this project would be allowed to be 100% residential, however they felt keeping the live/work units provided a better frontage to the project.

Commissioner Langley stated his similar concern with Commissioner Henderson on the massing of the project and that the units were too big. Commissioner Langley then questioned the occupancy rates of the homes being at 2.5 persons per household with the project including five-bedroom units and added that he did not see the development being family friendly. Commissioner Langley then questioned the parking space locations with 20 of the 69 parking spaces in front of the live/work units and the rest located in the gated area. He added there was no street parking along Rosecrans Avenue in front of the property. Commissioner Langley stated the project seemed to be really pushed and that the units were too big.

Mr. Gardner stated their team did a density study of the project site with meeting all the minimum development standards, and that it showed they could build 145 townhome units and that his team did not think that type of project would be livable. He went on to say the project was providing detached units and that the City Council stated before that it seemed the development of detached units in the City may be going away and that is why he and his team were a proponent of the recent Zone Code Amendment which allowed for more opportunities to provide detached units. Mr. Gardner then stated that the project met the minimum parking requirements and development standards and he hoped the Commission would take that into consideration.

Mr. Barragan asked the applicant to provide more information about the private amenities as part of the project.

Mr. Gardner stated the code allows for a residential development to provide for private or common open space and they found that their buyers would rather use larger private areas than the common open space and that is how the project was designed.

Ms. Garcia addressed some of the concerns Commission Langley had in regards to the density of the project and stated her team did calculate the development capacity as permitted by the existing code and found that 119,0137 square feet of nonresidential uses and up to 164 dwelling units would be permitted in that zone, which was more than the proposed project. In regard to the occupancy of the homes Ms. Garcia stated the industry's standard is to rely on the most recent California Department of Finance reports, which stated the average persons per household was at 2.83. Ms. Garcia then stated trip generations were not based on the number of bedrooms and that the approach was to assume the average number of daily trips per dwelling unit and based on what type of dwelling unit.

Ms. Kranitz then asked Ms. Garcia whether this project also used the Vehicle Miles Traveled (VMT) approach in determining traffic impacts.

Ms. Garcia stated yes, that as of January 1, 2020, the threshold in evaluating traffic impacts was changed from the Level of Service standard which is based on a project's trip generation that is distributed to the nearby circulation systems to Vehicle Miles Traveled as the determining factor. She went on to say that the State's Office of Planning and Research put out guidance documents for what is considered significant VMT impact and that the project did qualify for the screening criteria and that the project would result in a less than significant impact concerning transportation.

Chair Jackson stated her liking of the project and how it would be an asset to the City. Chair Jackson then asked if there were any members of the public wishing to speak on this item.

Ms. Acuna read into the record a letter from Cheral Sherman regarding the projects landscape plans and the applicant's consideration on providing more florals and plants that would bring fauna.

A member of the public spoke and asked what the purpose of building the townhomes that size was and how this development would benefit the residents of the City.

Ms. Kranitz indicated for the members of the public that the State has a Regional Housing Needs Assessment number that cities are required to provide opportunities for housing in their cities to meet those numbers and that housing has been a big push in the legislature. She went on to say that the next set of regional housing numbers, that is

currently in draft form, would require the City to accommodate 5,997 units in the next eight years. Ms. Kranitz answered the member of the public's question on how the City would benefit from this project by stating it would be getting a toxic property cleaned up and getting rid of a blighted site while also helping the City meet those regional housing numbers.

Mr. Barragan added the applicant of this project would be required to pay park fees and development impact fees that will benefit the new and existing residential in the area.

Mr. Gardner added this project would be taking a contaminated site and being able to provide a more vibrant and enhanced streetscape on Rosecrans Avenue.

Cheral Sherman, Vice President of Friends of Gardena Willows Wetland Preserve, Inc., stated she was very happy to see a lot of landscape on the project plans which had been lacking in previous developments, she added, then stated she would like to see the landscape areas include plants that would attract nature.

Mr. Gardner stated he would be happy to meet with Mrs. Sherman and discuss opportunities to integrate some of that flora as part of the project and adjust the landscape plans.

Commissioner Henderson added that the project would bring more people to the City who would then contribute to the City's revenue.

Ms. Kranitz stated the applicant was requesting to not provide an eight-foot wall along the east property line due to the wall of the existing building located on the adjacent property.

Chair Jackson asked if the property owner of the adjacent property was okay with this.

Mr. Barragan stated yes, and that they provided a letter stating this.

Commissioner Langley asked if the building of the adjacent property were to be demolished in the future who would be responsible to then construct an eight-foot block wall between these properties?

Mr. Barrgan stated that if the building to the east of the project site were to be demolished, the Zoning Code states commercial properties are required to provide an eight-foot wall when adjacent to residential zone.

Chair Jackson closed the public hearing.

MOTION: It was moved by Commissioner Langley and seconded by Commissioner Henderson to adopt Resolution No. PC 7-20 approving Site Plan Review #1-19, Variance #1-20, Tentative Parcel Map #1-19, and adopting the Mitigated Negative Declaration and Mitigation Monitoring Program, with the revised condition to not require the construction of an eight-foot-high block along the eastern property line where the project wall would be adjacent to a building wall.

The motion passed by the following roll call vote:

Ayes: Langley, Henderson, Pierce, Sherman, Jackson

Noes: None Absent: None

Agenda Item #7

COMMUNITY DEVELOPMENT DIRECTOR'S REPORT

Acting Community Development Director Raymond Barragan addressed a lot of the changes that were happening during the pandemic then added that the Community Development Department was still issuing a high volume of permits while having limited inspections for safety reasons. He then stated that all the "easy" land to develop in Gardena was gone and that there would be no project site without certain issues, whether it be levels of contamination or other constraints and that he looks forward to providing more projects to the Commission in the coming months and years.

Agenda Item #8

PLANNING AND ENVIRONMENTAL QUALITY COMMISSION REPORTS

Commissioner Henderson asked if staff could provide paper copies of the documents for larger projects and due to the size of some of the documents, if the Commission could receive them at an earlier time.

Mr. Barragan stated that staff could accommodate this request. Mr. Barragan then asked if the Commission would consider receiving iPads with the documents downloaded onto in order to save paper.

Chair Jackson, Commissioner Langley, and Commissioner Henderson stated their support for this process going forward.

Commissioner Langley thanked Mr. Barragan for his assistance in getting an inspection from the Building and Safety Division. Commissioner Langley then asked whether there were any noise regulations for industrial areas that are adjacent to residential homes, such as the project that was just approved.

Mr. Barragan stated that the Municipal Code does include a Noise Ordinance that all businesses shall abide by and that they do have different allowable level of noise for those that are near residential properties.

Commissioner Pierce wished everyone wellness during this time.

Vice-Chair Sherman stated there may have been some discrepancies on the plan numbers of the project plans.

Chair Jackson wished everyone to stay safe and healthy.

ADJOURNMENT

Chair Jackson adjourned the meeting at 8:39 P.M.

Respectfully submitted,

RAYMOND BARRAGAN, SECRETARY

Planning and Environmental Quality Commission

BRENDA JACKSON, CHAIR

Chandler Asset Management, Inc. ("Chandler") is an SEC registered investment adviser. For additional information about our firm, please see our current disclosures (Form ADV). To obtain a copy of our current disclosures, you may contact your client service representative by calling the number on the front of this statement or you may visit our website at www.chandlerasset.com.

Information contained in this monthly statement is confidential and is provided for informational purposes only and should not be construed as specific investment or legal advice. The information contained herein was obtained from sources believed to be reliable as of the date of this statement, but may become outdated or superseded at any time without notice.

Custody: Your qualified custodian bank maintains control of all assets reflected in this statement and we urge you to compare this statement to the one you receive from your qualified custodian. Chandler does not have any authority to withdraw or deposit funds from/to the custodian account.

Valuation: Prices are provided by IDC, an independent pricing source. In the event IDC does not provide a price or if the price provided is not reflective of fair market value, Chandler will obtain pricing from an alternative approved third party pricing source in accordance with our written valuation policy and procedures. Our valuation procedures are also disclosed in Item 5 of our Form ADV Part 2A.

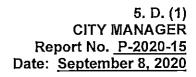

Performance: Performance results are presented gross-of-advisory fees and represent the client's Total Return. The deduction of advisory fees lowers performance results. These results include the reinvestment of dividends and other earnings. Past performance may not be indicative of future results. Therefore, clients should not assume that future performance of any specific investment or investment strategy will be profitable or equal to past performance levels. All investment strategies have the potential for profit or loss. Economic factors, market conditions or changes in investment strategies, contributions or withdrawals may materially alter the performance and results of your portfolio.

Source ice Data Indices, LLC ("ICE"), used with permission. ICE PERMITS USE OF THE ICE INDICES AND RELATED DATA ON AN "AS IS" BASIS; ICE, ITS AFFILIATES AND THEIR RESPECTIVE THIRD PARTY SUPPLIERS DISCLAIM ANY AND ALL WARRANTIES AND REPRESENTATIONS, EXPRESS AND/OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, INCLUDING THE INDICES, INDEX DATA AND ANY DATA INCLUDED IN, RELATED TO, OR DERIVED THEREFROM. NEITHER ICE DATA, ITS AFFILIATES OR THEIR RESPECTIVE THIRD PARTY PROVIDERS GUARANTEE THE QUALITY, ADEQUACY, ACCURACY, TIMELINESS OR COMPLETENESS OF THE INDICES OR THE INDICES AND INDEX DATA AND ALL COMPONENTS THEREOF ARE PROVIDED ON AN "AS IS" BASIS AND LICENSEE'S USE IS AT LICENSEE'S OWN RISK. ICE DATA, ITS AFFILIATES AND THEIR RESPECTIVE THIRD PARTY DO NOT SPONSOR, ENDORSE, OR RECOMMEND CHANDLER, OR ANY OF ITS PRODUCTS OR SERVICES.

Index returns assume reinvestment of all distributions. Historical performance results for investment indexes generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment management fee, the incurrence of which would have the effect of decreasing historical performance results. It is not possible to invest directly in an index.

Ratings: Ratings information have been provided by Moody's, S&P and Fitch through data feeds we believe to be reliable as of the date of this statement, however we cannot guarantee its accuracy.

Security level ratings for U.S. Agency issued mortgage-backed securities ("MBS") reflect the issuer rating because the securities themselves are not rated. The issuing U.S. Agency guarantees the full and timely payment of both principal and interest and carries a AA+/Aaa/AAA by S&P, Moody's and Fitch respectively.

Meeting Date:

09/08/2020

Resolution No.

6478

TO: THE HONORABLE MAYOR AND CITY COUNCIL

AGENDA TITLE: RESOLUTION NO. 6478, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF

GARDENA CALIFORNIA, REAFFIRMING PROCLAMATION AND RESOLUTION 6441

WHICH DECLARED THE EXISTENCE OF A LOCAL EMERGENCY.

COUNCIL ACTION REQUIRED:

• Adopt Resolution No. 6478

Action Taken

STAFF SUMMARY:

On March 4, 2020, Governor Newsom declared a State of Emergency in California due to the threat of Coronavirus Disease 2019 ("COVID-19"). Also, on March 4, 2020, the County of Los Angeles Public Health Department declared a local health emergency in response to COVID-19 activity.

On March 16, 2020, in response to the State and County actions and pursuant to Government Code Section 8550 et seq., including Section 8558(c), City Manager Clint Osorio proclaimed the existence of a local emergency in Gardena. On March 19, 2020, the City Council ratified the proclamation through its approval of Resolution No. 6441. On May 12, 2020 City Council adopted Resolution No. 6454, reaffirming Resolution No. 6441. On July 14, 2020 City Council adopted Resolution No.6469, reaffirming Resolution No. 6441.

Pursuant to Government Code Section 8630, the City Council is required to "review the need for continuing the local emergency at least once every 60 days until the governing body (i.e. the City Council) terminates the local emergency.

The extension of the local emergency allows the City Manager and City Council to issue rules, regulations, and orders to deal with the COVID-19 emergency. Additionally, it allows the City of Gardena to seek reimbursement from the State and Federal government for expenditures related to the COVID-19 emergency. Finally, it allows the City Manager and City Council to use the authority granted to them by the California Constitution, the Government Code and the Gardena Municipal Code to respond to the COVID-19 emergency.

Please note that the city of Gardena is subject to two separate orders by the County of Los Angeles (Safer-At-Home-Order and the State of California (Stay-At-Home Order). However, the City of Gardena does not have the authority to terminate the County's Safer at Home Order or the State's Stay-At-Home-Order.

Efforts to stop the spread of the pandemic continue at the national, state and county levels. The conditions that required the declaration of a local emergency continue to exist as of this date. Staff therefore recommends the City Council adopt a resolution reaffirming and continuing the current declaration of a local emergency.

FISCAL IMPACT:

Staff is continuing to pursue any available Federal and State reimbursement for all City costs incurred due to COVID-19.

A PROCLAMATION BY THE CITY MANAGER OF THE CITY OF GARDENA, CALIFORNIA, ACTING AS THE DIRECTOR OF EMERGENCY SERVICES, DECLARING THE EXISTENCE OF A LOCAL EMERGENCY

WHEREAS, Gardena Municipal Code Chapter 2.56.060 empowers the City Manager, as the Director of Emergency Services, to declare the existence or threatened existence of a local emergency when the City is affected or likely to be affected by a public calamity; and

WHEREAS, Government Code Section 8550 et seq., including Section 8558(c), authorize the City Manager to proclaim a local emergency when the City is threatened by conditions of disaster or extreme peril to the safety of persons and property within the City that are likely to be beyond the control of the services, personnel, equipment, and facilities of the City; and

WHEREAS, a novel coronavirus, COVID-19, causes infectious disease and was first detected in Wuhan City, Hubei Province, China in December 2019. Symptoms of COVID-19 include fever, cough, and shortness of breath; outcomes have ranged from mild to severe illness, and, in some cases, death. The Center for Disease Control and Prevention (CDC) has indicated the virus is a tremendous public health threat; and

WHEREAS, Chinese health officials have reported tens of thousands of cases of COVID-19 in China, with the virus reportedly spreading from person-to-person. COVID-19 illnesses, most of them associated with travel from Wuhan, are also being reported in 117 countries, with over 44,000 cases, including the United States; and

WHEREAS, on January 30, 2020, the World Health Organization (WHO) declared the outbreak a "public health emergency of international concern". On January 31, 2020, United States Health and Human Services Secretary Alex M. Azar II declared a Public Health Emergency for the United States to aid the nation's healthcare community in responding to COVID-19. On March 11, 2020, the WHO elevated the public health emergency to the status of a pandemic; and

WHEREAS, on March 4, 2020, California Governor Gavin Newsom declared a State of Emergency in California; and

WHEREAS, on March 4, 2020, the County of Los Angeles Public Health Department declared a local health emergency in response to COVID-19 activity and, on March 11, 2020, announced the first death in the County due to COVID-19; and

WHEREAS, in declaring a State of Emergency, the Governor indicated that, as of March 4, 2020, there were 129 confirmed cases of COVID-19 in the United States, including 53 in California, and more than 9,400 Californians across 49 counties in home monitoring based on possible travel-based exposure to the virus, with officials expecting the number of cases in California, the United States, and worldwide to increase; and

WHEREAS, the Governor and the California Department of Health on March 11, 2020 issued a statement entitled "California Public Health Experts: Mass Gatherings Should be Postponed or Canceled Statewide to Slow the Spread of COVID-19," determining that gatherings should be postponed or canceled across the state until at least the end of March. Non-essential gatherings must be limited to no more than 50 people, while smaller events can proceed only if the organizers can implement social distancing of 6 feet per person. Gatherings of individuals who are at higher risk for severe illness from COVID-19 should be limited to no more than 10 people, while also following social distancing guidelines. Furthermore, essential gatherings should only be conducted if the essential activity could not be postponed or achieved without gathering, meaning that some other means of communication could not be used to conduct the essential function; and

WHEREAS, the Governor on March 12, 2020 issued Executive Order N-25-20, ordering, inter alia, that all residents are to heed the orders and guidance of state and local public health officials; and

WHEREAS; on March 13, 2020, the President of the United States issued a proclamation declaring the COVID-19 outbreak in the United States as a national emergency, beginning March 1, 2020, and

WHEREAS, the City of Gardena has the power to impose measures to promote social distancing including but not limited to limitations on public events; and

WHEREAS, Gardena is a densely populated city within Los Angeles County, which is the largest county in the United States, with one of the highest population densities; and

WHEREAS, conditions of extreme peril to the safety of persons and property have arisen due to the potential introduction of COVID-19 to the City of Gardena and Los Angeles County; and

WHEREAS, such conditions are beyond the control of the services, personnel, equipment, and facilities of the City and require the combined forces of other political subdivisions to combat; and

WHEREAS, it is imperative to prepare for and respond to suspected or confirmed COVID-19 cases, to implement measures to mitigate the spread of COVID-19, and to prepare to respond to an increasing number of individuals requiring medical care and hospitalization; and

WHEREAS, if COVID-19 spreads in California at a rate comparable to the rate of spread in other countries, the number of persons requiring medical care may exceed locally available resources, and controlling outbreaks minimizes the risk to the public, maintains the health and safety of the community, and limits the spread of infection in the community and within the healthcare delivery system; and

WHEREAS, the mobilization of local resources, ability to coordinate interagency response, accelerate procurement of vital supplies, use mutual aid, and allow for future

reimbursement by the state and federal governments will be critical to successfully responding to COVID-19; and

WHEREAS, the City Manager, as the City's Director of Emergency Services, has the power to declare a local emergency as authorized by Government Code section 8630 and Gardena Municipal Code Chapter 2.56.060.

NOW, THEREFORE, IT IS PROCLAIMED AND ORDERED by the City Manager of the City of Gardena as follows:

- A. As contemplated in the Emergency Services Act contained in Government Code Section 8550 et seq., including Section 8558(c), and Chapter 2.56 of the Gardena Municipal Code, a local emergency exists based on the existence of conditions of disaster or of extreme peril to the safety of persons and property caused by an epidemic, as detailed in the recitals set forth above.
- B. The area of the City which is endangered/imperiled is the entire City.
- C. During the existence of this local emergency, the powers, functions, and duties of the emergency organization of this City shall be those prescribed by state law and by local ordinances and regulations, including, but not limited to, Chapter 2.56 of the Gardena Municipal Code and any other applicable resolutions of this City;
- A. The City Council shall review and ratify this proclamation within 7 days as required by state law, and if ratified, shall continue to exist until the City Council proclaims the termination of this local emergency. The City Council shall review the need for continuing the local emergency as required by state law until it terminates the local emergency, and shall terminate the local emergency at the earliest possible date that conditions warrant.
- B. That the City of Gardena orders that, within the boundaries of the City of Gardena, the Public Health Experts' recommendations shall be deemed mandatory.
- C. That a copy of this proclamation be forwarded to the Director of California Governor's Office of Emergency Services requesting that the Director find

it acceptable in accordance with State Law; that the Governor of California, pursuant to the Emergency Services Act, issue a proclamation declaring an emergency in the City of Gardena; that the Governor waive regulations that may hinder response and recovery efforts; that recovery assistance be made available under the California Disaster Assistance Act; and that the State expedite access to State and Federal resources and any other appropriate federal disaster relief programs.

PROCLAIMED this 16th day of March, 2020.

STANDARDS

APPLICANT: City of Gardena

COUNCIL ACTION REQUIRED:

Action Taken

Staff respectfully recommends that City Council approve the Consultant Agreement for Environmental Services relating to changes for hotel development standards.

RECOMMENDATION AND STAFF SUMMARY:

At the July 14, 2020 City Council meeting, the City Council authorized staff to proceed with the implementing changes to the General Plan and Zoning Code relating to hotel development in the City. At that time, staff estimated the cost to be between \$80,000 and \$100,000.

On July 15, 2020, staff sent the RFP out to three environmental firms: Kimley-Horn; De Novo Planning Group; and Recon Environmental. Recon and De Novo provided proposals. Recon's bid was for a full programmatic EIR at the cost of \$170,488. De Novo's bid was for a programmatic mitigated negative declaration for \$39,977.50. After further discussion with De Novo, it was determined that additional work should be added and the proposal was increased to \$44,837.50, with an additional \$5,000.00 for contingency. Based on the proposal, the revised ordinance would come before the Planning Commission and City Council in March and April 2021. A copy of the revised proposal is attached.

De Novo is a well-qualified firm and is currently providing environmental services to the City for the following projects: Olson proposal on 141st Street; Melia proposal on Vermont Avenue; and the rezoning of the parking lot adjacent to the Lucky Lady Casino at Rosecrans and Budlong Avenues.

CITY COUNCIL MEETING AGENDA STAFF REPORT

Agenda Item No. 5. D. (3)

Department: Community Development

Meeting Date: September 8, 2020

AGENDA TITLE:

APPROVAL OF CONSULTANT AGREEMENT WITH DE NOVO PLANNING GROUP FOR ENVIRONMENTAL CONSULTANT RELATING TO CHANGES TO HOTEL DEVELOPMENT STANDARDS

RECOMMENDATION:

Staff respectfully recommends that City Council approve the Consultant Agreement for Environmental Services relating to changes for hotel development standards.

BACKGROUND:

At the July 14, 2020 City Council meeting, the Council authorized staff to proceed with the implementing changes to the General Plan and Zoning Code relating to hotel development in the City. At that time, staff estimated the cost to be between \$80,000 and \$100,000.

On July 15, 2020, staff sent the RFP out to three environmental firms: Kimley-Horn; De Novo Planning Group; and Recon Environmental. Recon and De Novo provided proposals. Recon's bid was for a full programmatic EIR at the cost of \$170,488. De Novo's bid was for a programmatic mitigated negative declaration for \$39,977.50. After further discussion with De Novo, it was determined that additional work should be added and the proposal was increased to \$44,837.50, with an additional \$5,000.00 for contingency. Based on the proposal, the revised ordinance would come before the Planning Commission and City Council in March and April 2021. A copy of the revised proposal is attached.

De Novo is a well-qualified firm and is currently providing environmental services to the City for the following projects: Olson proposal on 141st Street; Melia proposal on Vermont Avenue; and the rezoning of the parking lot adjacent to the Lucky Lady Casino at Rosecrans and Budlong Avenues.

CITY OF GARDENA ENVIRONMENTAL CONSULTANT AGREEMENT FOR

GENERAL PLAN AMENDMENT AND ZONE TEXT AMENDMENTS RELATING TO HOTEL DEVELOPMENT STANDARDS

This Agreement is entered into by and between the City of Gardena, a municipal corporation ("City") and De Novo Planning Group, Inc. a California corporation ("Consultant"), authorized to do business in the State of California this 8th day of September, 2020. Based on the mutual promises and covenants contained herein, the Parties hereto agree as follows.

- 1. **RECITALS.** This Agreement is made and entered into with respect to the following facts:
 - A. City is in the process of revising its development standards for amenity hotels by increasing the allowable FAR in the General Plan and Zoning Code, as well as changing development standards relating to such items as setbacks, height, minimum lot size, landscaping, and parking. (the "Project").
 - B. City is desirous of obtaining services of an environmental consultant to prepare the required CEQA documentation for the Project. On July 15, 2020 the City sent out RFPs to three consulting firms and two proposals were provided.
 - C. City has determined that Consultant is qualified by virtue of experience, training, education and expertise to provide such services.
 - D. City has determined that the public interest, convenience and necessity require the execution of this Agreement.
 - E. Consultant has reviewed preliminary information relating to the Project prior to providing the Proposal attached hereto as Exhibit A which consists of the Proposal dated August 4, 2020.
 - F. The parties desire to enter into this Agreement based on the terms set forth below.
- TERM OF AGREEMENT/TERMINATION. This Agreement shall commence upon the Effective Date and shall continue until completion of the Services required herein, unless earlier terminated as provided below.
 - A. City may terminate this Agreement without cause by providing written notice to Consultant not less than three days prior to an effective termination date. City's only obligation in the event of termination will be

payment of fees and allowed expenses incurred up to and including the effective date of the termination.

- B. Unless for cause, Consultant may not terminate this Agreement.
- C. Upon receipt of a termination notice, Consultant shall: (1) promptly discontinue all services affected, unless the notice directs otherwise; and (2) within ten business days, deliver to City all data, reports, estimates, summaries, and such other information and materials as may have been accumulated or prepared to date by Consultant in performing the services under this Agreement, whether completed or in progress. Consultant shall be entitled to reasonable compensation for the services it performs up to the date of termination; however, if the Agreement is terminated by City for cause, other than lack of funding, or by Consultant without cause, City shall be entitled to deduct any costs it incurs in payment to another consultant for Services which duplicate Consultant's Services to date. In the event of termination for other than cause attributable to Consultant, Consultant shall be deemed released for liability for any work assigned but not completed as of the effective date of termination.
- 3. **SERVICES.** The services to be performed by Consultant shall consist of the preparation of CEQA documentation for the Project as set forth in the attached Proposal. Unless otherwise specified herein, Consultant shall, at its sole cost and expense, furnish all facilities, equipment and personnel which may be required for providing the Services pursuant to this Agreement. In the event of any inconsistency between the terms of the Proposal and this Agreement, this Agreement shall govern.
- 4. ADDITIONAL SERVICES. If City determines that additional services are required to be provided by Consultant in addition to the Services set forth above, City shall authorize Consultant to perform such additional services in writing ("Additional Services"). Such Additional Services shall be specifically described and approved by City in writing prior to the performance thereof. Consultant shall be compensated for such Additional Services in accordance with the amount agreed upon in writing by the Parties. No compensation shall be paid to Consultant for Additional Services which are not specifically approved by City in writing.
- 5. **COMPENSATION.** Compensation for Consultant's Services shall be \$44,837.50, as set forth in the Proposal; the proposal also includes an additional \$5,000 for contingency. Costs shall be paid as indicated in the Proposal.
- 6. **AGREMENT ADMINISTRATOR.** For purposes of this Agreement, City designates Acting Community Development Director Raymond Barragan as the Agreement Administrator who shall monitor Consultant's performance under this Agreement. All notices, invoices or other documents shall be address to the

Agreement Administrator, as well as all substantive issues relating to this Agreement. City reserves the right to change this designation upon written notice to Consultant.

7. PERSONNEL. It is the intent of both parties to this Agreement that Starla Barker shall serve as Project Manager on behalf of Consultant. Consultant shall not substitute any other person without the prior written consent of the City. In the event that City, in its sole discretion, at any time during the term of this Agreement, desires the removal of any person or persons assigned by Consultant to perform Services pursuant to this Agreement, Consultant shall remove any such person immediately upon receiving notice from City.

8. PERFORMANCE BY CONSULTANT.

- A. Consultant shall maintain or exceed the level of competency presently maintained by other similar practitioners in the State of California, for professional and technical soundness, accuracy and adequacy of all work, advice and material furnished under this Agreement.
- B. City may require Consultant to re-perform any Services which were not performed in accordance with this standard at Consultant's sole expense.
- 9. TIMING OF PERFORMANCE. Time is of the essence with respect to Consultant's performance of the Services required by this Agreement. Consultant shall diligently and timely pursue and complete the performance of the Services required of it by this Agreement. Notwithstanding any other provisions of this Agreement, the Consultant shall not have liability for or be deemed in breach because of delays caused by any factor outside of its reasonable control, including but not limited to natural disasters, adverse weather, or acts of or failure to act by the Client, third parties, or governmental agencies. City, in its sole discretion, may extend the time for performance of any Service.

10. BILLINGS AND PAYMENTS.

- A. Consultant shall submit written invoices for the amount due and shall include the amount of the contract remaining. The invoice must include an itemization as to the services rendered, date(s) of service, direct and/or subcontract costs. The invoices shall be submitted on an official letterhead or invoice with Consultant's name, address, and telephone number referenced. Invoices shall be submitted at least every 60 days.
- B. The Agreement Administrator shall review the invoices to determine whether services performed and documents submitted are consistent with this Agreement. Payment shall be made within forty-five (45) days following receipt of the invoice or the Agreement Administrator shall

- provide Consultant with a written statement objecting to the charges and stating the reasons therefor.
- C. Payment by City under this Agreement shall not be deemed a waiver of defects, even if such defects were known to City at the time of payment.

11. INSURANCE REQUIREMENTS.

- A. Commencement of Work. Consultant shall not commence work under this Agreement until it has obtained City approved insurance. Before beginning work hereunder, during the entire period of this Agreement, for any extensions hereto, and for periods after the end of this Agreement as may be indicated below, Consultant must have and maintain in place all of the insurance coverages required in this Section. Consultant's insurance shall comply with all items specified by this Agreement. Any subcontractors shall be subject to all of the requirements of this Section and Consultant shall be responsible to obtain evidence of insurance from each subcontractor and provide it to City before the subcontractor commences work. Alternatively, Consultant's insurance may cover all subcontractors.
- B. <u>Insurance Company Requirements</u>. All insurance policies used to satisfy the requirements imposed hereunder shall be issued by insurers admitted to do business in the State of California. Insurers shall have a current Best's rating of not less than A-:VII, unless otherwise approved by City.
- C. <u>Coverages, Limits and Policy Requirements</u>. Consultant shall maintain the types of coverages and limits indicated below:
 - 1. <u>Commercial General Liability Insurance</u> a policy for occurrence coverage for bodily injury, personal injury and property damage, including all coverages provided by and to the extent afforded by Insurance Services Office Form CG 2010 ed. 10/93 or 11/85, with no special limitations affecting City. The limit for all coverages under this policy shall be no less than one million dollars (\$1,000,000.00) per occurrence.
 - 2. <u>Commercial Auto Liability Insurance</u> 'a policy including all coverages provided by and to the extent afforded by Insurance Services Office form CA 0001, ed. 12/93, including Symbol 1 (any auto) with no special limitations affecting City. The limit for bodily injury and property damage liability shall be no less than one million dollars (\$1,000,000.00) per accident.
 - 3. <u>Policy Requirements</u>. The policies set forth above shall comply with the following, as evidenced by the policies or endorsements to the policies:

- a. The City, its appointed and elected officers, employees, agents and volunteers shall be added as additional insured to the policy.
- b. The insurer shall agree to provide City with thirty (30) days prior written notice, return receipt requested, of any cancellation, non-renewal or material change in coverage.
- c. For any claims with respect to the Services covered by this Agreement, Consultant's insurance coverage shall be primary insurance as respects the City, its elected and appointed officers, employees, agents and volunteers. Any insurance or self-insurance maintained by the City, its elected and appointed officers, employees, agents and volunteers shall be excess of Consultant's insurance and shall not contribute with it.
- 4. Worker's Compensation and Employer's Liability Insurance a policy which meets all statutory benefit requirements of the Labor Code, or other applicable law, of the State of California. The minimum coverage limits for said insurance shall be no less than one million dollars per claim. The policy shall be issued by an insurance company which is admitted to do business in the State of California and shall contain a clause that the policy may not be canceled without thirty (30) days prior written notice, return receipt requested, is mailed to City.
- 5. <u>Professional Errors & Omissions</u> a policy with minimum limits of one million dollars (\$1,000,000.00) per claim and aggregate. This policy shall be issued by an insurance company which is admitted to do business in the State of California and shall contain a clause that the policy may not be canceled until thirty (30) days written notice, return receipt requested, is mailed to City.
- D. Additional Requirements. The procuring of such required policies of insurance shall not be construed to limit Consultant's liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement. There shall be no recourse against City for payment of premiums or other amounts with respect thereto. City shall notify Consultant in writing of changes in the insurance requirements. If Consultant does not deposit copies of acceptable insurance policies or endorsements with City incorporating such changes within sixty (60) days of receipt of such notice, Consultant shall be deemed in default hereunder.
- E. <u>Deductibles</u>. Any deductible or self-insured retentions over \$25,000 per occurrence must be declared to and approved by City. Any deductible exceeding an amount acceptable to City shall be subject to the following changes: either the insurer shall eliminate or reduce such deductibles or self-insured retentions with respect to City, its officers, employees, agents

and volunteers (with additional premium, if any, to be paid by Consultant); or Consultant shall provide satisfactory financial guarantee for payment of losses and related investigations, claim administration and defense expenses.

- F. Verification of Compliance. Consultant shall furnish City with original policies or certificates and endorsements effecting coverage required by this Agreement. The endorsements are to be signed by a person authorized by the insurer to bind coverage on its behalf. All endorsements are to be received and approved by City before work commences. Not less than fifteen (15) days prior to the expiration date of any policy of insurance required by this Agreement, Consultant shall deliver to City a binder or certificate of insurance with respect to each renewal policy, bearing a notation evidencing payment of the premium therefor, or accompanied by other proof of payment satisfactory to City. Consultant shall provide full copies of any requested policies to City within three (3) days of any such request by City.
- G. <u>Termination for Lack of Required Coverage</u>. If Consultant, for any reason, fails to have in place, at all times during the term of this Agreement, including any extension hereto, all required insurance and coverage, City may immediately obtain such coverage at Consultant's expense and/or terminate this Agreement.
- 12. **INDEMNIFICATION.** Consultant shall defend, indemnify and hold harmless City, its officers, agents, employees from any and all claims, liabilities, expenses, or consequential damages of any nature, including attorney's fees to the extent resulting from any negligent act or any omission to act where a duty to act exists on the part of Consultant, its agents, officers, employees, subcontractors, or independent contractors hired by Consultant, in the performance of its obligations pursuant to this Agreement. This indemnity shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant. This indemnity shall not apply if the claim arises out of the sole negligence or wilful misconduct of City, its officers, agents, employees or volunteers. Consultant assumes all risk of injury to Consultant's employees, agents, and contractors, including loss or damage to property in the performance of its obligations pursuant to this Agreement.
- 13. **NON-LIABILITY OF CITY.** No official, employee, agent or volunteer of City shall be personally liable for any default or liability under this Agreement.
- 14. **OWNERSHIP OF WORK PRODUCT.** All documents or other information created, developed, or received by Consultant shall, for purposes of copyright law, be deemed works made for hire for City by Consultant as City employee(s) for hire and shall be the sole property of City. Consultant shall provide City with

copies of these items upon demand, and in any event, upon termination or expiration of this Agreement.

15. USE OF MATERIALS.

- A. City shall make available to Consultant such materials from its files as may be required by Consultant to perform Services under this Agreement. Such materials shall remain the property of City while in Consultant's possession. Upon termination of this Agreement and payment of outstanding invoices of Consultant, or completion of work under this Agreement, Consultant shall return to City any property of City in its possession and any calculations, notes, reports, electronic files, or other materials prepared by Consultant in the course of performance of this Agreement.
- B. City may utilize any material prepared or work performed by Consultant pursuant to this Agreement, including computer software, in any manner, which City deems proper without additional compensation to Consultant. Consultant shall have no responsibility or liability for any revisions, changes, or corrections made by City, or any use or reuse pursuant to this paragraph unless Consultant accepts such responsibility in writing.
- 16. NONUSE OF INTELLECTUAL PROPERTY OF THIRD PARTIES. Consultant shall not use, disclose or copy any intellectual property of any third parties in connection with work carried out under this Agreement, except for intellectual property for which Consultant has a license. Consultant shall indemnify and hold City harmless against all claims raised against City based upon allegations that Consultant has wrongfully used intellectual property of others in performing work for City, or that City has wrongfully used intellectual property through the use of work product developed by Consultant pursuant to this Agreement.
- 17. WAIVER OR BREACH. No delay or failure by either Party to exercise or enforce at any time any right or provision of this Agreement shall be considered a waiver thereof or of such Party's right thereafter to exercise or enforce each and every right and provision of this agreement. No single waiver shall constitute a continuing or subsequent waiver of the same provision.
- 18. INDEPENDENT CONTRACTOR. Consultant is and shall at all times remain as to City a wholly independent contractor and neither Consultant nor any of its employees shall be considered to be an employee or agent of the City. Neither City nor its officers, employees or agents shall have control over the conduct of Consultant or any of its officers, employees or agents, except as expressly set

forth herein. Consultant shall not at any time or in any manner represent that it or any of its officers, employees or agents are in any manner officers, employees or agents of City.

19. CONFLICT OF INTEREST AND REPORTING.

- A. Consultant shall at all times avoid conflicts of interest or the appearance of a conflict of interest in the performance of this Agreement. If required, Consultant shall comply with the City's Conflict of Interest reporting requirements.
- B. Consultant understands that pursuant to Gardena Municipal Code sections 2.24.020H and 2.24.025G, it is forbidden to make any contribution to a candidate or committee of a candidate for a municipal office of the City, or to an officeholder, until the completion of services to be performed under this Agreement.
- C. Consultant and its representatives shall refrain from lobbying City officials, employees and representatives for the duration of this Agreement.
- 20. **EMPLOYMENT OF ALIENS.** Consultant warrants it fully complies with all laws regarding employment of aliens and others, and that all of its employees performing services hereunder meet the citizenship or alien status requirements contained in federal and state statutes and regulations.
- 21. **NON-DISCRIMINATION**. Consultant covenants there shall be no discrimination based upon race, color, creed, religion, sex, marital status, age, handicap, national origin, or ancestry, or any other category forbidden by state or federal law in performance of this Agreement.
- 22. **ASSIGNMENT.** This Agreement covers professional services of a specific and unique nature. Consultant shall not assign or subcontract any of its obligations pursuant to this Agreement, nor any part thereof, except for any monies due the Consultant, without the prior written consent of City, except as specified in the Proposal. Consultant shall be fully responsible to City for all work performed by assignees or subcontractors.
- 23. CHANGE IN NAME, OWNERSHIP OR CONTROL. Consultant shall notify the Agreement Administrator in writing of any change in name, ownership or control of Consultant's firm. Change of ownership or control of Consultant's firm may be considered an Assignment and require City's approval as specified above.

24. **NOTICES.** Any notice or communication required to be given under this Agreement shall be effective when deposited, postage prepaid, with the United State Postal Service and addressed to the contracting parties. The name, address, telephone numbers of the parties are as follows:

- 26. **PUBLIC RECORD.** This Agreement is a public record of the City.

27. MAINTENANCE OF RECORDS/AUDIT.

I

٠,

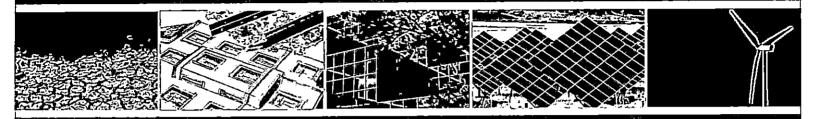

- A. Consultant shall maintain for a minimum of three (3) years from the completion date of the Services under this Agreement, the following records:
 - 1. All accounts and records, including personnel, property and financial, adequate to identify and account for all costs pertaining to this Agreement and assume proper accounting for all funds;
 - 2. Records which establish that Consultant and all subcontractors who render Services under this Agreement are in full compliance with the requirements of this Agreement and all federal, state and local laws and regulations;
 - 3. Any additional records deemed necessary by City to assume verification of full compliance with this Agreement.
- B. City shall have the right to audit consultant's invoices and all supporting documentation for purposes of compliance with this Agreement for a period of three years following the completion of Services under this Agreement.
- C. Upon reasonable notice from City or any other governmental agency, Consultant shall cooperate fully with any audit of its billings conducted by, or of, City and shall permit access to its books, records and accounts as may be necessary to conduct such audits.
- 28. **BINDING EFFECT.** This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties hereto.
- 29. **GOVERNING LAW.** This Agreement shall be interpreted and construed according to the laws of the State of California. Any action commenced about this Agreement shall be filed in the appropriate branch of the Los Angeles County Municipal or Superior Court.
- 30. AUTHORITY TO EXECUTE. The persons executing this Agreement on behalf of the parties warrant that they are duly authorized to execute this Agreement.
- 31. **ATTORNEY'S FEES.** In the event that legal action is necessary to enforce the provisions of this Agreement, or to declare the rights of the parties hereunder,

- the parties agree that the prevailing party in the legal action shall be entitled to recover attorney's fees and court costs from the opposing party.
- 32. PREPARATION OF AGREEMENT. Should interpretation of this Agreement, or any portion thereof, be necessary, it is deemed that this Agreement was prepared by the parties jointly and equally and shall not be interpreted against either party on the ground that one party prepared the Agreement or caused it to be prepared.
- 33. **SEVERABILITY.** If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, in whole or in part, such provision shall be modified to the minimum extent necessary to make it legal, valid and enforceable. The remaining provisions of this Agreement shall continue in full force and effect and shall not be affected by any such determination.
- 34. **JURISDICTION AND VENUE**. This Agreement shall be deemed a contract under the laws of the State of California and for all purposes shall be interpreted in accordance with such laws. Both parties hereby agree and consent to the exclusive jurisdiction of the courts of the State of California and that the venue of any action brought hereunder shall be Los Angeles County, California.
- 35. **EFFECTIVE DATE.** This Agreement shall be effective as of the date fully executed by both parties, but Consultant shall not commence work until City enters into a Reimbursement Agreement with Developer and receives a written notice to proceed from City. Such notice may be by way of email.
- 36. **ENTIRE AGREEMENT.** This Agreement contains the entire understanding between City and Consultant. Any prior agreement, promises, negotiations or representations not expressly set forth herein, whether written or oral, are of no force or effect. Subsequent modifications to this Agreement shall be effective only if in writing and signed by both parties. Notwithstanding the foregoing, and to realize the purpose of this Agreement, the Agreement Administrator may issue a written modification to the Scope of Work, if this modification will not require a change to any other term of this Agreement.

IN WITNESS WHEREOF, City and Consultant have executed this Agreement as of the date first hereinabove set forth.

SUBJECT: Proposal to Provide Environmental Consulting Services for the City of Gardena Concerning Changing

Development Standards for Hotels

Dear Ms. Kranitz:

De Novo Planning Group, Inc. is pleased to submit this Proposal for the above referenced project. We have assembled a team to serve the City by providing a complementary range of expertise and experience necessary to complete the tasks outlined in the RFP.

The team is organized with a Principal, Steve McMurtry, who has extensive experience managing CEQA projects throughout California over the past 19 years. Mr. McMurtry is a seasoned professional and serves as an expert witness for a variety of law firms for land use and environmental cases. The project will be managed by Starla Barker, AICP, a seasoned Principal Planner with extensive environmental planning experience, having managed and prepared environmental compliance documents for over 18 years. The combined experience and commitment of this management team will ensure that this project will be successfully delivered on-time and on-budget.

Kittelson Associates will join our team as subconsultants to prepare the transportation analysis. Our team members have worked together on similar projects and are currently working on environmental compliance documentation for the City of Gardena, including preparing the Initial Study/Mitigated Negative Declaration for the proposed General Plan Amendment and Zone Change and potential hotel development for the property located at the northwest corner of Rosecrans Avenue and Budlong Avenue identified in the RFP. We are confident that this experience will prove to be extremely valuable in providing environmental consulting services for this project.

The project team does not have any conflicts of interest. This proposal shall remain valid for a period of not less then 90 calendar days from the date of submittal.

Speaking for the entire De Novo Team, we truly appreciate being considered for this project. We trust that the enclosed information is adequate for your evaluation, but should you need anything else, please do not hesitate to contact Starla Barker at 949-396-8193 | sbarker@denovoplanning.com.

Sincerely,

DE NOVO PLANNING GROUP

PROJECT UNDERSTANDING AND APPROACH

The City of Gardena is seeking environmental consulting services to examine the environmental impacts of proposed changes to the City's General Plan and Municipal Code Title 18 provisions relating to hotels. The City proposes to increase the floor area ratio (FAR) from 0.5 to 2.0 and reduce the minimum lot size from 1.0 acre to 0.5 acre for amenity hotels that meet specific standards, including minimum lobby and room size. Additional modifications to the standards for amenity hotels would include reducing minimum landscape requirements, increasing height limit, and reducing parking standards. Although the exact location of hotel development is not currently known, amenity hotels would be allowed by right within the following zones: General Commercial (C-3), Heavy Commercial (C-4), Industrial (M-1) and General Industrial (M-2) and limited to arterials and major collector streets, while a CUP would still be required for all other types of hotels and motels. The City anticipates up to four amenity hotels with up to 450 hotel rooms could occur within one or more of the previously identified zones within the City. One of the potential locations is likely to be a property located at the northwest corner of Rosecrans Budlong Avenues, which is currently being considered for a General Plan Amendment and Zone Change.

As the specific locations and development characteristics for future hotel uses are not currently known, our team proposes to prepare a programmatic Initial Study and Mitigated Negative Declaration (IS/MND) as the appropriate CEQA document for this project. We anticipate preparation of the following technical reports/analysis to support the CEQA analysis:

- Air Quality
- Energy
- Greenhouse Gas Emissions
- Transportation Study

QUALIFICATIONS AND EXPERIENCE

DE NOVO PLANNING GROUP

De Novo Planning Group is a land use planning, urban design, and environmental firm specializing in community planning, transportation planning, environmental studies, and sustainability planning. De Novo incorporated in California in 2008 and has offices in northern and southern California. Our team has successfully completed hundreds of projects consisting of environmental impact reports, negative declarations, initial studies, NEPA analyses, climate action plans, biological assessments, wetland delineations, general plans, specific plans, housing elements, and development projects throughout California. De Novo Planning Group is accomplished in multiple disciplines, with services focusing on planning, urban design, environment, and sustainability. Our areas of expertise include environmental documentation and compliance, with technical abilities in agricultural resources, air quality, biology, climate change, land use, and water resources.

Our team will be led by Steve McMurtry, whom is a Principal with the firm and Starla Barker, AICP, serving as Project Manager. Ms. Barker will serve as the primary lead and contact for the City. Mr. McMurtry will provide oversight and serve as a secondary point of contact. Our team includes technical support consisting of associates with expertise in air quality, greenhouse gases/energy, public services, and utilities. We have also included Kittelson & Associates to prepare the transportation assessment.

BENEFITS OF THE DE NOVO TEAM

De Novo understands that the environmental document preparation process will require extensive coordination and communication with the City staff. Our team is committed to continuous and comprehensive coordination throughout the CEQA process. De Novo has proposed a project management team with exceptional CEQA knowledge and planning experience.

- Principal-level Attention to Detail Every project and every client receive close
 attention by the Company's Principals. Before a deliverable is finalized, as part of the
 QA/QC process, at least one De Novo Principal will review each deliverable before it is
 finalized for delivery to the client.
- Experience with Similar Projects De Novo has a deep knowledge of CEQA and has specific experience preparing environmental documents for policy and zoning programs, as well as for commercial projects, including hotel developments. Our team has become intimately familiar with the City of Gardena through our involvement in preparing environmental compliance documents for several projects, including the proposed General Plan Amendment and Zone Change and potential hotel development for the property located at the northwest corner of Rosecrans and Budlong Avenues.
- Client Oriented The De Novo team prides itself on client satisfaction. We pride
 ourselves on our ability to work with clients to balance the often-conflicting goals of
 economic, social, environmental, legal, and political forces. We will do everything
 possible to ensure that the City's expectations are met or exceeded.

 Personnel Workload/Capacity – The personnel from De Novo and our subconsultant team each have capacity to fulfill the work under the schedule outlined in this proposal.
 We evaluate each project relative to our workloads to ensure that we have the appropriate capacity to deliver the project according to the schedule.

STEVE MCMURTRY - PROJECT PRINCIPAL/PRINCIPAL PLANNER

Steve has successfully led multidisciplinary teams to complete hundreds of CEQA projects throughout California over the past 19 years. Steve's experience includes service in engineering and planning firms, as well as in the construction industry. His environmental experience encompasses field research, public outreach, mitigation development, document writing, and permitting. During his tenure in the construction industry working for a Fortune 500 company he was responsible for planning, design, and construction of projects valued over \$300 million, which included the construction of roadways, utilities, pump stations, parks, and trails. Steve has extensive experience serving as the Project Manager for residential projects from the CEQA Planner position, as well as from the developer/applicant position. Steve graduated from Cal Poly San Luis Obispo with a bachelor's degree in Natural Resource Management with graduate studies in Biological Sciences at San Jose State University. Steve holds a California Broker's license, and maintains memberships in APA, AEP, and ULI.

STARLA BARKER - PROJECT MANAGER/PRINCIPAL PLANNER

Starla is primarily responsible for the management and preparation of environmental documents (Initial Studies, Negative Declaration, Environmental Impact Reports, and Environmental Assessments), as well as other planning documents including General Plans, Specific Plans, and Hazard Mitigation Plans. With over 18 years of professional planning experience Starla has successfully managed a wide range of projects with particular emphasis in General Plans, transit-oriented development, urban infill, downtown, and redevelopment projects. Utilizing her experience in community planning, Starla is regularly involved in land use and policy planning, including the development and implementation of community outreach programs, and frequently manages and prepares environmental clearance documents for citywide policy planning and redevelopment projects. Through her extensive experience in both policy and environmental planning, Starla is keenly aware of the interaction between the two and consistently takes a proactive and comprehensive approach to understanding planning and environmental issues and developing solutions.

ELISE CARROLL - SENIOR PLANNER

Elise specializes in environmental impact reports and urban planning for both the public and private sectors. As an experienced environmental impact assessment practitioner (CEQA and NEPA), Elise analyzes and summarizes the environmental impacts of existing and proposed developments. On behalf of De Novo Planning Group, she regularly provides informative research summaries and mitigation recommendations to public and private agencies. Elise holds a bachelor's of science degree from University of California, Davis in Environmental Policy Analysis and Planning (with an emphasis in Urban & Regional Planning).

JOSH SMITH - SENIOR PLANNER

Josh is responsible for the preparation of CEQA/NEPA documents, climate change planning for local governments, and the development of sustainability plans and reports. His experience includes the development of Climate Action Plans, Energy Action Plans, the assessment of air quality and noise impacts, noise monitoring, and traffic count surveys. He has substantial experience developing greenhouse gas (GHG) inventories and context-specific GHG mitigation measures, as well as developing custom air pollutant emissions calculators for complex projects. Josh graduated from UC Davis in 2010 with a Bachelor's of Science in Environmental Policy Analysis & Planning.

SUBCONSULTANT TEAM

KITTELSON ASSOCIATES, INC.

Kittelson & Associates, Inc. has provided comprehensive transportation engineering, planning, and research services to government and private organizations since 1985. With a staff of over 220 people working in 24 offices nationwide (including four offices in California, plus offices in Alaska, Arizona, Florida, Idaho, Maryland, Massachusetts, North Carolina, Pennsylvania, Ohio, Oregon, Virginia, and Washington, D.C.), Kittelson is able to address clients' needs with local experience and national expertise. Their Southern California regional office was established in 2014 in the City of Orange and serves clients throughout Los Angeles and Orange Counties.

Kittelson's staff brings a demonstrated understanding of transportation and circulation requirements, travel demand modeling, and regional knowledge developed through more than 30 years of project experience in California including on recent general plans and specific plans in both Northern and Southern California. The firm provides support for all stages of planning and environmental analysis, from site analysis through approval and construction. Kittelson's staff is particularly knowledgeable about California Environmental Quality Act (CEQA) and National Environmental Policy Act (NEPA) compliance, and the recent changes to the CEQA-required transportation analyses. Their staff approaches each project by building an understanding of client and project needs and jurisdiction requirements, tailoring work to assist clients in successfully fulfilling environmental requirements in an efficient and cost-effective manner.

TIMOTHY ERNEY, ACIP, PTP, CTP - SENIOR PRINCIPAL PLANNER

Mr. Erney is a certified transportation planner with 22 years of extensive experience with planning and engineering projects throughout California. His primary focus has been on managing analyses and documentation for environmental review projects, access and circulation studies, sustainable transportation practices, TDM measures, parking evaluations, pedestrian and bicycle reviews, and data collection programs. In addition, he has done detailed technical analyses of local and regional roadway facilities, including traffic forecasting, modal split analyses, traffic diversion, and operational analyses. He has experience coordinating with local and regional transportation and environmental agencies in Southern California and has been leading the firm's efforts on the evaluation of emerging technologies, alternative evaluation metrics, and the impacts of new mobility services on land use and circulation networks.

Tim Erney is a certified transportation planner with extensive experience on planning and engineering projects in California. His primary focus has been on managing analyses and documentation for environmental review projects, access and circulation studies, sustainable transportation practices, TDM measures, parking evaluations, pedestrian and bicycle reviews, and data collection programs. In addition, he has done detailed technical analyses of local and regional roadway facilities, including traffic forecasting, modal split analyses, traffic diversion, and operational analyses. He has experience coordinating with local and regional transportation and environmental agencies in Southern California and has been leading the firm's efforts on the evaluation of emerging technologies, alternative evaluation metrics, and the impacts of new mobility services on land use and circulation networks.

PROJECT EXPERIENCE

Active Transportation Planning. Tim has served as project principal for active transportation planning projects throughout Southern California. He has provided direction of the planning, design and evaluation of active transportation corridors, active transportation plans, data collection programs, and forecasting. Through these efforts, Tim has promoted the need for a balanced approach for all user groups and to ensure safe, convenient and cost-effective mobility options that support the adjacent land uses and urban form.

Travel Demand Management. Tim has been responsible for developing implementable and defensible travel demand management (TDM) programs. Primarily, these include the evaluation of the best TDM elements to achieve the goals of the project, supported by data and research developed on a national basis. In addition to the adoption of standard TDM measures, such as active transportation facilities and parking management, Tim routinely works with developers to adjust land use programs to better internalize trips and to right-size parking to facilitate shared parking opportunities.

Environmental Impact Reports. Tim has led the preparation of stand-alone transportation impact studies and transportation/circulation sections of EIRs and EISs to support CEQA and NEPA processes. These projects have included full range of project types, from individual development projects, to updated citywide plans, to significant infrastructure projects. Tim has managed the technical analysis for all modes of travel, including qualitative and quantitative assessments of traffic, transit, pedestrian, bicyclist, loading, construction, and emergency vehicle conditions. In addition, these projects have also included the development of specialized trip generation rates and use of regional travel demand models to project future traffic volumes.

Alternative Performance Metrics. Tim has been working to identify and develop alternative metrics to Level of Service (LOS) in the evaluation of land use and transportation projects; this includes the identification on how cities and counties need to modify their current programs and policies to account for these changes. As part of these efforts, Tim has been in consultation with the state's Office of Planning and Research (OPR) and participated in several conferences and panel discussions on the effects of vehicle-miles traveled calculations and metrics may affect city programs and transportation analysis guidelines.

REPRESENTATIVE PROJECTS

Below is a brief summary of CEQA projects (with references) that have been completed by De Novo team members. Some of these sample projects are larger policy documents that included revisions to development intensities and standards and associated environmental analysis. Links to the Manteca Family Entertainment Zone EIR and Hilton Home2Suites MND have also been provided below.

Manteca Family Entertainment Zone EIR, City of Manteca

The De Novo team prepared an EIR for the Manteca Family Entertainment Zone (FEZ) Project. The City developed a plan for a comprehensive multipurpose public use zone called the Manteca Family Entertainment Zone (FEZ). The plan intends to encompass multiple projects and parcels that provide an extensive recreation complex featuring new and existing recreation, park, water, sports and other leisure amenities. The Project site is intended to be open and accessible to the general public, and to serve the state, region, and the Manteca community as a multipurpose recreation center and public park facility. The FEZ will feature a wide range of active and passive open space and developed uses that will support short term and longer-term activities and community events for users ranging from local citizens, day and weekend regional visitors, as well as destination tourists.

The Master Plan will create an overlay zone to the existing zoning of Public/Quasi-Public (PQP). The Master Plan provides a comprehensive land use planning tool with design standards and guidelines that provides the framework for development of the approximately 210.7-acre Project site. The intent of the Master Plan is to ensure a quality-built environment that integrates a mix of land uses under a single uniform set of design and development standards. The FEZ Master Plan intends to build upon the success of the Big League Dreams facility by providing additional sports and field recreation, hotel and tourism, entertainment, retail, commercial and restaurant uses along the highly visible State Route 120 corridor. Although the FEZ may develop in multiple phases as individual land use/planning areas, the Master Plan will help the separate phases come together and operate as a cohesive and integrated entertainment/recreational facility. The Master Plan Project site is divided into 16 Planning Areas ("PAs") with five land use categories to group similar land uses: Retail and Restaurant, Entertainment, Hotel Resort, Recreation and Sport (fields), and Parking. Table ES-1 provides a summary of the planning areas.

Hilton Home2Suites Mixed Use Hotel Project IS/MND, City of Tracy

The De Novo team completed an IS/MND for the development of a four-story, 94-room hotel and associated parking, circulation improvements, and amenities on the 2.56-acre project site. The project includes approximately 107 parking spaces and a pool with a patio. The proposed

65

Home2Suites by Hilton hotel building would be approximately 60 feet tall at the top of the two proposed logo towers, and 44 feet tall for the remainder of the building. The project includes a variety of planning entitlements, including a lot line adjustment, general plan amendment, and rezone. The western portion of the site would include the development of building pads to accommodate future commercial and office development.

AC Hotel IS/MND, City of Burbank

While at her previous firm, Starla Barker managed preparation of an IS/MND for the AC Hotel (550 North Third Street) Project. The project involved the construction of a hotel development with 196 rooms, hotel amenities including, but not limited to, restaurant, reception, lobby, and meeting rooms, back of house areas, and housekeeping facilities, and three stories of subterranean parking with 196 parking spaces. The project proposed several common space areas for use by visitors and hotel guests, including an outdoor plaza and deck areas with a variety of seating areas and landscaping. The project approvals consisted of a Development Review Permit and Conditional Use Permit to allow for a hotel development adjacent to residential uses and for the right to sell alcohol for on-site consumption. Key environmental issues included traffic, noise, air quality, and aesthetics.

Lake Forest General Plan Update and EIR

In June 2020, the City of Lake Forest adopted its first comprehensive update to its General Plan. Three years after the City incorporated in 1991, Lake Forest adopted its first General Plan to help guide the City's physical development. Since then, the City has undergone a number of significant changes including the annexations of Portola Hills and Foothill Ranch, the closure of the El Toro Marine Corps Base, and the launch of the Opportunities Study Area. De Novo served as the Prime Consultant and managed a robust community engagement program including one-one-one interviews, community open houses, visioning workshops, General Plan Advisory Committee meetings, online surveys and feedback tools, and social media campaign. In reflection of the input received from the community and stakeholders, the City's new General Plan identifies five focus areas for future mixed-use growth and development, all located along the City's major transportation corridors.

The General Plan and EIR were prepared by De Novo, in collaboration with a team of technical subconsultants. A key component of the work program was establishing a range of contemporary technical studies with updated data on which to base future decisions. Three Visioning Workshops were hosted for the community throughout the summer of 2018 to understand community priorities and values related to a long-term vision statement, land use and community character, and mobility. In particular, the City is looking at how new technologies will impact best planning practices over the life of the General Plan and how to develop a plan, policies, and programs which will respond to new technologies as they emerge.

Affordable Housing Overlay Addendum to the General Plan EIR, City of Oakley

In addition to preparing the City's Housing Element Update, De Novo Planning Group prepared an Addendum to the General Plan EIR to address the City of Oakley's Affordable Housing Overlay (AHO). The Addendum addressed the potential impacts associated with increasing residential densities on nine sites throughout the City. The Addendum addressed the potential for the AHO Project to result in new or increased environmental impacts associated with all topics in the CEQA Environmental Checklist. De Novo is currently in the process of preparing the City's Focused General Plan Update

South Garfield Village Specific Plan IS/MND, City of Monterey Park

While at her previous firm, Starla Barker managed preparation of an IS/MND for the South Garfield Village Specific Plan. The Specific Plan serves as a planning and regulatory link between the City of Monterey Park General Plan and individual, project level development within the proposed project area. The South Garfield Village Specific Plan provided area-specific land use districts unique to the project area, along with permitted uses and development standards, such as building heights, setbacks, and floor area ratios for each commercial district. The project would allow a maximum of approximately 330,000 square feet of neighborhood shopping and commercial services uses within the project area. The estimated development potential is based upon the permitted uses and maximum intensities that would be allowed by the proposed project. When compared to existing conditions, the proposed project would allow for a potential net increase of approximately 110,000 square feet of neighborhood shopping and commercial services uses within the project area. Key environmental issues analyzed included traffic due to the area's proximity to existing residential areas and State Route 60, aesthetics, cultural resources, air quality, and noise.

SCOPE OF WORK AND APPROACH

TASK 1 - KICKOFF MEETING

Within one week of project commencement, the De Novo team will hold a virtual kickoff meeting with City Staff to discuss Project schedule and deliverables; Project Characteristics and Analysis; and Collection of relevant background documents and information. The methodology and approach to the analysis for each of the topical areas will be discussed.

TASK 2 - PROJECT DESCRIPTION

The Project Description is a critical element of the environmental document and establishes the foundation for the technical analysis. The Project Description will detail the Project location and environmental setting, Project characteristics, and discretionary actions, based on available information. Exhibits will identify the regional and local site vicinity. As the project proposes modifications to the hotel development standards and the site-specific location of potential hotel development is not currently known, the analysis would be programmatic and based on direction from the City on the characteristics of hotel development anticipated to occur within the City. De Novo will submit the Project Description to the City for review and approval. We assume no modifications to the Project Description will occur after approval by the City.

TASK 3 - TECHNICAL STUDIES

De Novo will prepare the following technical studies/analysis: Air Quality, Greenhouse Gas Emissions, Energy Impact Analysis, and Transportation Assessment.

Air Quality/Greenhouse Gas Assessment and Energy Impact Analysis: De Novo Planning Group will prepare an Air Quality and Greenhouse Gas Assessment in accordance with the SCAQMD's SCAQMD Air Quality Significance Thresholds and consistent with the requirements of Appendix G of the State CEQA Guidelines. The results of the analysis will be incorporated into the Initial Study, and will be the basis for the conclusions in the Air Quality, Greenhouse Gas Emissions, and Energy sections of the Initial Study.

The Air Quality/Green House Gas Assessment and Energy Impact Analysis will include the following:

- Regional air quality and local air quality will be described. Meteorological conditions in the area that could affect air pollutant dispersal or transport will be described. Applicable air quality regulatory framework, standards, and significance thresholds will be discussed.
- Short-term (i.e., construction), long-term (operational), and cumulative air quality and greenhouse gas emissions will be quantitatively assessed utilizing the ARB-approved CalEEMod computer model. We will model criteria pollutants and greenhouse gas emissions from mobile and area sources. The emissions outputs will be compared against the thresholds of significance established by the AQMD and address the potential to expose sensitive receptors to substantial pollutant concentrations. The project's potential to conflict or obstruct implementation of the AQMP will also be addressed.

- Electricity and Natural Gas: We will quantify electricity and natural gas used by the proposed project. We anticipated that this energy source would be used primarily to generate energy for on-site buildings, lighting, and water pumping, treatment, and conveyance. Such "Energy" emissions would be provided directly by the CalEEMod outputs for the air quality and greenhouse gas emissions modeling.
- On-road Vehicles (Operation): Future hotel development would generate vehicle trips
 during the operational phase. VMT data would be derived from information provided by
 CalEEMod and/or from VMT as provided from the Transportation Assessment. In order to
 calculate operational on-road vehicle energy usage and emissions, we will use fleet mix data
 from the CalEEMod (v2016.3.2) output for the proposed project, and buildout year gasoline
 and diesel miles per gallon (MPG) factors for individual vehicle classes from the CARB's
 EMFAC2017 model.
- On-road Vehicles (Construction): On-road vehicle trips would be generated during future
 construction activities (from construction workers and vendors travelling to and from the
 project site). We will estimate the vehicle fuel consumed during these trips based the
 assumed construction schedule, vehicle trip lengths and number of workers per
 construction phase as provided by the CalEEMod output, and buildout year gasoline and
 diesel MPG factors provided the EMFAC2017 output.
- Off-road Vehicles (Construction): Off-road construction vehicles would use diesel fuel during
 construction. The off-road construction vehicles assumed for the air quality and greenhouse
 gas emissions modeling will also be assumed for the energy impact analysis. Based on the
 total amount of CO₂ emissions expected to be generated by the proposed project (as
 provided by the CalEEMod output), and standard conversion factors (as provided by the U.S.
 Energy Information Administration), we will derive estimated total diesel fuel of off-road
 construction vehicles.
- The proposed project could also use other sources of energy not identified here. We will
 estimate the impact of these sources of energy based on information as provided by the
 project applicant and using standard (national and or state-level) conversion factors.
- Mitigation measures will be identified to reduce impacts associated with air quality, greenhouse gas emissions, and energy usage, as appropriate.

The analysis will include the methodology, thresholds of significance, a consistency analysis, cumulative impact analysis, and a discussion of feasible mitigation measures that should be implemented to reduce impacts on air quality.

Transportation Assessment: Our team includes Kittelson, whom is a qualified transportation engineering firm. The study will be a standalone report that will be included as an appendix to the Initial Study. The results of the study will be incorporated into the Initial Study, and will be the basis for the conclusions in the transportation section of the Initial Study.

This scope of work consists of the tasks outlined below, based on the guidance outlined in the City's SB 743 Implementation Transportation Analysis Updates (June 2020). This scope is based on review of the City's VMT screening criteria and impact thresholds for hotel projects; given that specific projects and locations are not being analyzed, the scope has been developed to analyze various scenarios based on project location and provide the City with flexibility.

- Conduct VMT screening analysis:
 - o Kittelson will conduct a screening analysis to identify locations in the City where projects could be screened out of a detailed VMT analysis, either due to being in a low VMT area or in a high quality transit area. It is assumed that locations along a majority of the City's arterials and major collectors would qualify projects to screen out of a detailed VMT analysis since the majority of the City lies within high quality transit areas (according to Figure 2 of the City's guidelines).
 - O Hotel projects under the new FAR allowance can likely screen out of a VMT analysis using the City's transit screening criteria, since the FAR would exceed 0.75. In addition, it is our understanding that supplying parking in excess of minimum requirements would be prohibited, and that projects would be consistent with the SCAG RTP/SCS.
- Determine potential impacts for non-screened areas:
 - o Kittelson will determine the locations in the City where a hotel project would not be screened out through the transit screening or low-VMT area screening criteria, and will determine the VMT impacts of locating hotel projects in those areas.
- Develop potential mitigation measures:
 - o Kittelson will develop mitigation measures that could be implemented if a project would exceed the significance threshold for VMT impacts.
 - Given that the level of VMT impacts would vary depending on a hotel's location within the City, Kittelson will prepare a menu of mitigation measures corresponding to the level of VMT impact.

Note, this scope of work does not include local transportation analyses such as trip generation/assignment and level of service, which would be conducted for individual projects as they are proposed and developed.

The methodologies and findings of these elements will be documented and summarized in a draft technical memorandum, to be reviewed by the City. Kittelson will conduct one call with the City to review the draft memorandum's results. Kittelson will address one round of non-conflicting comments from the City and will then prepare a final technical memorandum.

TASK 4 - INITIAL STUDY

The De Novo team will prepare an Initial Study (IS) to address potential impacts associated with the proposed project. The Initial Study would be prepared consistent with the requirements of CEQA and Appendix G of the CEQA Guidelines. This will specifically include: Project background,

Description of project, Project setting, Affected Agencies, Environmental factors potentially affected, Environmental determination, Project and vicinity maps, Evaluation of environmental impacts (environmental checklist). The analysis will utilize the technical reports/analysis outlined in Task 3 above.

TASK 5 - MITIGATION MONITORING AND REPORTING PROGRAM (MMRP)

This task will also include the preparation of a Mitigation Monitoring and Reporting Program (MMRP) pursuant to Section 21081.6 of the Public Resources Code. The MMRP will consolidate information contained in the environmental analysis, including the specific mitigation measure, the party responsible for implementation, the party responsible for monitoring, the time frame for implementation, and a section for confirmation of implementation.

TASK 6 - ADMINISTRATIVE DRAFT

We will prepare an Administrative Draft version of the Initial Study along with the Mitigation Monitoring and Reporting Program. We anticipate that the results of the Initial Study will lead to a Mitigated Negative Declaration. We anticipate that we would provide an electronic copy of these documents in Word format for City staff review. We will submit all revised copies in redline/tracked changes for ease of review. We will be available for a conference call to discuss the document if requested.

TASK 7 - PREPARATION, DISTRIBUTION, AND FILING OF NOTICES

Comments received from City staff regarding the Administrative Draft IS/MND and MMRP will be incorporated into the Public Draft IS/MND for public circulation. De Novo will generate a "Screencheck" Draft IS/MND if necessary, for a final staff review before we produce the document for public review. After the document is finalized, we will publish the document and distribute it with the proper notices (Notice of Completion) to the County Clerk, as well as the City's local distribution list for a 20-day review period. We anticipate that the City staff will post the notices with the newspaper of regional circulation (Notice of Intent to Adopt an MND). We also anticipate that the City staff will post the document on the City's website. This scope of work assumes the document will not be sent to the State Clearinghouse for review.

Deliverables: Twenty (20) copies of the NOI mailed to individuals on the City's distribution list, three (3) copies of the Public Draft IS/MND for the City, one NOI filed with the County Clerk, and one electronic copy sent via email to City staff in PDF and MS Word format.

Task 8 - Completion of a No Effect Determination Request Form to be filed with the CDFW

De Novo Planning Group will prepare and file a No Effect Determination form to the appropriate CDFW office. This task should be performed as early as possible to ensure that the CDFW provides a response in time for filing the NOD upon project approval.

TASK 9 - RESPONSES TO COMMENTS

We will prepare written responses to comments received on the Public Draft IS/MND for the City's review. We anticipate 10 or fewer comment letters, two to three pages in length. Excessively long comment letters, or those that are complicated and require a significant effort

and/or additional analysis to respond to are considered outside the scope of work and cost estimate.

TASK 10 -ATTENDANCE AT PLANNING COMMISSION/CITY COUNCIL MEETINGS

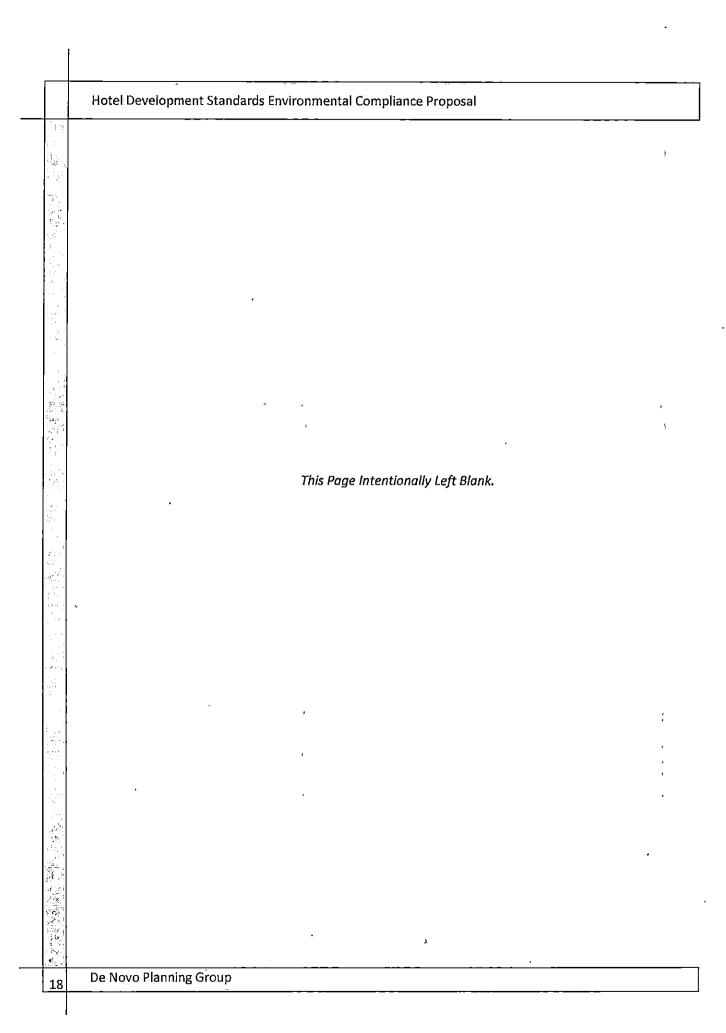

We will attend up to three public hearings with the Planning Commission and City Council. As part of this task, we will review the City-drafted Resolution of for the General Plan Amendment and Ordinance for Municipal Code Title 18 amendments and provide any comments, as appropriate. Additional public hearings will be charged at a fixed rate of \$850/meeting.

TASK 11 -NOTICE OF DETERMINATION

Upon approval of the MND by the City Council, De Novo will prepare a Notice of Determination for filing with the County Clerk. We have included the \$75 County Clerk filing fee in this scope. It is noted that we anticipate a determination by the CDFW that the project would have no effect and that would allow for the NOD to be filed without the CDFW filing fee. As such, we have not budgeted for the CDFW filing fee. Deliverables: One (1) electronic copy of the NOD, filed NOD with the County Clerk.

TASK 12 - ADDITIONAL MEETINGS AND PROJECT COORDINATION

We anticipate close coordination and conference calls with City staff throughout the duration of the project, including monthly update meetings (virtual) in accordance with the RFP. This task also includes the time necessary for management and administration of the project, including invoicing and schedule updates.

SCHEDULE

The following preliminary schedule assumes authorization to proceed with the environmental work program by the week of September 14, based upon the statement in the RFP regarding the City's intent to enter into a Consultant Agreement with the selected firm within 20 days of the closing date for proposals. A revised schedule will be provided within one week of Notice to Proceed. We have provided a realistic schedule based upon the required technical analysis and our experience with environmental compliance projects. However, we understand there may be timing considerations that need to be addressed; therefore, we anticipate further discussion with City staff to better understand any schedule needs.

STATEMENTS AND ASSUMPTIONS

- De Novo Planning Group (including its employees, agents, and subconsultants) do not have any direct or indirect interest that conflicts with the performance of this Agreement. We are not currently, nor have we in the past, worked for the Project Applicant.
- The De Novo team has the necessary experience, knowledge, abilities, skills and resources to satisfactorily finance and complete this project.
- This proposal shall remain valid for a period of not less than 90 calendar days from the date of submittal.
- This proposal is based on the following assumptions. We propose to prepare the environmental documents based on the body of statutes, guidelines, and case law that are in affect at the time the contract is executed. Any significant revision to the project after the agency approves the project description is considered outside of the scope of this proposal. Any additional work that is requested by the agency that is outside of the scope of this proposal may require a contract amendment. Additional meetings not identified in this proposal are outside of the scope, but can be accommodated on a time and materials basis. We anticipate timely cooperation with lead agency staff and other responsible agency staff. At this time, the extent of public and agency comments that will result from the review process is unknown. We have provided an hour/budget allocation to prepare responses to comments. Should the level of comments and responses exceed our budgeted estimate, De Novo will discuss contract amendment with the City. The scope of work does not assume supplemental technical studies or extensive additional analysis will be required to provide responses to comments. If the environmental document receives a legal challenge, De Novo will provide assistance to the legal defense on a time and materials basis.

De Novo is committed to practices that demonstrate sustainability and stewardship. Our company provides a working environment that enables our team members to make contributions to improving the environment in which we live.

Agenda Item No. 5. D. (4)

Department: Recreation and

Human Services

Meeting Date: 09/08/2020

TO: THE HONORABLE MAYOR AND CITY COUNCIL

AGENDA TITLE: AUTHORIZATION TO PURCHASE A 2020 TOYOTA HIGHLANDER HYBRID

LE IN THE AMOUNT NOT TO EXCEED \$42,543.81

COUNCIL ACTION REQUIRED:

Action Taken

Authorization to purchase a 2020 Toyota Highlander Hybrid LE

RECOMMENDATION:

Staff respectfully recommends that the City Council authorize the purchase of one (1) new 2020 Toyota Highlander Hybrid LE from South Bay Toyota for a purchase price, including taxes, registration, and fees, of \$42,543.81.

The City received quotes from four (4) Toyota Dealerships: Marina Del Rey Toyota (\$46, 364.01), AutoNation Toyota Cerritos (\$44,878.07), Toyota of Downtown LA (\$44,603.13). South Bay Toyota was the lowest suggested retail price.

The vehicle will be used by the Department of Recreation and Human Services for the Senior Meal Delivery program in addition to the general transportation of staff and recreation equipment. Due to the many requirements of the Air Quality Management District (AQMD), it is imperative that a new PHEV vehicle is purchased. The vehicle will allow the City to continue efforts in reducing our carbon footprint and gradually replace the older vehicles on the Department fleet that do not have the same clean energy capabilities. Sustainable practices promote not only healthy environments, but also healthy communities.

FINANCIAL IMPACT/COST:

Adequate funding for the vehicle is included in the Fiscal Year 2020-21 in the AQMD Funds and/or Vehicle Replacement Fund, Account Number 063-021-020-0600, not to exceed the amount of \$42,543.81 There will be no financial impact on the City's General Fund.

Hello Ben,

. . . .

Our department is now looking into a second car: Toyota Highlander Hybrid AWD LE Plus- 2019 in white.

Could you please tell me if you have this car available?

- 1. What would be the total price with taxes included if we were to pay the whole price up front?
- 2. How long until the vehicle would be ready for purchase?

Thank you,

Effective July 2019, public transportation systems that are recipients or subrecipients of FTA grant funds are required to develop a Public Transportation Agency Safety Plan (PTASP). The purpose of the PTASP is to improve public transportation safety by guiding transit agencies to manage safety risks more effectively and proactively in their systems. The PTASP requires public transportation operators to develop and implement safety plans that establish processes and procedures that support the Safety Management System (SMS) comprehensive and collaborative approach to managing safety through improved control of risk, earlier detection and correction of safety problems, sharing and analyzing safety data more effectively, and more precise measurement of safety performance. As part of PTASP requirements, transit agencies must set safety performance targets in their safety plans based on safety performance measures that include fatalities, injuries, safety events, and system reliability.

The PTASP is required to be updated annually, and FTA will assess compliance with the PTASP through its triennial oversight review program. FTA requires that the PTASP be approved by the public transportation system governing body no later than December 20, 2020.

It is recommended that Council approve the attached FY 2021 Public Transportation Agency Safety Plan.

FINANCIAL IMPACT/COST:

The PTASP serves as a guide for the identification and management of safety risks and does not commit GTrans to specific expenditures. Recommended safety management activities and safety enhancements will be identified each budget year within available allocations of transit revenues and included as part of the annual budget process. There is no impact to the General Fund.

CITY COUNCIL MEETING AGENDA STAFF REPORT

Agenda Item No. 5.D. (6)

Department: Transportation

Meeting Date: September 8, 2020

AGENDA TITLE:

Approve City of Gardena GTrans FY2021 Public Transportation Agency Safety Plan (PTASP)

RECOMMENDATION:

Approve Public Transportation Agency Safety Plan

BACKGROUND:

Effective July 2019, public transportation systems that are recipients or subrecipients of FTA grant funds are required to develop a Public Transportation Agency Safety Plan (PTASP). The purpose of the PTASP is to improve public transportation safety by guiding transit agencies to manage safety risks more effectively and proactively in their systems. The PTASP requires public transportation operators to develop and implement safety plans that establish processes and procedures that support the Safety Management System (SMS) comprehensive and collaborative approach to managing safety through improved control of risk, earlier detection and correction of safety problems, sharing and analyzing safety data more effectively, and more precise measurement of safety performance. As part of PTASP requirements, transit agencies must set safety performance targets in their safety plans based on safety performance measures that include fatalities, injuries, safety events, and system reliability.

The PTASP is designed to establish more accountability in developing and maintaining a safety culture in transit operations by identifying an Accountable Executive that has the ultimate responsibility for ensuring a safe environment for GTrans employees and passengers, and has access to the human and capital resources needed to implement and maintain the PTASP. The PTASP also details the roles of key staff within GTrans and City departments in the development of a safety culture. These roles include instituting methods to identify potential hazards and monitor safety risk mitigation activities, and providing periodic reporting on safety performance and the identification and correction of physical hazards to increase safety awareness.

The PTASP also establishes safety performance targets that will be reviewed and updated annually. The specific performance targets are based on the safety performance measures established under the National Public Transportation Safety Plan. These performance targets include annual goals for reportable fatalities, injuries, safety events and system reliability.

To effectively implement the PTASP, a major component of the plan is clear and open communication of safety concerns and safety performance information throughout the organization. The plan identifies various method to be used by GTrans to communicate with employees including:

- GTrans' website
- Employee Safety Meetings and Safety Training
- Safety Bulletin Boards
- Posters
- Pre-Shift Tailgate Meetings
- Bulletins and Information Flyers Posted in Buses

The PTASP is required to be updated and approved by the City Council annually, and FTA will assess compliance with the PTASP through its triennial oversight review program. FTA requires that the initial PTASP be approved by the public transportation system governing body no later than December 20, 2020.

IN CONCLUSION, GTrans recommends that the City Council approve the FY2021 Public Transportation Agency Safety Plan (PTASP) as outlined in the Staff Report.

Plan Development, Approval, and Updates

Development

The City of Gardena's GTrans (GTrans) chose to develop its PTASP rather than adopt a PTASP developed by the California Department of Transportation. By signature below, the Accountable Executive confirms the development this plan.

Accountable Executive	Date Signed

Approval

The City of Gardena City Council approved this plan as so indicated in the City Council minutes contained in Appendix E.

Certification

The California Department of Transportation, Division of Rail and Mass Transportation (DRMT), in its 2019 State Management Plan for Federal Transit Programs encourages all direct recipients of 5307 funds to develop and certify their own PTASP. The California DRMT also states in its 2019 State Management Plan for Federal Transit Programs, "After July 20, 2020, each agency that is required to develop a PTASP will have to certify with the FTA in their Annual Certifications and Assurances that they have met requirements of the Rule. The PTASP's and the process employed to develop/deploy them will be audited by the FTA during each agency's Triennial Performance Review."

Based on the direction provided by the DRMT, the Agency's City Council will certify its PTASP, and rely on the FTA to certify the PTASP during the GTrans' Annual Certifications and Assurances that requirements of the Rule have been met. GTrans understands that the PTASP and the process employed to develop/deploy it will be audited by the FTA during our Triennial Performance Review.

GTrans' Plan was certified by the City Council, on September 8, 2020, as is attested to by the meeting minutes of the September 8, 2020 City Council meeting which can be viewed in Appendix E.

Record of Revisions

A table that records the history of revisions made to the GTrans' PTASP is contained in Appendix H of this document. The history of the changes was placed in the appendix to help preserve the page numbering to the extent possible.

Origination: September 2020

Annual Review and Update of the Public Transportation Agency Safety Plan (PTASP)

GTrans' PTASP will be reviewed by the PTASP Committee:

- Annually, each year in March.
- And when GTrans:
 - o Determines its approach to mitigating safety deficiencies is ineffective;
 - Makes significant changes to service delivery;
 - o Introduces new processes or procedures that may impact safety;
 - Changes or re-prioritizes resources available to support Safety Management Systems;
 and/or
 - o Significantly changes its organizational structure.

Revisions will be submitted to the City Council at its June meeting for approval. Amendments to the PTASP will be published to the employees and the public at large in accordance with GTrans' standard communication process (as indicated on Page 13 - Safety Communication).

GTrans' PTASP Committee will consist of the Accountable Executive, Chief Safety Officer, Transit Operations Manager, Transit Operations Officer, Transit Admin Analyst, Human Resources Admin Analyst, Facilities Supervisor, Transit Systems Analyst, and Senior Accountant.

Origination: September 2020 3

Safety Performance Targets

GTrans will develop safety performance targets that will be reviewed and updated annually. The specific performance targets are based on the safety performance measures established under the *National Public Transportation Safety Plan* and any additional performance goals GTrans sets.

Safety Performance Targets

GTrans has set the following Safety Performance Targets (SPTs) to meet those specified by the National Public Transportation Safety Plan. The performance goals for reportable¹ fatalities, injuries and safety events are measured against total Vehicle Revenue Miles (VRM) per mode of transit service. Per the National Public Transportation Safety Plan, "Measuring the number of fatalities over vehicle revenue miles, by mode, provides a fatality rate from which to assess future performance."

The System Reliability performance measure is a measure of the mean (the average) distance between major mechanical failures by mode.

Mode of Transit Service	Fatalities (Total)	Fatalities (Per 100K VRM)	Injuries (Total)	Injuries (Per 100K VRM)	Safety Events (Total)	Safety Events (Per 100K VRM)	System Reliability (VRM/Failures)	Annual VRM (Total)
Fixed Route	0	0.0	10	.59	1	0.06	6,000	1,700,000
Dial-A-Ride	0	0.0	0	0.0	0	0.0	64,000	64,000

Safety Performance Target Coordination

The California DRMT, in its 2019 State Management Plan for Federal Transit Programs encourages all direct recipients of 5307 funds to develop and certify their own PTASP. The California DRMT also states in its 2019 State Management Plan for Federal Transit Programs, "After July 20, 2020, each agency that is required to develop a PTASP will have to certify with the FTA in their Annual Certifications and Assurances that they have met requirements of the Rule. The PTASP's and the process employed to develop/deploy them will be audited by the FTA during each agencies Triennial Performance Review."

¹ The thresholds for "reportable" fatalities, injuries, and safety events are defined in the NTD Safety and Security Reporting Manual.

Targets Transmitted to the State

Transit providers must make their SPTs available to their State and Metropolitan Planning Organizations (MPOs) (§ 673.15(a)). Transit providers also must coordinate with States and MPOs in the selection of State and MPO safety performance targets, to the maximum extent practicable (§ 673.15(b)). During this coordination process, to ensure consistency across the transportation modes represented in the state/regional planning process, States and MPOs may request that transit agencies use specific time periods for "total number" SPTs and specific VRM values for "rate" SPTs. The Chief Safety Officer will be responsible for coordinating GTrans' Safety Performance Targets with the State and appropriate MPO. For the State of California, the contact for the SSO is listed in the table below.

Safety Management Policy

Safety Management Policy Statement

City of Gardena GTrans will maintain an active Safety Management System (SMS) that encourages the open sharing of information on all safety issues. We expect our employees to report their safety concerns to agency management. No employee will be asked to compromise safety to "get the job done."

We will develop and embed a safety culture in all our activities that recognizes the importance and value of effective safety management and acknowledges at all times that safety is paramount. Our overall safety objective is to proactively manage safety hazards and their associated safety risk, with the intent to eliminate unacceptable safety risk in our transit operations.

To that end, we will continuously examine our operations for hazards. We will establish a non-punitive employee safety reporting program, train staff on safety management, document our findings and safety risk mitigations, and strive for continuous improvement of our safety performance.

As required by the Federal Transit Administration, we have established annual safety performance targets to help us measure the safety of our transit service. In addition, to address our overall safety objective, we will conduct hazard identification workshops with all frontline, supervisory, and management personnel during this calendar year. We will also work to increase the annual number of voluntary reports received from employees and actively track our safety risk mitigations. To ensure we meet this objective, our safety department will report out each quarter to our entire agency on the number of:

- Hazard identification workshops carried out in the quarter;
- Number and type of hazard reports received per employee in the quarter versus the same quarter last year; and
- Number and type of safety risk mitigations implementation in the quarter.

Ultimate responsibility for safety at City of Gardena GTrans rests with the Accountable Executive.

Responsibility for making our operations safer for everyone lies with each one of us – from executive management to frontline employees. Each manager is responsible for implementing the SMS in their area of responsibility and will be held accountable to ensure all reasonable steps are taken to perform activities established as part of the SMS.

Safety Management Policy Communication

The Safety Management Policy is posted on the GTrans' website, building lobby, employee break rooms, and rider guide (will direct riders to the policy statement on our website). The Safety Management Policy was first shared with employees on September 15, 2020. Additionally, GTrans introduced the new/revised Safety Management Policy to the public in the following manner: it was taken to the City Council and then posted on the GTrans' website.

Authorities, Accountabilities, and Responsibilities

Accountable Executive

Our Accountable Executive reviewed the draft policy once it had been developed by our agency. Comments on and recommended changes were taken into account when the final document was developed. The Accountable Executive then submitted the policy to the Gardena City Council for approval. Once their approval was given, the Accountable Executive signed the policy. Additional responsibilities include, but are not limited to:

- Decision-making about resources (e.g. people and funds) to support asset management, SMS activities, and capital investments;
- Signing SMS implementation planning documents; and
- Endorsing SMS implementation team membership.

Chief Safety Officer

Our Chief Safety Officer was the lead in developing the Safety Management Policy. Our Chief Safety Officer worked with the Accountable Executive, Transit Operations Manager, Transit Operations Officer, Transit Admin Analyst, Human Resources Admin Analyst, Facilities Supervisor, Transit Systems Analyst, Senior Accountant, and CalTIP Risk Manager to develop the plan. Our Chief Safety Officer was the team's liaison with the Accountable Executive. The Chief Safety Officer's duties include, but are not limited to:

- Developing and maintaining SMS documentation;
- Directing hazard identification and safety risk assessment;
- Monitoring safety risk mitigation activities;
- Providing periodic reports on safety performance;
- Briefing the Accountable Executive and City Council on SMS implementation progress;
- Planning safety management training;
- Managing the GTrans' Employer Pull Notice (EPN) program;
- Managing the GTrans' security program;
- Managing the NTD reporting;
- Managing the GTrans' required compliance programs, such as the SSPP program

Agency Leadership and Executive Management

Maintenance Manager

Responsible for: the providing vehicle maintenance data including frequency and cost of materials and labor for inhouse repairs; participate on the PTASP Committee; ensuring the identifications of hazards within their areas of responsible; ensuring corrective measures are implemented; and ensuring employees receive safety information and training.

Operations Manager

Responsible for: providing accident data and investigation results; ensuring driver evaluation are conducted and the results reviewed: implementation of safety campaigns; ensuring identification and correction of bus stop hazards; ensuring employees receive safety and training information; and participation in the PTASP Committee.

Transit Operations Officer

Responsible for: monitoring and ensuring compliance with all operational and maintenance requirements; developing policies and procedures to ensure safe operations; developing service routes and the timing associated with those routes; participating in the City's Emergency Operations planning committee; and participation in the PTASP Committee.

Facilities Supervisor

Responsible for: ensuring compliance with regulations and the safety of the fueling station; ensuring identification and correction of bus stop hazards; managing hazardous waste storage and disposal; ensuring compliance with environmental regulations; ensuring compliance with building and fire code requirements; ensuring the identifications of hazards within their areas of responsible and ensuring corrective measures are implemented; ensuring section employees receive safety information and training; and participation on the PTASP Committee.

Transit Systems Analyst

Responsible for: providing data and security information collection and/or analytical programs; ensuring the Agency's ability to record and download safety and security videos; and participation on the PTASP Committee as needed.

Transit Administrative Officer

Responsible for: providing insurance costs, and experience modification; public dissemination of PTASP required information.

Human Resources Manager

Responsible for: providing employee turnover number; employee injury and illness experience; managing the drug and alcohol program compliance; ensuring compliance with the Agency's employee selection; and participation on the PTASP Committee as needed.

Union Leadership

Responsible for: providing information and input regarding safety issues of which they become aware

Origination: September 2020

9

Key Staff

Trainers

Responsible for: the providing driving training to employees and new drivers; pass/fail rates for new drivers, providing accident data and investigation results; ensuring driver evaluation are conducted and the results reviewed: implementation of safety campaigns; ensuring identification and correction of bus system hazards; ensuring employees receive safety training annual an ask needed.

Employee Safety Reporting Program

Employees are encouraged to provide ideas, concerns or suggestions for improved safety in the workplace, in regard to their transit vehicles, and along their service routes. These safety concerns can be raised with supervisors, Management, or members of the Safety Committee. Reports and concerns about workplace safety issues may be made anonymously using the Hazard Report Form found in Appendix G. Methods of self-reporting include:

- Hazard Report Form
- Employee suggestion boxes;
- Verbal or written report to a Safety Committee member;
- · Safety Committee meetings;
- Bus operator, Maintenance and supervisory team meetings;
- Reports issued to Dispatch over the radio system.

All reports can be made without fear of reprisal. All suggestions will receive prompt follow-up by the Safety Committee or Management. Safety Committee meeting minutes will be posted on employee bulletin boards, and actions to be taken as a result of Safety Committee review will also be presented at bus operator Quarterly Safety meetings, Maintenance Tailgate meetings and GTrans All-Hands staff meetings to increase employee safety awareness about the causes and prevention of accidents, and the identification and correction of physical hazards.

Safety Risk Management

Safety Risk Management Process

- Safety Hazard Identification: The methods or processes to identify hazards and consequences of the hazards include but are not limited to:
 - Results of the TAM Asset Condition Assessments
 - Facilities Inspections
 - Bus Stop Inspections
 - Pre-Trip Vehicle Inspections Reports (DVIR)
 - Routine Maintenance Vehicle Inspections
 - Employee Observations and Near Miss Reports
 - Federal Transit Authority Notices and Announcements
 - Industry Publications
 - Driver Evaluations
 - Customer Complaints
 - Trends in the Cost of In-house Repairs
 - Third Party Administrators for Workers' Compensation and for Liability Claims
 - Cal-OSHA Lost and Restricted Days Reported on the Cal-OSHA 300

Inspections are conducted and are an important source of information about hazards. Results from these inspections also help us identify areas where mitigations designed and adopted to manage safety risk are not being carried out as required. Inspections include personnel, vehicles, facilities, and data that identify potential safety concerns or issues. Inspections focus on:

- Rules compliance checks, which may identify:
 - o Non-compliance with safety rules;
 - o Challenges in complying with safety rules; and
 - o Emerging practices
- Operations personnel fitness-for-duty checks, which may identify:
 - o Impairment;
 - o Fatigue;
 - o Absence of corrective lenses;
 - o Apparent injuries; and
 - o Uniform or equipment issues
- Radio or digital communication checks, which may identify radio failures, dead spots, and areas of high interference
- CDL and driver citations checks (EPN), which may identify driver non-compliance with driving regulations and requirements
- Pre-trip inspections, which may identify instances of a bus beginning revenue service after failing a pre-trip inspection

- Vehicle inspection, which may identify a series of defects in components and parts with the potential to impact the safety performance of the vehicle
- Facilities inspections, which may identify conditions with the potential to impact safety
- Safety Risk Assessment: As safety concerns, hazards and losses become known via GTrans' hazard identification and claims information systems, as previously noted, we will track them using the FTA Hazard Assessment Tool. The risk matrix used by GTrans is illustrated in Appendix F. The Chief Safety Officer will enter the initial information on the hazard identification worksheet, and then the PTASP Committee will work together to identify current mitigation measures, assign a risk rating using the FTA Hazard Assessment Tool, and then investigate to identify any feasible actions that could further mitigate the risk of loss. The new mitigation measures will be recorded in the FTA Hazard Assessment Tool, the appropriate management personnel will be assigned to implement the corrective and mitigation measures, and the PTASP committee will continue to monitor the effectiveness of the mitigation and corrective measures using the assurance measures described in this policy.
- Safety Risk Mitigation: GTrans will use the adapted hierarchy of controls found in Appendix C
 to evaluate and implement the appropriate feasible controls, and will use a bow tie risk analysis
 method, illustrated in Appendix D to determine where the control should be place to either
 prevent or mitigate the loss.

Safety Assurance

Safety Performance Monitoring and Measurement

GTrans will monitor a variety of activities to ensure hazards have been corrected and the mitigations were effective. GTrans will use leading indicators activity performance, such as: the number of inspections required versus those completed, training rates, driver evaluation trend reports, and other safety reporting programs within its reporting programs.

GTrans will use a variety of lagging indicators to determine the completion, effectiveness and appropriateness of mitigation action, including, but not limited to: worker and liability loss trends, customer complaint trends, and establishing a formal system that requires an assessment of the effectiveness of corrective actions previously implemented; these will vary based on how the hazard corrected was identified and/or how the solution was determined.

GTrans will follow its Injury and Illness Prevention Plan (IIPP) protocols for the investigations of losses.

GTrans will monitor: its IIPP anonymous employee reports; its transit near-miss reporting; its Transit Asset Management Program findings; employee injury statistics; and customer complaints to determine the effectiveness of its safety plan.

Management of Change

GTrans has fewer than 100 vehicles during peak service periods; therefore, we are exempted from this requirement.

Continuous Improvement

GTrans has fewer than 100 vehicles during peak service periods; therefore, they we are exempted from this requirement.

Safety Promotion

Competencies and Training

GTrans requires employees and contractors, including the Chief Safety Officer, to complete training to be able to fulfill their safety-related roles and responsibilities. Initial training will be completed at hire/assignment, and refresher training will be provided when behaviors indicate a need, and/or there are changes to the PTASP, operations, procedures, organizational structure, and when new hazards are identified and mitigation measures are developed.

Safety Communication

GTrans will communicate safety and safety performance information throughout the organization and community using the following methods of communication:

- GTrans' website
- Safety Meetings
- Safety Training
- Safety Bulletin Boards these are available in public access areas and employee breakrooms

- Safety and/or Company Newsletters
- Posters
- Pre-Shift Tailgate Meetings
- Bulletins and Information Flyers Posted in the Buses
- Monthly Staff Reports to the City Manager
- Quarterly, Semiannual, or Annual Reports to the City Council.

Appendix A – Glossary of Terms

Term	Definition
Accident	Accident means an Event that involves any of the following: a loss of life; a report of a serious injury to a person; a collision of public transportation vehicles; a runaway train; an evacuation for life safety reasons; or any derailment of a rail transit vehicle, at any location, at any time, whatever the cause. (per § 673.5)
Accountable Executive	§ 673.5 Definitions – Accountable Executive means a single, identifiable person who has ultimate responsibility for carrying out the Public Transportation Agency Safety Plan of a public transportation agency; responsibility for carrying out the agency's Transit Asset Management Plan; and control or direction over the human and capital resources needed to develop and maintain both the agency's Public Transportation Agency Safety Plan, in accordance with 49 U.S.C. § 5329(d), and the agency's Transit Asset Management Plan in accordance with 49 U.S.C. § 5326.
	§ 673.23(d)(1) – The transit agency must identify an Accountable Executive. The Accountable Executive is accountable for ensuring that the agency's SMS is effectively implemented throughout the agency's public transportation system. The Accountable Executive is accountable for ensuring action is taken, as necessary, to address substandard performance in the agency's SMS. The Accountable Executive may delegate specific responsibilities, but the ultimate accountability for the transit agency's safety performance cannot be delegated and always rests with the Accountable Executive.
Chief Safety Officer	§ 673.31 Definitions — Chief Safety Officer means an adequately trained individual who has responsibility for safety and reports directly to a transit agency's chief executive officer, general manager, president, or equivalent officer. A Chief Safety Officer may not serve in other operational or maintenance capacities, unless the Chief Safety Officer is employed by a transit agency that is a small public transportation provider as defined in this part, or a public transportation provider that does not operate a rail fixed guideway public transportation system. Safety Management System (SMS) Executive means a Chief Safety Officer or an equivalent.
	§ 673.23(d)(2) — The Accountable Executive must designate a Chief Safety Officer or SMS Executive who has the authority and responsibility for day-to-day implementation and operation of an agency's SMS. The Chief Safety Officer or SMS Executive must hold a direct line of reporting to the Accountable Executive. A transit agency may allow the Accountable Executive to also serve as the Chief Safety Officer or SMS Executive.

Term	Definition
Consequence	Consequences are outcomes or what those conditions can cause. Transit agencies should assess the likelihood and severity of the <i>consequences</i> of a hazard, not of the hazard itself (per § 673.5)
Event	Event means any Accident, Incident, or Occurrence. (per § 673.5)
Fatalities	Deaths, excluding suicides or trespassers
Hazard	Hazard means any real or potential condition that can cause injury, illness, or death; damage to or loss of the facilities, equipment, rolling stock, or infrastructure of a public transportation system; or damage to the environment. Hazards are conditions. (per § 673.5)
Incident	Incident means an Event that involves any of the following: A personal injury that is not a serious injury; one or more injuries requiring medical transport; or damage to facilities, equipment, rolling stock, or infrastructure that disrupts the operations of a transit agency. (per § 673.5)
Injuries	Not including assaults or injuries due to crimes
Occurrence	Occurrence means an Event without any personal injury in which any damage to facilities, equipment, rolling stock, or infrastructure does not disrupt the operations of a transit agency. (per § 673.5)
Performance Target	Performance target means a quantifiable level of performance or condition, expressed as a value for the measure, to be achieved within a time period required by the Federal Transit Administration (FTA). (per § 673.5)
Safety Event	Reportable derailments, collisions, fires, and evacuations.
Safety Performance Target	Safety performance target means a Performance Target related to safety management activities. (per § 673.5)
Serious Injury	Serious injury means any injury which: (1) Requires hospitalization for more than 48 hours, commencing within 7 days from the date the injury was received; (2) Results in a fracture of any bone (except simple fractures of fingers, toes, or noses); (3) Causes severe hemorrhages, nerve, muscle, or tendon damage; (4) Involves any internal organ; or (5) Involves second- or third-degree burns, or any burns affecting more than 5 percent of the body surface. (per § 673.5)

Appendix B - NTD Safety & Security Quick Reference Guide

2020 NTD Safety & Security Quick Reference Guide - Non-Rail Mode Reporting

Reportable Event: A safety or security event occurring: on transit right-of-way or infrastructure, at a transit revenue facility, at a maintenance facility or rail yard, during a transit-related maintenance activity, or involving a transit revenue vehicle. Excluded from this event reporting requirement are events that occur off transit property where affected persons, vehicles, or objects come to rest on transit property after the event, OSHA events in administrative buildings, deaths that are a result of illness or other natural causes, other events (assault, robbery, non-transit vehicle collisions, etc.) occurring at bus stops or shelters that are not on transit-controlled property, collisions that occur while travelling to or from a transit-related maintenance activity, collisions involving a supervisor car, or other transit service vehicle operating on public roads.

Alaska (AR) and Commuter rail (CR) modes report only SECURITY events that meet a Major event threshold.

Appendix F - Risk Assessment Matrix

The Safety Risk Severity Table presents a typical safety risk. It includes four categories to denote the level of severity of the occurrence of a consequence, the meaning of each category, and the assignment of a value to each category using numbers. In this table, 1 is considered catastrophic meaning possible deaths and equipment destroyed and 4 is considered negligible or of little consequence with two levels in between.

The Risk Assessment Matrix measures the level of safety risk in terms of severity (across the top) and likelihood (down the side). The matrix format will allow GTrans to combine the assessment of severity and likelihood to determine the overall risk rating of the potential consequence of the hazard.

City of Gardena City Council Meeting

Agenda Item No. 5.D. (7)

Department: CONSENT CALENDAR

Meeting Date: September 8, 2020

AGENDA REPORT SUMMARY

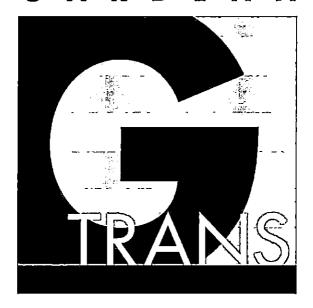

TO: THE HONORABLE MAYOR AND CITY COUNCIL

AGENDA TITLE: APPROVE PURCHASE OF ENGINES AND AUTHORIZE A BLANKET

PURCHASE ORDER WITH TOM'S TRUCK CENTER NORTH COUNTY, LLC FOR AN AUTHORIZED AMOUNT OF \$102,701.40

COUNCIL ACTION REQUIRED: Approve Purchase and Blanket Purchase Order	Action Taken		
RECOMMENDATION AND STAFF SUMMARY:	-		
For its fleet of 52 gasoline/hybrid buses, GTrans currently purchases remanufactured bus engines on an asneeded basis, at an average of \$3,874.00 per engine. To ensure that GTrans has enough engines on hand to accommodate its need for the current year, GTrans issued a Request for Quote for up to 20 remanufactured engines. Staff reached out to four vendors in the Southern California area that offer remanufactured Ford engines. After contacting all the vendors multiple times, GTrans received one quote from Tom's Truck Center, North County, LLC located in Santa Ana, California. The single bid was responsive and responsible, at a cost of \$3,885.07 per engine, or \$77,701.40.			
In addition, GTrans has an ongoing need to purchase as-needed Ford parts to maintain its buses, paratransit vans and staff vehicles. GTrans has used multiple vendors in the past, however Tom's Truck center has consistently been the most cost effective and responsive to GTrans' equipment needs. Therefore, GTrans is seeking to issue a blanket purchase order in the amount of \$25,000 to Tom's Truck Center to purchase asneeded Ford parts, separate and apart from engines which were purchased through the formal solicitation.			
Therefore, it is recommended that Council approve a \$25,000 blanket purchase of parts, as well as the purchase of up to 20 remanufactured engines from Tom's TruLLC for an authorized amount of \$102,701.40, not including shipping or applicable states.	ick Center, North County,

Federal Clauses and Certifications

Federal Clauses

Fly America Requirements – Applicability – all contracts involving transportation of persons or property, by air between the U.S. and/or places outside the U.S. These requirements do not apply to micro-purchases (\$10,000 or less, except for construction contracts over \$2,000). Contractor shall comply with 49 USC 40118 (the "Fly America" Act) in accordance with General Services Administration regulations 41 CFR 301-10, stating that recipients and subrecipients of Federal funds and their contractors are required to use US Flag air carriers for US Governmentfinanced international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a US flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. Contractor shall include the requirements of this section in all subcontracts that may involve international air transportation.

<u>Energy Conservation</u> – Applicability – All Contracts except micro-purchases (\$10,000 or less, except for construction contracts over \$2,000) Contractor shall comply with mandatory standards and policies relating to energy efficiency, stated in the state energy conservation plan issued in compliance with the Energy Policy & Conservation Act.

Access to Records and Reports – Applicability – As shown below. These requirements do not apply to micro-purchases (\$10,000 or less, except for construction contracts over \$2,000) The following access to records requirements apply to this Contract:

- 1. Where the purchaser is not a State but a local government and is an FTA recipient or a subgrantee of FTA recipient in accordance with 49 CFR 18.36(i), contractor shall provide the purchaser, the FTA, the US Comptroller General or their authorized representatives access to any books, documents, papers and contractor records which are pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions. Contractor shall also, pursuant to 49 CFR 633.17, provide authorized FTA representatives, including any PMO contractor, access to contractor's records and construction sites pertaining to a capital project, defined at 49 USC 5302(a)1, which is receiving FTA assistance through the programs described at 49 USC 5307, 5309 or 5311.
- 2. Where the purchaser is a State and is an FTA recipient or a subgrantee of FTA recipient in accordance with 49 CFR 633.17, contractor shall provide the purchaser, authorized FTA representatives, including any PMO Contractor, access to contractor's records and construction sites pertaining to a capital project, defined at 49 USC 5302(a)1, which receives FTA assistance through the programs described at 49 USC 5307, 5309 or 5311. By definition, a capital project excludes contracts of less than the simplified acquisition threshold currently set at \$250,000.
- 3. Where the purchaser enters into a negotiated contract for other than a small purchase or under the simplified acquisition threshold and is an institution of higher education, a hospital or other non-profit organization and is an FTA recipient or a subgrantee of FTA recipient in accordance with 49 CFR 19.48, contractor shall provide the purchaser, the FTA, the US Comptroller General or their authorized representatives, access to any books, documents, papers and record of the contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions.
- 4. Where a purchaser which is an FTA recipient or a subgrantee of FTA recipient in accordance with 49 USC 5325(a) enters into a contract for a capital project or improvement (defined at 49 USC 5302(a)1) through other than competitive bidding, contractor shall make available records related to the contract to the purchaser, the Secretary of USDOT and the US Comptroller General or any authorized officer or employee of any of them for the purposes of conducting an audit and inspection.
- Contractor shall permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
- 6. Contractor shall maintain all books, records, accounts and reports required under this contract for a period of not less than three (3) years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case contractor agrees to maintain same until the recipient, FTA Administrator, US Comptroller General, or any of their authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Re: 49 CFR 18.39(i)(11).

FTA does not require the inclusion of these requirements in subcontracts,

<u>Federal Changes</u> – Applicability – All Contracts except micro-purchases (\$10,000 or less, except for construction contracts over \$2,000) Contractor shall comply with all applicable FTA regulations, policies, procedures and directives, including without limitation those listed directly or by reference in the Master Agreement between the recipient and FTA, as they may be amended or promulgated from time to time during the term of the contract. Contractor's failure to comply shall constitute a material breach of the contract.

No Government Obligation to Third Parties – Applicability – All contracts except micropurchases (\$10,000 or less, except for construction contracts over \$2,000)

- (1) The recipient and contractor acknowledge and agree that, notwithstanding any concurrence by the US Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the US Government, the US Government is not a party to this contract and shall not be subject to any obligations or liabilities to the recipient, the contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.
- (2) Contractor agrees to include the above clause in each subcontract financed in whole or in part with FTA assistance. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

<u>Program Fraud and False or Fraudulent Statements or Related Acts</u> – Applicability – All contracts except micro-purchases (\$10,000 or less, except for construction contracts over \$2,000)

(1) Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 USC 3801 et seq. and USDOT regulations, "Program Fraud Civil Remedies," 49 CFR 31, apply to its actions pertaining to this project. Upon execution of the underlying contract, contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submittal, or certification, the US Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act (1986) on contractor to the extent the US Government deems appropriate.

contract connected with a pro the right to impose the penalt Contractor shall include the a	auses to be made, a false, fictitious, or fraudulent claim, statement, submittal, or certification to the US Government under a oject that is financed in whole or in part with FTA assistance under the authority of 49 USC 5307, the Government reserves ties of 18 USC 1001 and 49 USC 5307(n)(1) on contractor, to the extent the US Government deems appropriate. (3) above two clauses in each subcontract financed in whole or in part with FTA assistance. The clauses shall not be modified, tractor who will be subject to the provisions.

<u>Termination</u> – Applicability – All Contracts over \$10,000, except contracts with nonprofit organizations and institutions of higher learning, where the threshold is \$250.000

- a. Termination for Convenience (General Provision) the recipient may terminate this contract, in whole or in part, at any time by written notice to contractor when it is in the recipient's best interest. Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. Contractor shall promptly submit its termination claim to the recipient. If contractor is in possession of any of the recipient's property, contractor shall account for same, and dispose of it as the recipient directs.
- b. Termination for Default [Breach or Cause] (General Provision) If contractor does not deliver items in accordance with the contract delivery schedule, or, if the contract is for services, and contractor fails to perform in the manner called for in the contract, or if contractor fails to comply with any other provisions of the contract, the recipient may terminate this contract for default. Termination shall be effected by serving a notice of termination to contractor setting forth the manner in which contractor is in default. Contractor shall only be paid the contract price for supplies delivered and accepted, or for services performed in accordance with the manner of performance set forth in the contract. If it is later determined by the recipient that contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of contractor, the recipient, after setting up a new delivery or performance schedule, may allow contractor to continue work, or treat the termination as a termination for convenience.
- c. Opportunity to Cure (General Provision) the recipient in its sole discretion may, in the case of a termination for breach or default, allow contractor an appropriately short period of time in which to cure the defect. In such case, the notice of termination shall state the time period in which cure is permitted and other appropriate conditions if contractor fails to remedy to the recipient's satisfaction the breach or default or any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by contractor or written notice from the recipient setting forth the nature of said breach or default, the recipient shall have the right to terminate the Contract without any further obligation to contractor. Any such termination for default shall not in any way operate to preclude the recipient from also pursuing all available remedies against contractor and its sureties for said breach or default.
- d. Waiver of Remedies for any Breach In the event that the recipient elects to waive its remedies for any breach by contractor of any covenant, term or condition of this Contract, such waiver by the recipient shall not limit its remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.
- e. Termination for Convenience (Professional or Transit Service Contracts) the recipient, by written notice, may terminate this contract, in whole or in part, when it is in the recipient's interest. If the contract is terminated, the recipient shall be liable only for payment under the payment provisions of this contract for services rendered before the effective date of termination.
- f. Termination for Default (Supplies and Service) If contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension or if the contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. Contractor shall only be paid the contract price for supplies delivered and accepted, or services performed in accordance with the manner or performance set forth in this contract. If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.
- g. Termination for Default (Transportation Services) If contractor fails to pick up the commodities or to perform the services, including delivery services, within the time specified in this contract or any extension or if contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. Contractor shall only be paid the contract price for services performed in accordance with the manner of performance set forth in this contract. If this contract is terminated while contractor has possession of the recipient goods, contractor shall, as directed by the recipient, protect and preserve the goods until surrendered to the recipient or its agent. Contractor and the recipient shall agree on payment for the preservation and protection of goods. Failure to agree on an amount shall be resolved under the Dispute clause. If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.
- h. Termination for Default (Construction) If contractor refuses or fails to prosecute the work or any separable part, with the diligence that will insure its completion within the time specified, or any extension, or fails to complete the work within this time, or if contractor fails to comply with any other provisions of this contract, the recipient may terminate this contract for default. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature of default. In this event, the recipient may take over the work and compete it by contract or otherwise, and may take possession of and use any materials, appliances, and plant on the work site necessary for completing the work. Contractor and its sureties shall be liable for any damage to the recipient resulting from contractor's refusal or failure to complete the work within specified time, whether or not contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the recipient in completing the work. Contractor's right to proceed shall not be terminated nor shall contractor be charged with damages under this clause if:
- 1. Delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of contractor. Examples of such causes include: acts of God, acts of the recipient, acts of another contractor in the performance of a contract with the recipient, epidemics, quarantine restrictions, strikes, freight embargoes; and
- 2. Contractor, within 10 days from the beginning of any delay, notifies the recipient in writing of the causes of delay. If in the recipient's judgment, delay is excusable, the time for completing the work shall be extended. The recipient's judgment shall be final and conclusive on the parties, but subject to appeal under the Disputes clauses.
- If, after termination of contractor's right to proceed, it is determined that contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if termination had been issued for the recipient's convenience.
- i. Termination for Convenience or Default (Architect & Engineering) the recipient may terminate this contract in whole or in part, for the recipient's convenience or because of contractor's failure to fulfill contract obligations. The recipient shall terminate by delivering to contractor a notice of termination specifying the nature, extent, and effective date of termination. Upon receipt of the notice, contractor shall (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the recipient all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this contract, whether completed or in process. If termination is for the recipient's convenience, it shall make
- an equitable adjustment in the contract price but shall allow no anticipated profit on unperformed services. If termination is for contractor's failure to fulfill contract obligations, the recipient may complete the work by contact or otherwise and contractor shall be liable for any additional cost incurred by the recipient. If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the recipient's convenience.
- j. Termination for Convenience or Default (Cost-Type Contracts) the recipient may terminate this contract, or any portion of it, by serving a notice or

termination on contractor. The notice shall state whether termination is for convenience of the recipient or for default of contractor. If termination is for default, the notice shall state the manner in which contractor has failed to perform the requirements of the contract. Contractor shall account for any property in its possession paid for from funds received from the recipient, or property supplied to contractor by the recipient. If termination is for default, the recipient may fix the fee, if the contract provides for a fee, to be paid to contractor in proportion to the value, if any, of work performed up to the time of termination. Contractor shall promptly submit its termination claim to the recipient and the parties shall negotiate the termination settlement to be paid to contractor. If termination is for the recipient's convenience, contractor shall be paid its contract close-out costs, and a fee, if the contract provided for payment of a fee, in proportion to the work performed up to the time of termination. If, after serving a notice of termination for default, the recipient determines that contractor has an excusable reason for not performing, such as strike, fire, flood, events which are not the fault of and are beyond the control of contractor, the recipient, after setting up a new work schedule, may allow contractor to continue work, or treat the termination as a termination for convenience.

<u>Government-Wide Debarment and Suspension (Nonprocurement)</u> – Applicability – Contracts over \$25,000 The Recipient agrees to the following:

(1) It will comply with the requirements of 2 C.F.R. part 180, subpart C, as adopted and supplemented by U.S. DOT regulations at 2 C.F.R. part 1200, which include the following: (a) It will not enter into any arrangement to participate in the development or implementation of the Project with any Third Party Participant that is debarred or suspended except as authorized by: 1 U.S. DOT regulations, "Nonprocurement Suspension and Debarment," 2 C.F.R. part 1200, 2 U.S. OMB, "Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," 2 C.F.R. part 180, including any amendments thereto, and 3 Executive Orders Nos. 12549 and 12689, "Debarment and Suspension," 31 U.S.C. § 6101 note, (b) It will review the U.S. GSA "System for Award Management," https:// www.sam.gov, if required by U.S. DOT regulations, 2 C.F.R. part 1200, and (c) It will include, and require each of its Third Party Participants to include, a similar provision in each lower tier covered transaction, ensuring that each lower tier Third Party Participant: 1 Will comply with Federal debarment and suspension requirements, and 2 Reviews the "System for Award Management" at https://www.sam.gov, if necessary to comply with U.S. DOT regulations, 2 C.F.R. part 1200, and (2) If the Recipient suspends, debars, or takes any similar action against a Third Party Participant or individual, the Recipient will provide immediate written notice to the: (a) FTA Regional Counsel for the Region in which the Recipient is located or implements the

Project, (b) FTA Project Manager if the Project is administered by an FTA Headquarters Office, or (c) FTA Chief Counsel,

Contracts Involving Federal Privacy Act Requirements – Applicability – When a grantee maintains files on drug and alcohol enforcement activities for FTA, and those files are organized so that information could be retrieved by personal identifier, the Privacy Act requirements apply to all contracts except micro-purchases (\$10,000 or less, except for construction contracts over \$2,000)

The following requirements apply to the Contractor and its employees that administer any system of records on behalf of the Federal Government under any contract:

- (1) The Contractor agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable requirements of the Privacy Act of 1974, 5 U.S.C. § 552a. Among other things, the Contractor agrees to obtain the express consent of the Federal Government before the Contractor or its employees operate a system of records on behalf of the Federal Government. The Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.
- (2) The Contractor also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

<u>Civil Rights Requirements</u> – Applicability – All contracts except micro-purchases (\$10,000 or less, except for construction contracts over \$2,000) The following requirements apply to the underlying contract:

The Recipient understands and agrees that it must comply with applicable Federal civil rights laws and regulations, and follow applicable Federal guidance, except as the Federal Government determines otherwise in writing. Therefore, unless a Recipient or Program, including an Indian Tribe or the Tribal Transit Program, is specifically exempted from a civil rights statute, FTA requires compliance with that civil rights statute, including compliance with equity in service:

a. Nondiscrimination in Federal Public Transportation Programs. The Recipient agrees to, and assures that each Third Party Participant will, comply with Federal transit law, 49 U.S.C. § 5332 (FTA's "Nondiscrimination" statute): (1) FTA's "Nondiscrimination" statute prohibits discrimination on the basis of: (a) Race, (b) Color, (c) Religion, (d) National origin, (e) Sex, (f) Disability, (g) Age, or (h) Gender identity and (2) The FTA "Nondiscrimination" statute's prohibition against discrimination includes: (a) Exclusion from participation, (b) Denial of program benefits, or (c) Discrimination, including discrimination in employment or business opportunity, (3) Except as FTA determines otherwise in writing: (a) General. Follow: 1 The most recent edition of FTA Circular 4702.1, "Title VI Requirements and Guidelines for Federal Transit Administration Recipients," to the extent consistent with applicable Federal laws, regulations, and guidance, and 2 Other applicable Federal guidance that may be issued, but (b) Exception for the Tribal Transit Program. FTA does not require an Indian Tribe to comply with FTA program-specific guidelines for Title VI when administering its projects funded under the Tribal Transit Program,

b. Nondiscrimination – Title VI of the Civil Rights Act. The Recipient agrees to, and assures that each Third Party Participant will: (1) Prohibit discrimination based on: (a) Race, (b) Color, or (c) National origin, (2) Comply with: (a) Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d et seq., (b) U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964," 49 C.F.R. part 21, and (c) Federal transit law, specifically 49 U.S.C. § 5332, as stated in the preceding section a, and (3) Except as FTA determines otherwise in writing, follow: (a) The most recent edition of FTA Circular 4702.1, "Title VI and Title VI-Dependent Guidelines for Federal Transit Administration Recipients," to the extent consistent with applicable Federal laws, regulations, and guidance. (b) U.S. DOJ, "Guidelines for the enforcement of Title VI, Civil Rights Act of 1964," 28 C.F.R. § 50.3, and (c) Other applicable Federal guidance that may be issued,

c. Equal Employment Opportunity. (1) Federal Requirements and Guidance. The Recipient agrees to, and assures that each Third Party Participant will, prohibit discrimination on the basis of race, color, religion, sex, or national origin, and: (a) Comply with Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e et seq., (b) Facilitate compliance with Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order No. 11246, Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note, (c) Comply with Federal transit law, specifically 49 U.S.C. § 5332, as stated in section a, and (d) Comply with FTA Circular 4704.1other applicable EEO laws and regulations, as provided in Federal guidance, including laws and regulations prohibiting discrimination on the basis of disability, except as the Federal Government determines otherwise in writing, (2) General. The Recipient agrees to: (a) Ensure that applicants for employment are employed and employees are treated during employment without discrimination on the basis of their: 1 Race, 2 Color, 3 Religion, 4 Sex, 5 Disability, 6 Age, or 7 National origin, (b) Take affirmative action that includes, but is not limited to: 1 Recruitment advertising, 2 Recruitment, 3 Employment, 4 Rates of pay, 5

Other forms of compensation, 6 Selection for training, including apprenticeship, 7 Upgrading, 8 Transfers, 9 Demotions, 10 Layoffs, and 11 Terminations, but (b) Indian Tribe. Title VII of the Civil Rights Act of 1964, as amended, exempts Indian Tribes under the definition of "Employer". (3) Equal Employment Opportunity Requirements for Construction Activities. In addition to the foregoing, when undertaking "construction" as recognized by the U.S. Department of Labor (U.S. DOL), the Recipient agrees to comply, and assures the compliance of each Third Party Participant, with: (a) U.S. DOL regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. chapter 60, and (b) Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order No. 11246, Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note,

- d. Disadvantaged Business Enterprise. To the extent authorized by applicable Federal law, the Recipient agrees to facilitate, and assures that each Third Party Participant will facilitate, participation by small business concerns owned and controlled by socially and economically disadvantaged individuals, also referred to as "Disadvantaged Business Enterprises" (DBEs), in the Project as follows: 1) Requirements. The Recipient agrees to comply with: (a) Section 1101(b) of Map-21, 23 U.S.C. § 101 note, (b) U.S. DOT regulations, "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs," 49 C.F.R. part 26, and (c) Federal transit law, specifically 49 U.S.C. § 5332, as stated in section a, (2) Assurance. As required by 49 C.F.R. § 26.13(a), (b) DBE Program Requirements. Recipients receiving planning, capital and/or operating assistance that will award prime third party contracts exceeding \$250,000 in a Federal fiscal year must: 1 Have a DBE program meeting the requirements of 49 C.F.R. part 26, 2 Implement a DBE program approved by FTA, and 3 Establish an annual DBE participation goal, (c) Special Requirements for a Transit Vehicle Manufacturer. The Recipient understands and agrees that each transit vehicle manufacturer, as a condition of being authorized to bid or propose on FTA-assisted transit vehicle procurements, must certify that it has complied with the requirements of 49 C.F.R. part 26, (d) the Recipient provides assurance that; The Recipient shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any DOT-assisted contract or in the administration of its DBE program or the requirements of 49 C.F.R. part 26. The Recipient shall take all necessary and reasonable steps under 49 C.F.R. part 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts. The Recipient's DBE program, as required by 49 C.F.R. part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the Recipient of its failure to carry out its approved program, the Department may impose sanctions as provided for under 49 C.F.R. part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. § 1001 and/or the Program Fraud Civil Remedies Act of 1986, 31 U.S.C. § 3801 et seq., (2) Exception for the Tribal Transit Program. FTA exempts Indian tribes from the Disadvantaged Business Enterprise regulations at 49 C.F.R. part 26 under Map-21 and previous legislation.
- e. Nondiscrimination on the Basis of Sex. The Recipient agrees to comply with Federal prohibitions against discrimination on the basis of sex, including: (1) Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. § 1681 et seq., (2) U.S. DOT regulations, "Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance," 49 C.F.R. part 25, and (3) Federal transit law, specifically 49 U.S.C. § 5332, as stated in section a,
- f. Nondiscrimination on the Basis of Age. The Recipient agrees to comply with Federal prohibitions against discrimination on the basis of age, including: (1) The Age Discrimination in Employment Act (ADEA), 29 U.S.C. §§ 621 634, which prohibits discrimination on the basis of age, (2) U.S. Equal Employment Opportunity Commission (U.S. EEOC) regulations, "Age Discrimination in Employment Act," 29 C.F.R. part 1625, which implements the ADEA, (3) The Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6101 et seq., which prohibits discrimination against individuals on the basis of age in the administration of programs or activities receiving Federal funds, (4) U.S. Health and Human Services regulations, "Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance," 45 C.F.R. part 90, which implements the Age Discrimination Act of 1975, and (5) Federal transit law, specifically 49 U.S.C. § 5332, as stated in section a
- g. Nondiscrimination on the Basis of Disability. The Recipient agrees to comply with the following Federal prohibitions pertaining to discrimination against seniors or individuals with disabilities: (1) Federal laws, including: (a) Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of disability in the administration of federally funded programs or activities, (b) The Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. § 12101 et seq., which requires that accessible facilities and services be made available to individuals with disabilities, 1 General. Titles I, II, and III of the ADA apply to FTA Recipients, but 2 Indian Tribes. While Titles II and III of the ADA apply to Indian Tribes, Title I of the ADA exempts Indian Tribes from the definition of "employer," (c) The Architectural Barriers Act of 1968, as amended, 42 U.S.C. § 4151 et seq., which requires that buildings and public accommodations be accessible to individuals with disabilities, (d) Federal transit law, specifically 49 U.S.C. § 5332, which now includes disability as a prohibited basis for discrimination, and (e) Other applicable laws and amendments pertaining to access for elderly individuals or individuals with disabilities, (2) Federal regulations, including: (a) U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. part 37, (b) U.S. DOT regulations, "Nondiscrimination on the Basis of Disability in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," 49 C.F.R. part 27, (c) U.S. DOT regulations, "Transportation for Individuals with Disabilities: Passenger Vessels," 49 C.F.R. part 39, (d) Joint U.S. Architectural and Transportation Barriers Compliance Board (U.S. ATBCB) and U.S. DOT regulations, "Americans With Disabilities (ADA) Accessibility Specifications for Transportation Vehicles," 36 C.F.R. part 1192 and 49 C.F.R. part 38, (e) U.S. DOJ regulations, "Nondiscrimination on the Basis of Disability in State and Local Government Services," 28 C.F.R. part 35, (f) U.S. DOJ regulations, "Nondiscrimination on the Basis of Disability by Public Accommodations and in Commercial Facilities," 28 C.F.R. part 36, (g) U.S. EEOC, "Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act," 29 C.F.R. part 1630, (h) U.S. Federal Communications Commission regulations, "Telecommunications Relay Services and Related Customer Premises Equipment for Persons with Disabilities," 47 C.F.R. part 64, Subpart F, (i) U.S. ATBCB regulations, "Electronic and Information Technology Accessibility Standards," 36 C.F.R. part 1194, and (j) FTA regulations, "Transportation for Elderly and Handicapped Persons," 49 C.F.R. part 609, and (3) Other applicable Federal civil rights and nondiscrimination guidance,
- h. Drug or Alcohol Abuse Confidentiality and Other Civil Rights Protections. The Recipient agrees to comply with the confidentiality and civil rights protections of: (1) The Drug Abuse Office and Treatment Act of 1972, as amended, 21 U.S.C. § 1101 et seq., (2) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, as amended, 42 U.S.C. § 4541 et seq., and (3) The Public Health Service Act, as amended, 42 U.S.C. §§ 290dd 290dd-2,
- i. Access to Services for People with Limited English Proficiency. Except as the Federal Government determines otherwise in writing, the Recipient agrees to promote accessibility of public transportation services to people whose understanding of English is limited by following: 1) Executive Order No. 13166, "Improving Access to Services for Persons with Limited English Proficiency," August 11, 2000, 42 U.S.C. § 2000d-1 note, and (2) U.S. DOT Notice, "DOT Policy Guidance Concerning Recipients' Responsibilities to Limited English Proficiency (LEP) Persons," 70 Fed. Reg. 74087, December 14, 2005,

j. Other Nondiscrimination Laws. Except as the Federal Government determines otherwise in writing, the Recipient agrees to: (1) Comply with other applicable Federal nondiscrimination laws and regulations, and (2) Follow Federal guidance prohibiting discrimination.

k. Remedies. Remedies for failure to comply with applicable Federal Civil Rights laws and Federal regulations may be enforced as provided in those Federal laws or Federal regulations.

Patent and Rights Data - Contracts involving experimental, developmental, or research work (\$10,000 or less, except for construction contracts over \$2,000).

Patent Rights

A. General. The Recipient agrees that:

- (1) Depending on the nature of the Project, the Federal Government may acquire patent rights when the Recipient or Third Party Participant produces a patented or patentable:
 - (a) Invention,
 - (b) Improvement, or
 - (c) Discovery,
- (2) The Federal Government's rights arise when the patent or patentable information is:
 - (a) Conceived under the Project, or
 - (b) Reduced to practice under the Project, and
- (3) When a patent is issued or patented information becomes available as described in Patent Rights section A(2), the Recipient agrees to:
 - (a) Notify FTA immediately, and
 - (b) Provide a detailed report satisfactory to FTA,
- B. Federal Rights. The Recipient agrees that:
 - (1) Its rights and responsibilities, and the rights and responsibilities of each Third Party Participant, in that federally funded invention, improvement, or discovery will be determined as provided by applicable Federal laws, regulations, and guidance, including any waiver thereof, and
 - (2) Unless the Federal Government determines otherwise in writing, irrespective of the Recipient's status or the status of any Third Party Participant as a large business, a small business, a State government, a State instrumentality, a local government, an Indian tribe, a nonprofit organization, an institution of higher education, or an individual, the Recipient agrees to transmit the Federal Government's patent rights to FTA as specified in: (a) 35 U.S.C. § 200 et seq., and (b) U.S. Department of Commerce regulations, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," 37 C.F.R. part 401, and
- C. License Fees and Royalties. As permitted by 49 C.F.R. parts 18 and 19:
 - (1) License fees and royalties for patents, patent applications, and inventions derived from the Project are program income, and
 - (2) The Recipient has no obligation to the Federal Government with respect to those license fees or royalties, except: (a) For compliance with 35 U.S.C. § 200 et seq., which applies to patent rights developed under a federally funded research-type project, and (b) As FTA determines otherwise in writing.

Rights in Data and Copyrights

- A. Definition of "Subject Data." means recorded information:
- (1) Copyright. Whether or not copyrighted, and
- (2) Delivery. That is delivered or specified to be delivered under the Underlying Agreement,
- B. Examples of "Subject Data." Examples of "subject data":
- (1) Include, but are not limited to:
- (a) Computer software, (b) Standards, (c) Specifications, (d) Engineering drawings and associated lists, (e) Process sheets, (f) Manuals, (g) Technical reports, (h) Catalog item identifications, and (i) Related information, but
- (2) Do not include: (a) Financial reports, (b) Cost analyses, or (c) Other similar information used for Project administration,
- C. General Federal Restrictions. The following restrictions apply to all subject data first produced in the performance of the Recipient's Project supported by the Underlying Agreement: (1) Prohibitions. The Recipient may not: (a) Publish or reproduce any subject data in whole or in part, or in any manner or form, or (b) Permit others to do so, but
- (2) Exceptions. The prohibitions of Rights in Data and Copyrights C(1) do not apply to: (a) Publications or reproductions for the Recipient's own internal use, (b) An institution of higher learning, (c) The portion of subject data that the Federal Government has previously released or approved for release to the public, or (d) The portion of data that has the Federal Government's prior written consent for release,

- D. Federal Rights in Data and Copyrights. The Recipient agrees that:
 - (1) License Rights. The Recipient must provide a license to its "subject data" to the Federal Government, which license is: (a) Royalty-free, (b) Non-exclusive, and (c) Irrevocable,
 - (2) Uses. The Federal Government's license must permit the Federal Government to take the following actions provided those actions are taken for Federal Government purposes: (a) Reproduce the subject data, (b) Publish the subject data, (c) Otherwise use the subject data, and (d) Permit other entities or individuals to use the subject data, and
- E. Special Federal Rights in Data for Research, Development, Demonstration, Deployment, and Special Studies Projects. In general, FTA's purpose in providing Federal funds for a research, development, demonstration, deployment, or special studies Project is to increase transportation knowledge, rather than limit the benefits of the Project to the Recipient and its Third Party Participants, therefore, the Recipient agrees that:
 - (1) Publicly Available Report. When the Project is completed, it must provide a Project report that FTA may publish or make available for publication on the Internet,
 - (2) Other Reports. It must provide other reports pertaining to the Project that FTA may request,
 - (3) Availability of Subject Data. FTA may make available to any FTA Recipient or any of its Third Party Participants at any tier of the Project, either FTA's copyright license to the subject data or a copy of the subject data, except as the Federal Government determines otherwise in writing,
 - (4) Identification of Information. It must identify clearly any specific confidential, privileged, or proprietary information submitted to FTA,
 - (5) Incomplete Project. If the Project is not completed for any reason whatsoever, all data developed under the Project becomes "subject data" and must be delivered as the Federal Government may direct, but
 - (6) Exception. Rights in Data and Copyrights Section E does not apply to an adaptation of automatic data processing equipment or program that is both: (a) For the Recipient's use, and (b) Acquired with FTA capital program funding,
- F. License Fees and Royalties. As permitted by 49 C.F.R. parts 18 and 19:
 - (1) License fees and royalties for copyrighted material or trademarks derived from Project are program income, and
 - (2) The Recipient has no obligation to the Federal Government with respect to those license fees or royalties, except: (a) For compliance with 35 U.S.C. § 200 et seq., which applies to patent rights developed under a federally funded research-type project, and (b) As FTA determines otherwise in writing.
- G. Hold Harmless. Upon request by the Federal Government, the Recipient agrees that:
 - (1) Violation by Recipient. (a) If it willfully or intentionally violates any: 1 Proprietary rights, 2 Copyrights, or 3 Right of privacy, and (b) Its violation occurs from any of the following uses of Project data: 1 Publication, 2 Translation, 3 Reproduction, 4 Delivery, 5 Use, or 6 Disposition, then (c) It will indemnify, save, and hold harmless against any liability, including costs and expenses of: 1 The Federal Government's officers acting within the scope of their official duties,
 - 2 The Federal Government's employees acting within the scope of their official duties, and
 - 3 Federal Government's agents acting within the scope of their official duties, but (2) Exceptions. The Recipient will not be required to indemnify the Federal Government for any liability described in Rights in Data and Copyrights section G(1) if: (a) Violation by Federal Officers, Employees or Agents. The violation is caused by the wrongful acts of Federal employees or agents, or (b) State law. If indemnification is prohibited or limited by applicable State law,
- H. Restrictions on Access to Patent Rights. Nothing in this Rights in Data and Copyrights section pertaining to rights in data either:
 - (1) Implies a license to the Federal Government under any patent, or
 - (2) May be construed to affect the scope of any license or other right otherwise granted to the Federal Government under any patent,
- I. Data Developed Without Federal Funding or Support. The Recipient understands and agrees that in certain circumstances it may need to provide data developed without any Federal funding or support to FTA. Nevertheless:
 - (1) Protections. Rights in Data and Copyrights Sections A, B, C, and D generally do not apply to data developed without Federal funding, even though that data may have been used in connection with the Project, and
 - (2) Identification of Information. The Recipient understands and agrees that the Federal Government will not be able to protect data developed without Federal funding from unauthorized disclosure unless that data is clearly marked "Proprietary" or "Confidential," and
- J. Requirements to Release Data. The Recipient understands and agrees that the Federal Government may be required to release Project data and information the Recipient submits to the Federal Government as required by:
 - (1) The Freedom of Information Act, 5 U.S.C. § 552,
 - (2) Another applicable Federal law requiring access to Project records,
 - (3) U.S. DOT regulations, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," specifically 49 C.F.R. § 19.36(d), or

(4) Other applicable Federal regulations and guidance pertaining to access to Project records.

<u>Disadvantaged Business Enterprise (DBE)</u> – Applicability – Contracts over \$10,000 awarded on the basis of a bid or proposal offering to use DBEs

- a. This contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. The national goal for participation of Disadvantaged Business Enterprises (DBE) is 10%. The recipient's overall goal for DBE participation is listed elsewhere. If a separate contract goal for DBE participation has been established for this procurement, it is listed elsewhere.
- b. The contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this contract. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the municipal corporation deems appropriate. Each subcontract the contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).
- c. If a separate contract goal has been established, Bidders/offerors are required to document sufficient DBE participation to meet these goals or, alternatively, document adequate good faith efforts to do so, as provided for in 49 CFR 26.53.
- d. If no separate contract goal has been established, the successful bidder/offeror will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.
- e. The contractor is required to pay its subcontractors performing work related to this contract for satisfactory performance of that work no later than 30 days after the contractor's receipt of payment for that work from the recipient. In addition, the contractor may not hold retainage from its subcontractors or must return any retainage payments to those subcontractors within 30 days after the subcontractor's work related to this contract is satisfactorily completed or must return any retainage payments to those subcontractors within 30 days after incremental acceptance of the subcontractor's work by the recipient and contractor's receipt of the partial retainage payment related to the subcontractor's work.
- f. The contractor must promptly notify the recipient whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE subcontractor to perform at least the same amount of work. The contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of the recipient.

Prompt Payment - Applicability - All contracts except micropurchases \$10,000 or less, (except for construction contracts over \$2,000)

The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 30 days from the receipt of each payment the prime contract receives from the Recipient. The prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractors work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Recipient. This clause applies to both DBE and non-DBE subcontracts.

Incorporation of Federal Transit Administration (FTA) Terms – Applicability – All contracts except micro-purchases (\$10,000 or less, except for construction contracts over \$2,000)

The preceding provisions include, in part, certain Standard Terms & Conditions required by USDOT, whether or not expressly stated in the preceding contract provisions. All USDOTrequired contractual provisions, as stated in FTA Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The contractor shall not perform any act, fail to perform any act, or refuse to comply with any request that would cause the recipient to be in violation of FTA terms and conditions.

Other Federal Requirements:

Full and Open Competition - In accordance with 49 U.S.C. \$ 5325(h) all procurement transactions shall be conducted in a manner that provides full and open competition.

<u>Prohibition Against Exclusionary or Discriminatory Specifications</u> - Apart from inconsistent requirements imposed by Federal statute or regulations, the contractor shall comply with the requirements of 49 USC 5323(h)(2) by refraining from using any FTA assistance to support procurements using exclusionary or discriminatory specifications.

Conformance with ITS National Architecture - Contractor shall conform, to the extent applicable, to the National Intelligent Transportation Standards architecture as required by SAFETEA-LU Section 5307(c), 23 U.S.C. Section 512 note and follow the provisions of FTA Notice, "FTA National Architecture Policy on Transit Projects," 66 Fed. Reg.1455 etseq., January 8, 2001, and any other implementing directives FTA may issue at a later date, except to the extent FTA determines otherwise in writing.

Access Requirements for Persons with Disabilities - Contractor shall comply with 49 USC 5301(d), stating Federal policy that the elderly and persons with disabilities have the same rights as other persons to use mass transportation services and facilities and that special efforts shall be made in planning and designing those services and facilities to implement that policy. Contractor shall also comply with all applicable requirements of Sec. 504 of the Rehabilitation Act (1973), as amended, 29 USC 794, which prohibits discrimination on the basis of handicaps, and the Americans with Disabilities Act of 1990 (ADA), as amended, 42 USC 12101 et seq., which requires that accessible facilities and services be made available to persons with disabilities, including any subsequent amendments thereto.

Notification of Federal Participation - To the extent required by law, in the announcement of any third party contract award for goods and services (including construction services) having an aggregate value of \$500,000 or more, contractor shall specify the amount of Federal assistance to be used in financing that acquisition of goods and services and to express that amount of Federal assistance as a percentage of the total cost of the third party contract.

Interest of Members or Delegates to Congress - No members of, or delegates to, the US Congress shall be admitted to any share or part of this contract nor to any benefit arising therefrom.

Ineligible Contractors and Subcontractors - Any name appearing upon the Comptroller General's list of ineligible contractors for federally-assisted contracts shall be ineligible to act as a subcontractor for contractor pursuant to this contract. If contractor is on the Comptroller General's list of ineligible contractors for federally financed or assisted construction, the recipient shall cancel, terminate or suspend this contract.

Other Contract Requirements - To the extent not inconsistent with the foregoing Federal requirements, this contract shall also include those standard clauses attached hereto, and shall comply with the recipient's Procurement Guidelines, available upon request from the recipient.

Compliance With Federal Regulations - Any contract entered pursuant to this solicitation shall contain the following provisions: All USDOT-required contractual provisions, as set forth in FTA Circular 4220.1F, are incorporated by reference. Anything to the contrary herein notwithstanding, FTA mandated terms shall control in the event of a conflict with other provisions contained in this Agreement. Contractor shall not perform any act, fall to perform any act, or refuse to comply with any grantee request that would cause the recipient to be in violation of FTA terms and conditions. Contractor shall comply with all applicable FTA regulations, policies, procedures and directives, including, without limitation, those listed directly or incorporated by reference in the Master Agreement between the recipient and FTA, as may be amended or promulgated from time to time during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this contract.

Real Property - Any contract entered into shall contain the following provisions: Contractor shall at all times comply with all applicable statutes and USDOT regulations, policies, procedures and directives governing the acquisition, use and disposal of real property, including, but not limited to, 49 CFR 18.31-18.34, 49 CFR 19.30-19.37, 49 CFR Part 24, 49 CFR 5326 as amended by Map-21, 49 CFR part 18 or 19, 49 USC 5334, applicable FTA Circular 5010, and FTA Master Agreement, as they may be amended or promulgated during the term of this contract. Contractor's failure to so comply shall constitute a material breach of this contract.

Access to Services for Persons with Limited English Proficiency - To the extent applicable and except to the extent that FTA determines otherwise in writing, the Recipient agrees to comply with the policies of Executive Order No. 13166, "Improving Access to Services for Persons with Limited English Proficiency," 42 U.S.C. § 2000d 1 note, and with the provisions of U.S. DOT Notice, "DOT Guidance to Recipients on Special Language Services to Limited English Proficient (LEP) Beneficiaries," 70 Fed. Reg. 74087, December 14, 2005.

Environmental Justice - Except as the Federal Government determines otherwise in writing, the Recipient agrees to promote environmental justice by following: (1) Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," February 11, 1994, 42 U.S.C. \$ 4321 note, as well as facilitating compliance with that Executive Order, and (2) DOT Order 5610.2, "Department of Transportation Actions To Address Environmental Justice in Minority Populations and Low-Income Populations," 62 Fed. Reg. 18377, April 15, 1997, and (3) The most recent and applicable edition of FTA Circular 4703.1, "Environmental Justice Policy Guidance for Federal Transit Administration Recipients," August 15, 2012, to the extent consistent with applicable Federal laws, regulations, and guidance,

Environmental Protections - Compliance is required with any applicable Federal laws imposing environmental and resource conservation requirements for the project. Some, but not all, of the major Federal laws that may affect the project include: the National Environmental Policy Act of 1969; the Clean Air Act; the Resource Conservation and Recovery Act; the comprehensive Environmental response, Compensation and Liability Act; as well as environmental provisions with Title 23 U.S.C., and 49 U.C. chapter 53. The U.S. EPA, FHWA and other federal agencies may issue other federal regulations and directives that may affect the project. Compliance is required with any applicable Federal laws and regulations in effect now or that become effective in the future.

Geographic Information and Related Spatial Data - (NOT APPLICABLE TO THE TRIBAL TRANSIT PROGRAM) Any project activities involving spatial data or geographic information systems activities financed with Federal assistance are required to be consistent with the National Spatial Data Infrastructure promulgated by the Federal Geographic Data Committee, except to the extent that FTA determines otherwise in writing.

Geographic Preference - All project activities must be advertised without geographic preference, (except in A/E under certain circumstances, preference for hiring veterans on transit construction projects and geographic-based hiring preferences as proposes to be amended in 2 CFR Part 1201).

Federal Single Audit Requirements - For State Administered Federally Aid Funded Projects Only Non Federal entities that expend \$750,000 or more in a year in Federal awards from all sources are required to comply with the Federal Single Audit Act provisions contained in U.S. Office of Management and Budget (OMB) Circular No. A 133, "Audits of States, Local Governments, and Non Profit Organizations" (replaced with 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" effective December 26, 2014 as applicable). Non Federal entities that expend Federal awards from a single source may provide a program specific audit, as defined in the Circular. Non Federal entities that expend less than the amount above in a year in Federal awards from all sources are exempt from Federal audit requirements for that year, except as noted in Sec. 215 (a) of OMB Circular A-133 Subpart B-Audits, records must be available for review or audit by appropriate officials of the cognizant Federal agency the New York State Department of Transportation, the New York State Comptrollers Office and the U.S. Governmental Accountability Office (GAO). Non Federal entities are required to submit a copy of all audits, as described above, within 30 days of issuance of audit report, but no later than 9 months after the end of the entity's fiscal year, to the New York State Department of Transportation, Contract Audit Bureau, 50 Wolf Road, Albany, NY 12232. Unless a time extension has been granted by the cognizant Federal Agency and has been filed with the New York State Department of Transportation's Contract Audit Bureau, failure to comply with the requirements of OMB Circular A-133 may result in suspension or termination of Federal award payments. Catalog of Federal Domestic Assistance (CFDA) Identification Number The municipal project sponsor is required to identify in its accounts all Federal awards received and expended, and the Federal programs under which they were received. Federal progr

Veterans Preference - As provided by 49 U.S.C. 5325(k), to the extent practicable, the Recipient agrees and assures that each of its Subrecipients: (1) Will give a hiring preference to veterans, as defined in 5 U.S.C. § 2108, who have the skills and abilities required to perform construction work required under a third party contract in connection with a Capital Project supported with federal assistance appropriated or made available for 49 U.S.C. chapter 53, and (2) Will not require an employer to give a preference to any veteran over any equally qualified applicant who is a member of any racial or ethnic minority, female, an individual with a disability, or a former employee.

Safe Operation of Motor Vehicles

a. Seat Belt Use. The Recipient agrees to implement Executive Order No. 13043, "Increasing Seat Belt Use in the United States," April 16, 1997, 23 U.S.C. § 402 note, (62 Fed. Reg. 19217), by: (1) Adopting and promoting on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company-rented vehicles, or personally operated vehicles, and (2) Including a "Seat Belt Use" provision in each third party agreement related to the Award. b. Distracted Driving, Including Text Messaging While Driving. The Recipient agrees to comply with: (1) Executive Order No. 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009, 23 U.S.C. § 402 note, (74 Fed. Reg. 51225), (2) U.S. DOT Order 3902.10, "Text Messaging While Driving," December 30, 2009, and (3) The following U.S. DOT Special Provision pertaining to Distracted Driving: (a) Safety. The Recipient agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Recipient owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the Award, or when performing any work for or on behalf of the Award, (b) Recipient Size. The Recipient agrees to conduct workplace safety initiatives in a manner commensurate with its size, such as establishing new rules and programs to prohibit text messaging while driving, re-evaluating the existing programs to prohibit text messaging while driving, and providing education, awareness, and other outreach to employees about the safety risks associated with texting while driving, and (c) Extension of Provision. The Recipient agrees to include the preceding Special Provision, and include this Special Provision in each third party subagreement at each tier supported with federal assistance.

Catalog of Federal Domestic Assistance (CFDA) Identification Number - The municipal project sponsor is required to identify in its accounts all Federal awards received and expended, and the Federal programs under which they were received. Federal program and award identification shall include, as applicable, the CFDA title and number, award number and year, name of the Federal agency, and name of the pass through entity.

The CFDA number for the Federal Transit Administration - Nonurbanized Area Formula (Section 5311) is 20.509. A Recipient covered by the Single Audit Act Amendments of 1996 and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," (replaced with 2 CFR Part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" effective December 26, 2014 as applicable) agrees to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133. The Recipient agrees to accomplish this by identifying expenditures for Federal awards made under Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix "ARRA" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF-SAC.

organizational conflict of interest described as follows: (1) When It Occurs. An organizational conflict of interest occurs when the Project work, without appropriate restrictions on certain future activities, results in an unfair competitive advantage: (a) To that Third Party Participant or another Third Party Participant performing the Project work, and (b) That impairs that Third Party Participant's objectivity in performing the Project work, or (2) Other. An organizational conflict of interest may involve other situations resulting in fundamentally unfair competitive conditions, (3) Disclosure Requirements. Consistent with FTA policies, the Recipient must disclose to FTA, and each of its Subrecipients must disclose to the Recipient: (a) Any instances of organizational conflict of interest, or (b) Violations of federal criminal law, involving fraud, bribery, or gratuity violations potentially affecting the federal award, and (4) Failure to Disclose. Failure to make required disclosures can result in remedies for noncompliance, including debarment or suspension.

GOVERNMENT-WIDE DEBARMENT AND SUSPENSION (NONPROCUREMENT)

Instructions for Certification: By signing and submitting this bid or proposal, the prospective lower tier participant is providing the signed certification set out below.

- (1) It will comply and facilitate compliance with U.S. DOT regulations, "Nonprocurement Suspension and Debarment," 2 CFR part 1200, which adopts and supplements the U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," 2 CFR part 180.
- (2) To the best of its knowledge and belief, that its Principals and Subrecipients at the first tier.
 - a. Are eligible to participate in covered transactions of any Federal department or agency and are not presently:
 - 1. Debarred,
 - 2. Suspended.
 - Proposed for debarment,
 - 4. Declared ineligible.
 - 5. Voluntarily excluded, or
 - 6. Disqualified.
 - b. Its management has not within a three-year period preceding its latest application or proposal been convicted of or had a civil judgment rendered against any of them for:
 - 1. Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction, or contract under a public transaction,

 - Violation of any Federal or State antitrust statute, or,
 Commission of embezziement, theft, forgery, bribery, falsification or destruction of records, making any false statement, or receiving stolen property,
 - c. It is not presently indicted for, or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses listed in the preceding subsection 2.b of this Certification,
- d. It has not had one or more public transactions (Federal, State, or local) terminated for cause or default within a three-year period preceding this Certification.
- e. If, at a later time, it receives any information that contradicts the statements of subsections 2.a 2.d above, it will promptly provide that information to FTA.
- f. It will treat each lower tier contract or lower tier subcontract under its Project as a covered lower tier contract for purposes of 2 CFR part 1200 and 2 CFR part 180 if it:
 - 1. Equals or exceeds \$25,000,
 - 2. Is for audit services, or,
 - 3. Regulres the consent of a Federal official, and
- g. It will require that each covered lower tier contractor and subcontractor:
 - 1. Comply and facilitate compliance with the Federal requirements of 2 CFR parts 180 and 1200, and
 - 2. Assure that each lower tier participant in its Project is not presently declared by any Federal department or agency to be:
 - a. Debarred from participation in its federally funded Project.
 - b. Suspended from participation in its federally funded Project,
 - Proposed for debarment from participation in its federally funded Project,
 - d. Declared ineligible to participate in its federally funded Project,
 - e. Voluntarily excluded from participation in its federally funded Project, or
 - f. Disqualified from participation in its federally funded Project, and
 - 3. It will provide a written explanation as indicated on a page attached in FTA's TrAMS platform or the Signature Page if it or any of its principals, including any of its first tier Subrecipients or its Third-Party Participants at a lower tier, is unable to certify compliance with the preceding statements in this Certification Group.

(3) It will provide a written explanation as indicated on a page attached in FTA's TrAMS platform or the Signature Page if it or any of its principals, including any of its first tier Subreciplents or its Third-Party Participants at a lower tier, is unable to certify compliance with the preceding statements in this Certification Group.

Re: GTrans RFQ 2020-06 Quotes

To whom in may concern,

Please be advised that our most recent quote contains the following changes/options:

- For part number 9C2Z-6A642-AA, Ford released a supersession. The new part number is 9C2Z*6A642*A. These parts are identical. Supersessions are common practice among manufacturers as their inventory changes.
- For part number YC2Z-9448-AA, Ford released a supersession. The new part number is YC2Z*9448*A. These parts are identical. Supersessions are common practice among manufacturers as their inventory changes.
- For part number YC2Z-9448-AB, Ford released a supersession. The new part number is BC2Z*9448*C. These parts are identical. Supersessions are common practice among manufacturers as their inventory changes.
- For the engines, there are 2 options:
 - You may purchase the engine with the sensors included (in the same transaction) or excluded (in a separate transaction) as the engine does not come from Ford with the sensors included
 - When the sensors are included in the same transaction, the total is \$3622.47
 - When the sensors are not included in the same transaction, the price is \$3570.97 for the engine, \$24.94 for one sensor, and \$30.68 for the other sensor for a total of \$3626.59

Please let me know if I can be of any more assistance.

Thank you for your business, Anthony "Tone" Gonzalez

5. Site Plan Review #4-19; Tentative Tract Map #2-19

The Planning Commission considered a request for site plan review and tentative tract map approval for the construction of six new townhome units in the Medium Density Multiple-Family Residential (R-3) zone per section 18.44.010.E and Chapter 17.08 of the Gardena Municipal Code. Staff had determined that the project qualified for several categorical exemptions, did not meet any of the exceptions to the exemptions, and was therefore exempt from CEQA.

AGENDA REPORT SUMMARY

THE HONORABLE MAYOR AND CITY COUNCIL TO:

AGENDA TITLE: APPROVAL OF UPDATE TO GUIDELINES FOR THE CARES ACT PROGRAM

FUNDING (CDBG-CV) RECEIVED FROM THE US DEPARTMENT OF HOUSING AND

URBAN DEVELOPMENT (HUD) TO ALLEVIATE THE NEGATIVE ECONOMIC

IMPACTS OF COVID-19

COUNCIL ACTION REQUIRED:

Action Taken

Approve the update to the program guidelines of the CARES Act funding received from the US Department of Housing and Urban Development

STAFF SUMMARY AND RECOMMENDATION:

Staff respectfully recommends that Council approve the program guidelines update for the CARES Act funding (CDBG-CV) received from the US Department of Housing and Urban Development to address the negative economic impacts of COVID-19.

Following the initial application period and assessment of the original guidelines, it was determined that businesses could be assisted with changes allowing the City more latitude while remaining in adherence with the US Department of Housing and Urban Developments federal requirements. The changes to the original guidelines are summarized below:

- Increase maximum grant amount from \$20,000 to \$30,000 for up to six months of commercial rent assistance
- Eliminate requirement that landlord must participate in rent reduction
- Add requirement that business must have a reasonable expectation to continue business; and
- Authorize City Manager and/or the Chief Fiscal Officer to make exceptions to the City guidelines in the case of extraordinary circumstances.

Staff's research indicates that these revisions to the original guidelines will facilitate the current application process and allow the City to provide assistance to the qualified applicants.

Staff therefore respectfully recommends the approval of the update to the guidelines for the CARES Act Small Business Assistance Program.

CITY OF GARDENA

BUSINESS ASSISTANCE PROGRAM GUIDELINES

I. INTRODUCTION

The City of Gardena, hereafter referred to as the "City", has established a Small Business Assistance Program (SBAP), hereafter called "The SBAP". The SBAP is designed to address the adverse impacts of the novel coronavirus (COVID-19) to the economy, including jobs and businesses. SBAP grants will support small businesses undergoing financial hardship due to a loss or reduction in revenue directly related to COVID-19.

The City has committed approximately \$370,000 in federal Community Development Block Grant (CDBG) and CDBG-CV funding under Coronavirus Emergency Relief and Economic Security (CARES-CV) for business stabilization grants of up to \$30,000 per eligible businesses. These business assistance guidelines have been established by the Gardena Administrative Services Department.

II. GARDENA BUSINESS ASSISTANCE (SBAP) PROGRAM OVERVIEW

A. PROGRAM ADMINISTRATION

The City's Administrative Services Department staff will serve as the primary contact for implementation of the program guidelines. The City will:

- Market the SBAP;
- Accept and process applications;
- Ensure businesses meet eligibility requirements;
- Recommend approval of grants;
- Ensure disbursement of grant funds;
- Maintain grant files and fiscal records

B. PROGRAM ASSISTANCE

The amount of grant assistance will be a maximum six months' worth of rent, not to exceed the sum of \$30,000. The City is required to pay the owner/landlord of the commercially leased/rented space directly, therefore the owner/landlord must agree to enter into an agreement with the City for the payment as follows:

1. Businesses whose landlord agrees to participate in the program will receive up to six months of commercial rent assistance, not to exceed \$30,000. In no case will assistance be more than the actual shown in the commercial rent/lease agreement.

C. PROGRAM ELIGIBILITY

Mandatory Requirements

All businesses assisted under the SBAP must meet the following requirements:

- Be located in the City of Gardena's jurisdictional limits and have a physical location (bricks/mortar building);
- Have been operational for at least one (1) year;
- Have an active City of Gardena Business License as of April 1, 2020;
- Have no outstanding code violations with federal, state or local governments;
- Meet HUD's criteria of a low-income benefit (Refer to page 4 Section III);

- Have a verifiable loss of revenue/income due to COVID-19 that justifies the need for assistance;
- Have <u>not</u> received other Business Assistance from other sources, including federal, state or county governments, the Small Business Administration (SBA), the Chamber of Commerce, etc. for the payment of commercial rent;
- Does not have not access to business capital or liquid assets; and
- Submits a completed, signed application (application may be signed electronically)
- Must be fiscally solvent with a reasonable expectation of continued business operation.

Conflict of Interest Requirement

Applicants for business assistance shall not be an employee, agent, consultant, officer or elected official or appointed official of the City who exercises or have exercised any function or responsibilities with respect to activities relating to this Program or who are in a position to participate in a decision-making process or gain inside information with regard to these activities, may obtain a financial interest or financial benefit from this Program, or the proceeds from such activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter.

III. CDBG PROGRAM REQUIREMENTS

A. ELIGIBLE PROGRAM APPLICANTS

Under federal regulations, use of CDBG funded activities must meet the national objective of benefit to low- and moderate ("low-mod") income benefit. Businesses may meet this low-mod criterion through serving a low-mod area, be a low-mod owner, or create or retain low-mod job(s). All businesses must provide documentation meeting HUD's low/mod income requirements prior to receiving a business assistance grant. In keeping with the CDBG requirements, the business applicant must meet one of the following low-mod criteria to be considered for grant funding:

- The business is located in a HUD-defined low- and moderate-income area (see attached map) and provides a service to the area; OR
- The business owner's current income is at or below 80% of the Los Angeles County median income, adjusted for household size; OR
- The business intends to retain at least one full-time equivalent, permanent low- and moderate-income job and the business:
 - Can show that 51% of its employees are low- and moderate-income, full-time or equivalent employees; and
 - O That the grant funds provided will ensure permanent employment of the retained employee for a period of two years; and
 - o If the low- and moderate-income job retained is vacated within two years, the business will take the necessary steps to fill the position with another low- and moderate-income employee.

All employees, part time and full time, on the business payroll at the time of grant application will be counted. The term "employee" includes all owners of the business on the payroll, even if the owner's "salary draws" are not on a regular basis. The SBAP administrators will require the business to provide third party records documenting the current number of employees on the payroll, including all owners of the business. If the microenterprise business owner is the only employee, the owner must be income eligible.

B. INELIGIBLE PROGRAM APPLICANTS

The following types of businesses are not eligible for program assistance:

- Casinos:
- Liquor or tobacco stores;
- Marijuana dispensaries;
- Any business that does not comply with local, state or federal laws;

C. ELIGIBLE USE OF FUNDS

Grant funds must be used to cover fixed expenses for the business. The primary fixed business expenses for purposes of this program include rent, utilities, inventory or other operational expenses for the business. Rent expense will be covered first, all other expenses will be covered after payment of rent. A copy of the lease agreement and landlord information will be required for direct payment of the rent to the landlord. Direct payment to the landlord will reduce staff time in ensuring funds are used for eligible purposes.

Applicants will provide a Use of Funds Worksheet ("Worksheet") as part of the application. The Worksheet will include a breakdown the dollar amount of funds requested and their proposed use. Documentation supporting the dollar amount identified on the Worksheet will be required. Any use of funding other than that to support the business is strictly prohibited. Funds under this Program may not be used to reimburse expenses incurred prior to the COVID-19 pandemic. Eligible uses of funds for the SBAP must be directly related to areas impacted by to the COVID-19 pandemic.

D. INELIGIBLE USE OF FUNDS

Ineligible uses of funds include:

- Personal expenses;
- Repayment or refinance of existing debt;
- Taxes, fines or penalties;

E. MEETING CDBG NATIONAL OBJECTIVE REQUIREMENT

Under federal regulations, use of CDBG funded activities must meet the national objective of benefit to low/moderate ("low-mod") income benefit. Businesses may meet this low-mod criterion through serving a low-mod area, be a low-mod owner, or create or retain low-mod job(s). All businesses, business owner and/or employee household, as applicable, must provide documentation meeting HUD's low/mod income requirements prior to receiving a business assistance grant. The SBAP Program administrators will verify that businesses meet HUD's low/mod income requirements below.

Household Size	Maximum Income	Household Size	Maximum Income
1	\$63,100	5	\$97,350
2	\$72,100	6	\$104,550
3	\$81,100	7	\$111,750
4	\$90,100	8	\$118,950

Gross income for the purposes of determining business owner and/or employee household income includes all unemployment, wages, overtime, retirement, disability, pension, social security, child support, alimony and other regular earnings of the household members before any deductions (i.e., taxes, retirement contributions, union dues, etc.). Income is based on earnings from the time of the

application projected for the next 12 months. All income sources are verified using third party sources such as employers, Employment Development Department (EDD), pension funds, social security administration, Internal Revenue Service (IRS), etc. If a member of the household is an adult student (living away from home), he/she may be counted as a member of the household in determining the household size. However, the adult student must be verified as both a (1) dependent, and (2) full-time student living away from home.

IV. APPLICATION PROCESSING FOR GRANTS

A. PROGRAM MARKETING AND OUTREACH

The City will conduct program marketing. Examples of marketing include media coverage with ads in local papers and distribution of marketing brochures to local chamber of commerce, and business networking organizations. The program will be marketed on social media as we as the city website.

B. EQUAL OPPORTUNITY COMPLIANCE

This Program will be implemented in ways consistent with the City's commitment to state and federal equal opportunity laws. No person or business shall be excluded from participation in, denied the benefit of, or be subjected to discrimination under any program or activity funded in whole or in part with CDBG program funds on the basis of his or her religion, religious affiliation, age, race, color, ancestry, national origin, sex, marital status, familial status, physical or mental disability, sexual orientation, or other arbitrary cause.

CFDA #16.738

Solicitation Release Date: July 9, 2020

Application Deadline: 11:59 p.m. eastern time on August 19, 2020

The <u>U.S. Department of Justice</u> (DOJ), <u>Office of Justice Programs</u> (OJP), <u>Bureau of Justice Assistance</u> (BJA) is seeking applications for the Edward Byrne Memorial Justice Assistance Grant (JAG) Program. This program furthers the Department's mission by assisting state, local, and tribal law enforcement efforts to prevent or reduce crime and violence.

This solicitation incorporates the <u>OJP Grant Application Resource Guide</u> by reference. The OJP Grant Application Resource Guide provides guidance to applicants on how to prepare and submit applications for funding to OJP. If this solicitation expressly modifies any provision in the OJP Grant Application Resource Guide, the applicant is to follow the guidelines in this solicitation as to that provision.

This solicitation expressly modifies the OJP Grant Application Resource Guide by not incorporating the "Limitation on Use of Award Funds for Employee Compensation; Waiver" provision in the "Financial Information" section of the OJP Grant Application Resource Guide.

Eligibility

The following entities are eligible to apply:

Units of local government

By law, for purposes of the JAG Program, the term "units of local government" includes a town, township, village, parish, city, county, borough, or other general purpose political subdivision of a state; or, it may be a federally recognized Indian tribal government that performs law enforcement functions (as determined by the Secretary of the Interior). A unit of local government also may be any law enforcement district or judicial enforcement district established under applicable state law with authority to independently establish a budget and impose taxes; for example, in Louisiana, a unit of local government means a district attorney or parish sheriff.

Eligible allocations under JAG are posted annually on the <u>JAG web page</u>. See the allocation determination and Units of Local Government requirements section for more information.

Applicants with eligible allocation amounts of less than \$25,000 will apply to Category 1,

and applicants with eligible allocation amounts of \$25,000 or more will apply to Category 2.

All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

Contact Information

For technical assistance with submitting an application, contact the Grants Management System (GMS) Support Hotline at 888–549–9901, option 3, or via email at GMS.HelpDesk@usdoi.gov. The GMS Support Hotline operates 24 hours a day, 7 days a week, including on federal holidays.

An applicant that experiences unforeseen GMS technical issues beyond its control that prevent it from submitting its application by the deadline must email the National Criminal Justice Reference Service (NCJRS) Response Center at <u>grants@ncjrs.gov</u> within 24 hours after the application deadline in order to request approval to submit its application after the deadline. For information on reporting technical issues, see "Experiencing Unforeseen GMS Technical Issues" under How to Apply (GMS) in the OJP Grant Application Resource <u>Guide</u>.

For assistance with any other requirement of this solicitation, applicants may contact the NCJRS Response Center by telephone at 1–800–851–3420; via TTY at 301–240–6310 (hearing impaired only); by email at grants@ncjrs.gov, by fax to 301–240–5830, or by web chat at https://webcontact.ncjrs.gov/ncjchat/chat.jsp. The NCJRS Response Center hours of operation are 10:00 a.m. to 6:00 p.m. eastern time, Monday through Friday, and 10:00 a.m. to 8:00 p.m. eastern time on the solicitation close date. Applicants also may contact the appropriate BJA State Policy Advisor.

Deadline details

Applicants must register in the OJP Grants Management System (GMS) at https://grants.oip.usdoj.gov/ prior to submitting an application under this solicitation. All applicants must register, even those that previously registered in GMS. Select the "Apply Online" button associated with the solicitation title. For additional information, see the "How to Apply (GMS)" section in the OJP Grant Application Resource Guide.

U.S. DEPARTMENT OF JUSTICE OFFICE OF JUSTICE PROGRAMS

Edward Byrne Justice Assistance Grant Program FY 2020 Local Solicitation Certifications and Assurances by the Chief Executive of the Applicant Government

On behalf of the applicant unit of local government named below, in support of that locality's application for an award under the FY 2020 Edward Byrne Justice Assistance Grant ("JAG") Program, and further to 34 U.S.C. § 10153(a), I certify to the Office of Justice Programs ("OJP"), U.S. Department of Justice ("USDOJ"), that all of the following are true and correct:

- 1. I am the chief executive of the applicant unit of local government named below, and I have the authority to make the following representations on my own behalf as chief executive and on behalf of the applicant unit of local government. I understand that these representations will be relied upon as material in any OJP decision to make an award, under the application described above, to the applicant unit of local government.
- 2. I certify that no federal funds made available by the award (if any) that OJP makes based on the application described above will be used to supplant local funds, but will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.
- 3. I assure that the application described above (and any amendment to that application) was submitted for review to the governing body of the unit of local government (e.g., city council or county commission), or to an organization designated by that governing body, not less than 30 days before the date of this certification.
- 4. I assure that, before the date of this certification— (a) the application described above (and any amendment to that application) was made public; and (b) an opportunity to comment on that application (or amendment) was provided to citizens and to neighborhood or community-based organizations, to the extent applicable law or established procedure made such an opportunity available.
- 5. I assure that, for each fiscal year of the award (if any) that OJP makes based on the application described above, the applicant unit of local government will maintain and report such data, records, and information (programmatic and financial), as OJP may reasonably require.
- 6. I have carefully reviewed 34 U.S.C. § 10153(a)(5), and, with respect to the programs to be funded by the award (if any), I hereby make the certification required by section 10153(a)(5), as to each of the items specified therein.
