# Homeless Services

The City of Gardena's, Recreation & Human Services Department have been providing Emergency Services to those at-risk and experiencing homelessness for over 30 years by providing them access to food, hygiene supplies, & case management services. We actively increase access to services and resources by building partnerships within the community.

The Homeless Coordinator works collaboratively with our Gardena/Hawthorne Mental Evaluation Team through our Gardena Police Department to provide outreach and immediate services to providers and non-profits within Los Angeles County. We are able to assist individuals & families immediately.
