As you read through the Reopening Guidelines, please refer to these definitions to help clarify how the reopening stages affect you.

Vulnerable Population – This includes individuals that are aged 65 or older, pregnant and breastfeeding, experiencing homelessness or have underlying medical conditions defined by [CDC](#). We strongly urge these individuals to continue sheltering in place.

CDC – Centers for Disease Control and Prevention

LACDPH – Los Angeles County Department of Public Health

PPE – Personal Protective Equipment (sanitary supplies, gloves, face coverings, etc.)

All businesses that are permitted to reopen must post the signage provided by the City and prepare, implement, and post the required protocols from [LA County Department of Public Health](#) prior to opening.
