

CITY OF GARDENA Public Works

ARTESIA BOULEVARD (Phase 1) RAILROAD CROSSING IMPROVEMENT PROJECT

Closure of ARTESIA BLVD. at
railroad crossing between
Normandie Ave. to Western Ave.

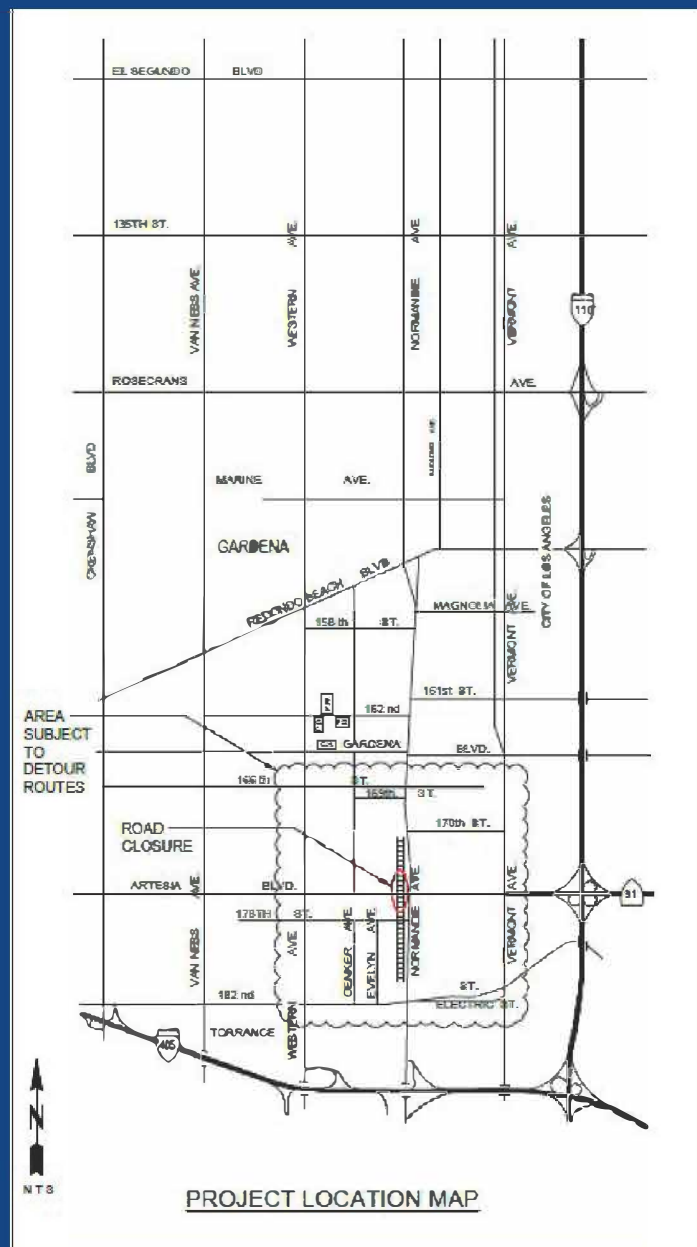

September 29th - October 2

City of Gardena Public Works in conjunction with Union Pacific Railroad will be conducting railroad crossing improvements on Artesia Boulevard just west of Normandie Avenue with dates from **September 29th through October 2. Construction will begin at 10 PM Friday until 5 AM Monday.**

Motorists traversing Artesia Boulevard are advised to take alternate routes while a detour plan will be implemented during the closure. Your residence and businesses will remain accessible during the closure with minimal delay.

The City of Gardena will take steps to minimize potential impacts to nearby businesses and residents. As with all construction projects, your safety is our primary concern. We understand that the street closures and construction will be inconvenient. We ask for your patience as we work to maintain and improve our city's infrastructure.

*Dates are subject to change, the final date will be notified by contractor two weeks in advance
