QUESTION:	ANSWER:
1. Under Scope of Work: Follow-up of polygraph results – will Polygraphs be asked of the vendors, and reporting's of them?	1. We can set up our own polygraphs, but we would ask you include them in the final package. If you conduct your own polygraphs, we would be interested in that as well.
2. Regarding the "Unit Price" on page 11, is that intended to be a flat rate for all investigations? Can the unit rate be an hourly rate, as these types of investigations are not all identical?	2. Yes, they can be an hourly rate.
