CITY MANAGER'S BUDGET MESSAGE

PROPOSED BUDGET – FISCAL YEARS 2024/2025 & 2025/2026

HONORABLE MAYOR AND CITY COUNCIL:

Presented for City Council is the proposed budget for Fiscal Years 2024/2025 and 2025/2026. This proposed budget details the City's plan to continue fiscal prudence and transparency while expanding valuable programs and services for our community.

For this proposed budget, we are set to allocate \$82M, the largest Capital Improvement Program (CIP) budget in our history. This ambitious budget reflects our commitment to growth, community enhancement, and fiscal responsibility.

Future City Facilities: We are on the brink of a transformative period with two state-of-the-art buildings slated to be completed by the end of 2025, the Community Aquatic & Senior Center and the Mas Fukai Building. These facilities are not just structures; they are beacons of progress, designed to serve our community's evolving needs.

Public Safety & Community Programs: Central to our budget are the public safety & community programs that touch the lives of our citizens every day. From recreational services to educational initiatives, we have allocated funds that will enrich our community's social fabric and provide safety support services where it is most needed.

For the Fiscal Year 2024/2025, we have the largest proposed all funds expenditure budget in the City's history of \$319 million, which includes \$86.3 million budgeted General Fund, \$36.6 million budgeted for the City's GTrans Fund, \$82.1 million budget for the City's Special Revenue funds, \$17.3 million in Internal Service Funds, \$19.8 million in Debt Service Funds, \$5.5 million in Sewer Fund, and \$71.5 million in Capital Improvement Program budget.

For the Fiscal Year 2025/2026, the proposed all funds expenditure budget is \$207.2 million, which includes \$88.9 million budgeted General Fund, \$45.2 million budgeted for the City's GTrans Fund, \$31.4 million budget for the City's Special Revenue funds, \$18.7 million in Internal Service Funds, \$8.6 million in Debt Service Funds, \$4 million in Sewer Fund, and \$10.4 million in Capital Improvement Program budget.

As mentioned above, this will be the City's single largest Capital Improvement Program (CIP) budget in the history of the City with the amount of \$82 million. The City continues to make significant capital investments with \$19.4 million budgeted for the Gardena Community Aquatic & Senior Center, \$1.6 million for the new Rosecrans Community Center and \$7 million for the Mas

Fukai Park Building. The remaining \$54 million will be utilized to maintain City streets, sewers, storm drains, sidewalks, curbs, crosswalks, signs, various park & facility projects, and traffic signals.

FISCAL YEARS 2024/2025 & 2025/2026 PROPOSED BUDGET:

Staff developed a two-year budget for the fiscal years 2024/2025 & 2025/2026 starting in February this year. Placing a multi-year budget in place was intended to provide our community with fiscal security during rapidly changing political, social and economic periods. We also turn our attention towards long-term fiscal sustainability, being thoughtful in maintaining our organizational strength and remaining resilient through identifying opportunities to diversify our revenue sources and expand our revenue base. As our community grows and flourishes, our organization must use our resources strategically to support our community. Balancing short-term response and long-term investment will remain a priority for our organization. I am confident that this focus will guide us through any challenges and make Gardena stronger than we were before.

The total City budget consists of General Fund revenues, Special Revenue Funds such as grant funds, and Enterprise Funds for the Transportation Department and City Sewer Maintenance Program. Only General Fund revenue is at the full discretion of the City Council for spending appropriations. All other revenue is otherwise restricted because of the funding sources. Proposed expenditures are based upon an analysis of past expenditures in conjunction with revenue forecasts based on current economic conditions. Should the proposed budget be approved, the General Fund will be structurally balanced with a modest surplus of \$154,252 in Fiscal Year 2024/2025 and \$119,570 in Fiscal Year 2025/2026. Special Revenue Funds, however, are budgeted based on all available funds which includes the total of projected new revenue for the fiscal year and any carry-over funds which have already been received but not yet spent. Special Revenue Funds are structurally balanced including carry-over funds from the prior fiscal years. The proposed budget shows a surplus with a General Fund revenue budgeted for Fiscal Year 2024/2025 at \$86,419,896 and expenditures at \$86,265,644 for a net surplus of \$154,252 on June 30, 2025. Fiscal Year 2024/2025 total revenues for all funds, including transfers, are \$304,672,050 with expenditures, including transfer out, at \$319,217,677. The difference represents the use of fund balance in Special Revenue Funds. For Fiscal Year 2025/2026 General Fund revenue is budgeted at \$89,009,149 and expenditures at \$88,889,579 for a net surplus of \$119,570 on June 30, 2026. Fiscal Year 2025/2026 total revenues for all funds, including transfers, are \$202,725,996 with expenditures, including transfer out, at \$207,220,692. The delta for total revenues and total expenditures for all funds is due to the timing of the Special Revenue Funds.

COUNCIL POLICY DIRECTION

The City Council's focus and commitment to our community, in conjunction with the efforts of management and staff, resulted in the following:

- Measure G Revenue is projected to grow to \$12.7 Million for Fiscal Year 2025/2026 or 14% of the General Fund Revenue
- CIP Proposed Budget for FY 2024/2025 & FY 2025/2026 is \$82 Million, the largest two-year CIP budget in the City's history
 - \$19.4 Million for the Community Aquatic & Senior Center Project
 - \$7 Million for Mas Fukai Park Improvement Project
 - \$12 Million in community facility improvements and upgrades
 - \$36.5 Million in street & pedestrian improvement projects
 - \$6.7 Million in storm drain & sewer improvement projects
- The City added 14.6 FTE including 11.1 FTE for the Aquatic & Senior Center program
- The City continues in its efforts of transparency. See QR codes below to access the Financial Transparency Dashboard and the adopted budget document.

IN CONCLUSION:

The Fiscal Years 2024/2025 and 2025/2026 proposed budget has been developed to strike a thoughtful balance between the short-term and long-term. What I hope to accomplish with this budget is to provide the Council with a comprehensive framework with which to make decisions. Decisions that are being made now will help maintain sustainability that will serve Gardena well in the future.

I would like to acknowledge Department Heads, Budget Coordinators, and the Administrative Services Budget Team, under the direction of Ray Beeman, Director of Administrative Services, who worked as a cohesive team to complete our annual proposed budget. I also want to thank the leaders of the Gardena Police Officers Association (GPOA), the Gardena Management Employees Organization (GMEO), and the Gardena Municipal Employees Association (GMEA), who are an important part of the team, as they faithfully represent the interests of their membership and work with City management for the benefit of this community.

Respectfully submitted,

BUDGET PROCESS

MISSION OF THE BUDGET PROCESS: To help decision makers make informed choices about the provision of services and capital assets and to promote stakeholder participation in the process. - Government Finance Officers Association (GFOA)

BUDGET GOAL: To develop and maintain a structurally balanced budget that maximizes City resources necessary to build, sustain and enhance the City's future.

Preparation and adoption of the fiscal year budget is guided by the following five organizational principles set by the City Council:

1. Fiscal Integrity and Long-Term Financial Stability
2. Quality Economic Development
3. Workforce Excellence
4. Continually Improving Quality of Life for Residents
5. Maintaining an Attractive, Vital Livable Community

BUDGET OBJECTIVES: These organizational principles translate into the following budget objectives:

1. Establishing budgetary and fiscal policies that address current needs and set the foundation for future decisions.
2. Adopting a structurally balanced budget with realistic annual revenue projections and expenditures below revenue projections.
3. Pursuing grant and other special funds to augment City services in specific program areas.
4. Building adequate reserve funds to meet the City's current and future obligations.
5. Creating public-private partnerships with mutual economic and service benefit.
6. Setting charges and users fees to recover City costs for providing services as much as possible but without overburdening citizens, businesses, and property owners.

7. Replacing or upgrading vehicles and other capital equipment based on comparative cost of required maintenance for safety and performance efficiency.
8. Implementing efficiencies in service delivery and departmental operations that improve customer service and the quality of life in the community.
9. Enhancing employee skills and compensation to attract and maintain the best qualified staff and highest level of public service possible.
10. Providing superior public safety including community-based policing to reduce crime.
11. Providing community service programs that meet a variety of interests and needs.
12. Improving the public image and physical appearance of the City with proper maintenance of public rights-of-way and code enforcement of private properties.

BUDGET ROLES AND RESPONSIBILITIES

Citizens, property owners and businesses are encouraged to share ideas and provide input concerning the community and budgetary programs. This can be accomplished by discussing issues with City's commissions and committees or directly with program managers. Citizen input received during public hearings or other correspondence is not only invited but needed to ensure that public needs are met.

Finance Committee, comprised of two councilmembers (appointed by the Mayor) and the City Treasurer, reviews the City's revenues and

BUDGET PROCESS

expenditures each quarter and the City Manager's proposed budget before submitting to the City Council for adoption.

City Council provides direction for the preparation of the budget through adoption of policies and ongoing input. Council is responsible for the review and adoption of the City budget.

City Manager is responsible for:

- ❖ providing staff direction for budget preparation
- ❖ considering departmental budget requests and requests for supplemental budget items
- ❖ reviewing projected revenues and expenditures with the Director of Administrative Services
- ❖ formulating a comprehensive budget proposal for submission to the City Council
- ❖ presentation of a proposed budget
- ❖ overseeing budget administration throughout the fiscal year

Director of Administrative Services is responsible for:

- ❖ evaluating and reporting the City's fiscal condition
- ❖ providing comprehensive revenue forecasts
- ❖ providing budget orientation and training to all departments
- ❖ monitoring budget throughout the year and providing updates to the City Manager and City Council

OVERVIEW OF CITY BUDGET PROCESS

The City's annual budget process commences in February with the distribution of the updated Budget Manual that details the City's general budgetary policy and the specific goals and objectives for the upcoming fiscal year. Departments are given specific instructions and timelines, the City's chart of accounts, a rate schedule for apportioned costs such as liability and health insurance, and budget forms and formats.

Each department head is required to select a responsible individual in the department to be the Budget Coordinator. Following the budget kickoff by

the City Manager and Director of Administrative Services, all correspondence and meetings are conducted with the departments' Budget Coordinators and the Finance Budget Team.

In March, the Director of Administrative Services provides the City Manager with the tentative General Fund Revenue Projections. These set the parameters for the development of a budget. In turn, the preliminary departmental budget worksheets are returned to the Fiscal Resources Division with instructions for modified expenditure requests based upon the available monies projected.

Target Budget Requests: It is the responsibility of each department to submit, as part of the budget request to the City Manager, a complete Statement of Justification. The statement must provide a formal and comprehensive explanation and justification of the proposed departmental budget program. This is important because the initial budget request submitted by each department is based on maintaining the current level of service. The **"Target Budget"** provides a point of origin for the detailed study and evaluation of each budget request by the City Manager compared to available revenue. The Target Budget has four basic components:

1. **Proposed Work Plan:** Department and program narratives, major accomplishments for fiscal year ending, major goals and objectives for the new fiscal year, workload/performance indicators and projected revenues/cost recovery from department programs.
2. **Proposed Staffing Plan:** Departmental organization chart, personnel worksheets (benefits calculations), personnel schedules, staffing levels, and personnel by program activity.
3. **Proposed Spending Plan:** Department line-item worksheets, expenditure request worksheets, justification statements (if required), computer repair and replacement fund summary and capital expenditures one-year request and justification statement.
4. **Revenue Projections:** Department revenues based on the fees collected as part of the department's operation. Emphasis

BUDGET PROCESS

is placed on maximizing cost recovery as appropriate and justification for new or increase in existing fees.

Supplemental Budget Requests: Separate from the Target Budgets, departments submit a “wish list” of additional personnel, new or replacement equipment, or funding for new or expanded programs. All Supplemental Budget Requests are reviewed jointly with priority given to funding requests that best meet the objectives for the fiscal year and improve services across departmental lines. Unfunded requests are set aside until additional funding can be identified. This process will be expanded over the next fiscal year with a goal of developing a multi-year budgeting plan for rebuilding staffing levels, equipment replacement and program expansion.

Capital Outlay Requests: Capital requests are submitted separately with priority given to the replacement of aging and outdated equipment. With the Fiscal Year 2001-2002 Budget, a “Computer and Technology Maintenance and Replacement” fund was instituted to protect the City’s investment in technology by ensuring funds to properly maintain and replace equipment when needed. This is funded through departmental contributions based on a usage formula.

City Managers Review: At the end of April, the City Manager reviews a draft budget summary presented by the Director of Administrative Services. Following the review and approval, the Proposed Budget, or City Manager’s Budget as it is sometimes called, is finalized and printed for distribution. Much of the focus of the annual budget process is on General Fund programs since this is the only funding area that is fully discretionary. Grant funded programs follow a similar process but are more specifically directed by the regulations of the particular funding source. The City’s adopted budget incorporates all City programs and specifically identifies the funding source for each.

Preliminary Budget: In May, a preliminary budget document is created, and the City Manager meets independently with each department head to review the department’s goals, objectives, programs and funding needs for the upcoming fiscal year. It is also the department head’s opportunity to ensure that all the needs of his/her department are understood and carefully considered in the allocation of funds.

Budget Hearing: A public workshop hearing is held approximately one month before the adoption of the City’s budget for the upcoming fiscal year. The City Manager presents to the Council the overall goals and objectives for the fiscal year, along with a review of significant factors affecting proposed revenues and expenditures.

Public comment is heard throughout the month and revisions may be made to the budget as directed by the City Council.

Adoption: City Council shall adopt the budget by Resolution at the conclusion of the budget hearings. The adoption of the budget must occur prior to July 1, which is the beginning of the new fiscal year.

Budget Control and Amendments: Since the budget is a planning document, throughout the fiscal year there may be a need for adjustments in the spending plan. As new revenues are identified, or unexpected expenditures arise, departments may need to re-prioritize the expenditure plan for their operations. If the modification can be made within the department’s approved appropriation, then the Department Head may make a written request for a budget transfer to reallocate funds as needed. The budget transfer request is sent to Fiscal Resources for review and approval. Accounting staff verifies that funds are available as requested, and the Director of Administrative Services approves the transfer. However, if the department is unable to make the needed adjustments within their department appropriation, additional approval is needed. The City Manager is authorized to transfer funds between departments up to ten thousand dollars. Amounts exceeding ten thousand dollars must have the approval of the City Council.

BUDGET DOCUMENT GUIDE

The “Adopted Budget” is the document that sets the expenditure policies for all monies received by the City. The budget is based on a “fiscal year” that begins each year on July 1 and ends twelve-months later on June 30. City staff develops a proposed budget under the direction of the City Manager. The “Proposed Budget” is presented at a Public Hearing with the City Council for consideration. The City Council makes whatever changes they deem appropriate and vote to adopt the budget for the next fiscal year.

The budget is designed to give the City Council a clear roadmap of the City’s expenditure needs and available resources so that the Council can make sound budgetary decisions. It is through the appropriation of funds that the Council sets the program and project priorities for the ensuing fiscal year. This year two consecutive one-year budgets were presented to the City Council for consideration. This proposed budget will cover fiscal years 2024-2025 and 2025-2026.

The budget document begins with the City Manager’s budget message, which provides an overview of the Fiscal Year Operating Budget by highlighting programs and major projects. Economic factors, changes in revenue, expenditures, and staffing levels are also addressed in the budget message. The budget document is divided into the following sections:

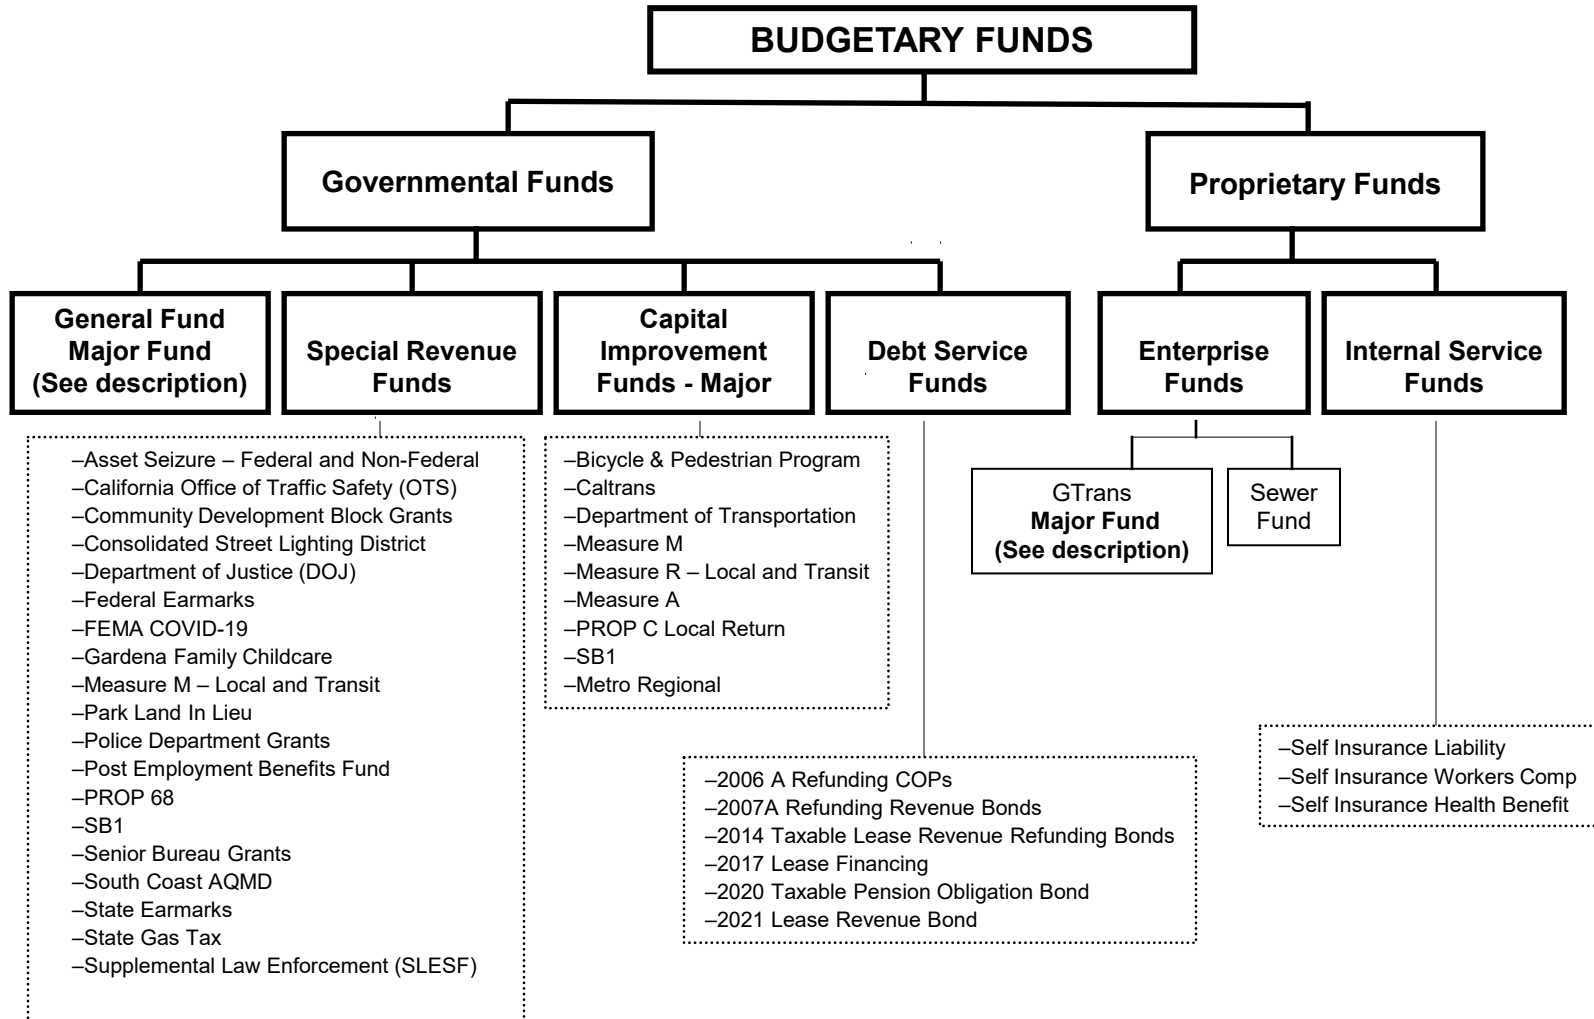

- Budget Message
- Introduction
- Budget Summaries
- Operating Budget – General Fund with corresponding Special Revenue Funds
- Operating Budget – Enterprise Funds
- Debt Service Funds
- Internal Service Funds
- Capital Improvement Program
- Appendix

The Budget Summaries section provides revenue and expenditure analysis. This section presents historical data for comparative purposes along with staffing levels.

The Operating Budgets section contains program description and public service goals. All Special Revenue Funds are grouped by operating department to provide a complete picture of department resources and functions.

The Appendix section contains the glossary of terms, abbreviations and acronyms, and index.

CITY OF GARDENA FUND STRUCTURE

A major fund is classified as any fund which is at least 10% of the total appropriation

FUND DESCRIPTIONS

GENERAL FUND (Major Fund)

The General Fund is the chief operating fund of the City and the only totally unrestricted fund that can be used for general operating expenses such as public safety, parks, recreation, engineering, planning and administration.

SPECIAL REVENUE FUNDS (Grants)

Currently the City receives additional funding from various sources to provide many services which otherwise would be impossible for the City to support. Special revenue funds are restricted to a specific purpose and for a certain time frame. Continued or new funding is based on the federal, state or county which is providing the resources. The City is always seeking new grants for the betterment of the citizens and community. Following is a description of the major grant funding that the City receives.

Artesia Landscaping District: To account for monies received for the maintenance of medians on Artesia Boulevard.

American Rescue Plan: Funding to address the devastating economic and health effects of the COVID-19 pandemic.

Asset Seizure: Monies seized from criminal activities and used solely for law enforcement purposes.

Community Development Block Grant (CDBG): The CDBG program works to ensure decent affordable housing, to provide services to the most vulnerable citizens in our communities, and to create jobs through the expansion and retention of businesses. This federal funding is received through the Department of Housing and Urban Development (HUD) and is an important tool for assisting local government in tackling the serious economic challenges facing the community.

Consolidated Street Lighting: To account for monies received for the maintenance and improvement of streetlights.

Federal Earmarks: Fund provided by legislators for projects or programs that curtail the ability of the Executive Branch to manage critical aspects of the funds allocation process.

FEMA COVID-19: This Treasury Department allocation provides funding to local government to support the public health response and lay the foundation for a strong and equitable economic recovery.

Gardena Family Childcare: This grant provides low-cost childcare to low-moderate income families as well as offering early education and development classes. This program through Cal SAFE also helps pregnant and parenting students and their children. These programs are funded through the California Department of Education.

Measure A: To account for monies received for the improvement of parks and open spaces from the Los Angeles County Regional Park and Open Space District or RPOSD.

Measure M: To account for monies received for the improvement of freeway traffic flow; expand the rail and rapid transit system; repave local streets, repair potholes, and synchronize signals; and to make public transportation more accessible, convenient, and affordable.

FUND DESCRIPTIONS

Measure R: To account for monies received for the improvement of local street traffic flow; repave local streets, repair potholes, and synchronize signals; and to make public transportation more accessible, convenient, and affordable.

Measure W: To account for monies received from the Los Angeles County for the improvement of water quality and stormwater infrastructure initiatives.

Police Grants: The Department of Justice, the California Office of Traffic Safety, and the Supplemental Law Enforcement Program provide funding to improve public safety. Grant funding pays for additional officers, improved technology, DUI checkpoints, gang enforcement programs, and pedestrian safety programs. Funding from these grants helps to promote public safety and awareness.

Post-Employment Benefits Fund: This fund was set up to account for the City's Other Post-Employment Benefits it pays to retired employees.

Prop 68: To account for monies received from the Statewide Park Development and Community Revitalization Program (SPP) administered by OGALS or Office of Grants and Local Services to create new parks and recreation opportunities in underserved communities across California.

Prop C: To account for monies received for the reduction of local street traffic congestion; improve air quality; repave local streets and repair potholes; and to make public transportation more accessible, convenient, and efficient.

Public Works Regional Grants: The California Department of Transportation and the Los Angeles County Metro provide funding to improve pedestrian safety, traffic light enhancements, and street improvements.

Senate Bill 1 (SB 1): To account for monies received for the maintenance and rehabilitation and safety improvements on state highways, local streets and roads, and bridges and to improve the state's trade corridors, transit, and active transportation facilities.

Senior Bureau Grants: In 1965 the federal government passed the Older Americans Act to provide grant funding for programs which benefit seniors. This includes nutrition programs in the community and for those who are homebound; programs for low-income minority elders; health promotion and disease prevention activities; in-home services for frail elders, and those services which protect the rights of older persons such as the long-term care ombudsman program.

South Coast AQMD Fund: To account for monies received from motor vehicle tax and expended on programs to reduce air pollution which are necessary to implement the California Clean Air Act of 1988.

State Gas Tax: To account for monies received and expended from the state and county gas tax allocation.

State Earmarks: Fund provided by legislators for projects or programs that curtail the ability of the Executive Branch to manage critical aspects of the funds allocation process.

Traffic Safety: To account for monies received under Section 1463 of the Penal Code and expended on traffic safety.

FUND DESCRIPTIONS

CAPITAL IMPROVEMENT FUNDS

Are used to account for financial resources used for capital improvement projects.

DEBT SERVICE FUNDS

Are used to account for the accumulation of resources and payment of all general long-term debt obligations of the City.

PROPRIETARY FUNDS

A proprietary fund accounts for business type activities of the City that receive a significant portion of funding through user charges with the intent to fully recover the cost of service. The Enterprise and Internal Services Funds are proprietary type funds.

Enterprise Funds:

GTrans (Major Fund) accounts for user charges, fees, federal, state and county grants and all operating costs associated with the operation of the City's bus lines. Although the GTrans is a separately operating enterprise fund, it is still operationally a department of the City.

Sewer Fund accounts for fees charged to users of the City's sewer system. The fee is based upon the amount of domestic water used. The revenue is used to replace, rehabilitate, maintain, and improve the City's sewer system.

Internal Service Funds:

The Internal Service Funds account for financing of goods or services provided by one City department to other departments of the City on a cost-reimbursement basis and consist of the following funds:

Self-Insurance Liability Fund

Self-Insurance Workers' Compensation Fund

Self-Insurance Health Benefit Fund

FIDUCIARY FUNDS

Account for assets held by the City in a trustee capacity. Fiduciary funds are normally **not budgeted** because typically the trust agreement or law already provides adequate control over the trust fund resources.

ACCOUNTING PRINCIPLES AND POLICIES

FUND ACCOUNTING

The accounts of the City are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures as appropriate. Government resources are allocated to, and accounted for, in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The financial section in this budget is grouped by generic fund types and broad fund categories as follows:

Governmental Funds

General Fund
Special Revenue Funds
Capital Improvement Funds
Debt Service Funds

Proprietary Funds

Enterprise Funds
Internal Service Funds

BASIS OF ACCOUNTING AND BUDGETING

The City's **Governmental Fund Types** (General, Special Revenue, Debt Service and Capital Projects Funds) are accounted for and budgeted using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. Revenue considered susceptible to accrual includes property taxes, sales taxes, interest and motor vehicle license fees. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. An exception to the general rule is compensated absences not payable within one year, and interest and principal on long-term debt which are recorded when due.

Proprietary Fund Types are accounted for on an "income determination" or "cost of services" measurement focus. Accordingly, all assets and all liabilities are included on the balance sheets, and the reported fund equity (total reported assets less total reported liabilities) provides an indication of the economic net worth of the funds. The operating statements for the City's Proprietary Fund Types report increases (revenues) and decreases (expenses) in total economic net

worth. All Proprietary Fund Types are accounted for and budgeted using the accrual basis of accounting. Revenues are recognized when earned, and expenses are recognized when incurred.

FINANCIAL POLICIES

The following financial policies represent the long-standing principles and traditions which guide the City in its fiscal decisions.

FINANCE COMMITTEE

The City's Finance Committee is comprised of two councilmembers, (appointed by the Mayor) and the City Treasurer. The Committee meets quarterly with the City Manager to review and make recommendations on the City's budget, debt, and other financial actions.

AUDITING AND FINANCIAL REPORTING

- California state statute requires an annual audit of the books of account, financial records and transactions of all administrative departments of the City by Independent Certified Public Accountants.
- The City will produce annual financial reports in accordance with Generally Accepted Accounting Principles (GAAP) as outlined in Governmental Accounting, Auditing and Financial Reporting (GAAFR).

REVENUE POLICY

- The City will try to maintain a diversified and stable revenue system to shelter it from short run fluctuations in any one-revenue source.

ACCOUNTING PRINCIPLES AND POLICIES

- The City will follow an aggressive policy of collecting revenues, augmented in Fiscal Year 2002 by the implementation of the City's new cashing system.
- The City will establish all user charges and fees at a level closely related to the full cost (operating, direct, indirect and capital) of providing the service. The City will continue to review fees/charges periodically.

INVESTMENT OF IDLE FUNDS

- The safeguarding of all public monies shall be of the highest priority. Public money shall not be invested or managed in any manner, which would jeopardize the safety of the principal pursuant to California Government Code Section 53635.
- The City's investment policy is reviewed and approved annually by the City Council.
- Direct responsibility for managing the City's investment portfolio rests with the City Treasurer.
- All investments are made in accordance with the following criteria, stated in order of priority: safety, liquidity and yield.

PURCHASING POLICY

- The City's departments will purchase the best value obtainable, securing the maximum benefit for each tax dollar expended, while giving all qualified vendors an equal opportunity to do business with the City.
- All purchases with a total cost over \$50,000 must be procured by a formal bid and can only be authorized and awarded by the City Council.
- Whenever possible, local vendors shall be included as sources for all purchases.

RISK MANAGEMENT POLICY

- The City is self-insured against each general liability claim for the first \$750,000 and each workers' compensation claim for the first \$500,000 and \$750,000 for each GTrans claim against the City. The City carries insurance in excess of these amounts.
- The City's role in managing its risk management program is to be proactive, in nature, which will be accomplished through careful monitoring of losses, working closely with the third-party administrator and designing and implementing programs to minimize risk and reduce losses.

FIXED ASSET POLICY

- To safeguard the investment in fixed assets.
- To use the fixed asset system as a management tool for replacement of recurring items to avoid duplication and inefficient use of fixed assets.
- To comply with state laws and regulations.
- To provide information for preparation of financial statements in accordance with GAAP with emphasis placed on completion of GASB 34 requirements.
- When disposing of fixed assets, every effort should be made to recover some of the original cost by selling and or trading in the fixed asset.

CAPITAL IMPROVEMENT POLICY

- The City will develop a multi-year plan for capital improvements, update it annually and make all capital improvements in accordance with this plan.
- Immediate capital replacement needs and smaller capital projects are funded on a pay-as-you-go basis through a budget transfer.

ACCOUNTING PRINCIPLES AND POLICIES

- Capital improvements involve the outlay of substantial funds; therefore, the City prioritizes the use of non-general fund monies to support these expenditures.

DEBT POLICY

- To provide for proper planning of capital expenditures, financing requirements and guidelines for issuance of various debt instruments.
- To hold borrowing costs at a minimum and maintain ratios within established standards.
- To secure favorable ratings and competitive lower interest rates on all types of borrowing instruments, thereby providing a savings to all taxpayers.

BORROWING INSTRUMENTS

- Tax and Revenue Anticipation Notes to be issued no more than once a year. Maximum maturity of notes will be twelve months from date of issue. Notes will be rated by Moody's Investor Service, Standard and Poor's Ratings Group or Fitch Investors Service, L.P.
- Certificates of Participation (COPS) can be used as a financial alternative for acquiring assets.
- Revenue Bonds – City Council will evaluate all requests.
- Mello-Roos financing – City Council will evaluate all requests.

BUDGET – GENERAL POLICY

- City staff will present to the City Council a structurally balanced budget proposal that does not rely on “one-time” revenues. Annual recurring expenditures will be funded with annual recurring revenues.

- The City Council will, by June 30 of each year, adopt a structurally balanced operating and capital improvement spending plan for the ensuing fiscal year, where operating revenues are equal to, or exceed, operating expenditures.
- The City will align and amend as appropriate its operating and capital spending plan with its strategic action plan priorities and economic development plan.
- City staff will complete and present a quarterly Budget and Economic Condition Analysis to the Finance Committee. Recommended budget adjustments will be submitted to the City Council for consideration and approval.
- The City will establish and maintain a General Fund Reserve equal to at least twenty-five percent (25%) of its annual General Fund operating budget. The amount will be revised annually and such funds will be expended only with the approval of the City Council.

BUDGET – REVENUE

- Revenue projections will be based on multiple sources of information including, but not limited to, historical trends, federal, state and regional economic forecasts, service levels, changes in legislation and mandates and other statistical resources generally available.
- The City will develop and incorporate into each spending plan revenue and expenditure projections for five (5) additional years into the future and amend the projection annually as part of the budget review.
- When projecting revenues, the City will take into consideration the diversity, volatility and stability of its revenue stream and will as much as possible base its core operating cost on historically stable revenue sources.

ACCOUNTING PRINCIPLES AND POLICIES

- The City will stabilize its revenue base by forecasting its annual operating expenditures on diverse revenue sources and limiting revenue growth projections in each revenue category.
- Revenues received in excess of the budgeted projections will be used for one-time expenditures or set aside as reserve.

BUDGET – EXPENDITURES

- Expenditures will be budgeted realistically for each expenditure category and can be adjusted internally as may become necessary but will not exceed appropriation limits.
- Contingency funds will be included in the annual budget to provide funding for unanticipated operating cost increases, one-time purchasing opportunities and one-time emergency expenditures to repair equipment and facilities. Unexpended funds will carry-over to the next fiscal year.
- In considering reductions in service levels, program cuts, or staffing reductions, the city will first assess options to improve operational efficiencies and develop additional revenues to cover the cost to continue the existing level of public service with existing Budget Policies.

- Limiting Cost with Fees for Service: Certain services are used selectively by a limited number of participants and, therefore, are not mandated City services. These services are provided based on individual interest and are provided only as funding is available. To fund these programs without limiting basic services necessary for the general public, the City will perform a cost analysis to identify the city's fully burdened cost for providing those services and, to the extent reasonable, set the fee based on full cost recovery. Such fees shall be updated frequently to ensure that the fees are reflective of actual city costs for the delivery of services.
- Unexpended funds within a fiscal year will be held in reserve or appropriated for one-time expenditures.

BUDGET – CAPITAL IMPROVEMENT

- Capital improvements will be financed primarily through special revenue funds, user fees, service charges, and developer agreements when benefits can be specifically attributed to users of the facilities.
- The City will analyze the impact of capital improvements to ensure that operational and maintenance costs are balanced with on-going revenue to support facility operations.

CITY FACILITIES AND PROPERTIES

① **City Hall Administrative Offices and Campus** **1700 West 162nd Street**

The Administrative Offices have approximately 25,975 square feet of building space, which includes City Council Chambers, a Council Chambers Conference Room, 32 administrative offices and 9 bathrooms. The buildings were built in 1962; and in fiscal year 2001-2002, the Administrative Office building was renovated with automatic sliding glass doors to comply with the Americans with Disabilities Act. The campus lawn in front of City Hall was dedicated on June 12, 1982, as the **Lucille Randolph Plaza**, in honor of the City Clerk who served the City for twenty-three years.

② **Police Headquarters** **1718 West 162nd Street**

The Police Headquarters has approximately 63,475 square feet of site area and approximately 23,690 square feet of building space that includes a one-story brick masonry police headquarters structure (Class C construction). Built in 1963, the needs of the department have far outgrown the building's capacity. Separate modular units have been constructed in the parking lot, and on an adjacent property to serve as annex offices.

③ **Fire Department Headquarters** **1650 West 162nd Street**

The Fire Department Headquarters has approximately 27,925 square feet of site area and approximately 17,975 square feet of building space, which includes a two-story brick masonry fire station building (Class C construction). The building was built in 1963 and is currently leased to the Los Angeles County Fire District. The City contracts with the Los Angeles County Fire District for the provision of fire services.

④ **Fire Station 2** **2030 West 135th Street**

Fire Station 2 has approximately 26,140 square feet of site area and approximately 5,949 square feet of building space, which includes a pre-cast concrete fire station structure. The fire station structure was built in 1957 and includes an apparatus garage, offices, kitchen, dining area,

chief's quarters, dormitory and training tower. The fire station structure is currently leased to the Los Angeles County Fire District. The City contracts with the Los Angeles County Fire District for the provision of fire services.

⑤ **Public Works Building and Maintenance Yard** **1717 West 162nd Street**

The Public Works Building has approximately 11,825 square feet of building space, which includes 10 administrative offices and 5 bathrooms. The buildings were built in 1968 and 1990; and in fiscal year 2003-2004, the building was renovated with automatic sliding glass doors to comply with the Americans with Disabilities Act. In addition, a City yard is adjacent to the Public Works Building to create a total land area of 1.850 acres.

⑥ **Kiyoto "Ken" Nakaoka Community Center** **1670 West 162nd Street**

The Community Center has approximately 17,137 square feet of building space, which includes 6 classrooms, 4 offices, a kitchen and an auditorium that can accommodate up to 280 people. The building was built in 1975 and dedicated June 7, 1975. On December 13, 1989, an expansion was dedicated in honor of the first Japanese-American to be elected (1966) to a City Council position in the United States, and the first elected Mayor of the City. During fiscal year 2001-2002, the Community Center was renovated with automatic sliding glass doors to comply with the Americans with Disabilities Act.

Located in the Nakaoka Community Center, the **Lucien "Lou" Lauzon Memorial Auditorium** was dedicated August 22, 1981, in honor of his active community support, which included serving as a member of the Citizens Advisory Committee and the Beautification Committee.

⑦ **Ernest J. Primm Memorial Pool and James Rush Gymnasium** **1651 West 162nd Street**

The pool and gymnasium have approximately 62,650 square feet of site area and approximately 19,623 square feet of building space, which includes a one-story masonry gymnasium (Class C construction). The building was built in 1979. The Human Services Division offices are

located in this building. The roof of the gymnasium was renovated in fiscal year 2002-2003, and the administrative office of the gymnasium was renovated with automatic sliding glass doors in fiscal year 2004-2005 to comply with the Americans with Disabilities Act.

The pool was dedicated as the **Ernest J. Primm Memorial Pool** on April 22, 1962, in honor of the founder of the card clubs in Gardena. On June 30, 1979, the gymnasium was rededicated as the **James Rush Memorial Gymnasium** in honor of the former Councilmember and Mayor of Gardena (1942 – 1956). Mr. Rush was also involved in the planning of the civic center grounds.

As approved in 2021, this site is the future home of the Gardena Community Aquatic & Senior Center.

⑧ The Army National Guard 2100 West 154th Street

A portion of the former Municipal Transportation Facility, 1.72 acres, was sold for development of residential units in 2015. The remaining portion of the property is leased to the State of California for use as a National Guard post.

⑨ GTrans Administration, Operations, and Maintenance Facility 13999 South Western Avenue

The new transit facility opened in May 2009, on a 9.1-acre site that accommodates a fleet of 100 buses, plus paratransit and support vehicles. The facility is designed as a “Green Building,” emphasizing energy efficiency and environmental sensitivity and includes solar panels for power generation, bus simulators for operator training, and current technology in bus maintenance equipment.

The administration and operations building is approximately 24,000 square feet in area. The maintenance building is approximately 45,000 square feet with a 4,000 square foot bus-wash structure and 2,800 square foot fuel island. A photovoltaic panel shade structure provides covered parking.

⑩ Rosecrans Community Property 2500 West Rosecrans Avenue

Approximately 1.07 acres of land. This property was acquired in September 2021 to be redeveloped for recreational or other civic use.

CITY PARK FACILITIES

(A) Sister-City Parkette - 160th Street/Harvard Boulevard

Sister-City Parkette was renamed in August 2013 from Harvard Parkette. The Parkette was dedicated in November 1958 as a neighborhood play area, is 0.19 acre and includes a slide and jungle gym, swings, and lunch benches.

(B) Vincent Bell Memorial Park - 14708 South Halldale Avenue

This 1.87-acre park was dedicated on May 26, 1972, in honor of a City Councilman who died in office shortly after his election in 1970. The facility is equipped with a recreation room, baseball diamond, outdoor basketball court, handball court, two tiny tot play areas, two picnic shelters, and a police office.

(C) Edward L. Thornburg Park - 2320 West 149th Street

The Edward L. Thornburg 2.39-acre park was named for the developer who donated the land in 1953. The facility is equipped with a recreation room, baseball diamond, two outdoor basketball courts, handball court, tiny tot play area, picnic shelter, martial arts room, and horseshoe pit.

(D) George H. Freeman Memorial Park - 2100 West 154th Place

This 2.71-acre park was dedicated on April 11, 1957, in honor of George Freeman, who served as the first City Recreation Director. The park is equipped with two recreation rooms, a baseball diamond, basketball court, handball court, tennis court, tiny tot play area, picnic shelter, and police office.

CITY FACILITIES AND PROPERTIES

(E) Mas Fukai Park - 15800 South Brighton Avenue

4.53 acres were purchased from the County and dedicated as a City park in 1960. In June 2000, the Gardena City Council rededicated Recreation Park as Mas Fukai Park. Masani “Mas” Fukai was elected to Council in 1974 and served until his retirement in 1998. Mas, as his friends and associates call him, also served for five years as the Chief Deputy to then Los Angeles County Supervisor Kenneth Hahn. The facility is equipped with three recreation rooms, three baseball diamonds, two basketball courts, a handball court, tiny tot play area, picnic shelter, and kitchen.

(F) Paul A. Rowley Memorial Park - 13220 South Van Ness Avenue

This 18.17-acre park was dedicated July 21, 1962, in honor of the first City Administrative Officer, 1959 – 1962. Mr. Rowley died of a heart attack in June 1962, while addressing a public affair at the park. The park was originally named Van Ness Park, when it opened in 1959. The expansion of the park facilities, which included the addition of a gymnasium, was dedicated February 12, 1990. The facility is equipped with two recreation rooms, a gymnasium, four baseball diamonds, three outdoor basketball courts (one full and two half), a skate park opened in March 2012, four tennis courts, two tiny tot play areas, three picnic shelters, a kitchen, auditorium, weight room, teen center, and police office.

(G) Arthur Lee Johnson Memorial Park - 1200 West 170th Street

This 7.5-acre park, originally dedicated July 9, 1977, as South Park, was rededicated on January 13, 2007 as Arthur Lee Johnson Memorial Park. Arthur Johnson marched with Dr. Martin Luther King, Jr. in the civil rights movement, founded the Gardena Dr. Martin Luther King, Jr. Cultural Committee, and served as its president for twenty years. In 1973, his efforts made Gardena the first city west of the Mississippi to honor Dr. King’s birthday with an annual commemorative celebration. Mr. Johnson served as a Planning and Environmental Quality Commissioner for twelve years. His many years of community service earned him the Gardena Black History Month Trailblazer Award and a place on the City’s Wall of Fame.

The Arthur Lee Johnson Memorial Park is equipped with a recreation room, two basketball courts, a skate park opened in June 2012, four tennis courts, a tiny tot play area, picnic shelter, soccer field, police shooting range, and entrance to the Gardena Willows Wetland.

CITY OF GARDENA COMMISSIONS, CORPORATIONS, AGENCIES, BOARDS, ADVISORY GROUPS, COMMITTEES AND ASSOCIATIONS

The Mayor and City Council appoint members to Commissions, Corporations, Agencies, Boards, etc. to advise the City on important programs and policy decisions. Public participation, therefore, is a vital component of the City's governing system. In addition, there are other important Committee and Association members who meet on a regular basis but are not appointed by the Mayor and City Council. All of the meetings are open to the public.

APPOINTED COMMISSIONS

PLANNING AND ENVIRONMENTAL QUALITY COMMISSION

Composed of five members, this Commission was created in compliance with the State Government Code as an advisory agency to the City Council on all matters of land use and the environment. Its responsibilities are to investigate and report on the design and improvement of adopted subdivisions, and to submit reports and recommendations to the City Council on matters relating to zoning, land use, environment, the City's General Plan, and other related matters.

RECREATION AND PARKS COMMISSION

This Commission is composed of five members who advise the Council on matters relating to recreation and parks within the City. The Commission considers, advises, and/or recommends to the City Council the needs of the City pertaining to the acquisition, development, and use of facilities, buildings and structures for recreational and park purposes; promotes public interest in recreation and parks programs and regulations; and consults and confers with public officials and agencies, citizens, civic, educational, professional, and other organizations.

SENIOR CITIZENS COMMISSION

This Commission is composed of five members, appointed by the City Council, who advise them on all matters relating to the needs and concerns of the City's older adult population. The Commission coordinates its activities with those of the Affiliated Committee on Aging.

HUMAN SERVICES COMMISSION

The Human Services Commission is composed of five members who are responsible for the development and utilization of available resources to meet needs within the City. The Mayor and each Councilmember appoint one member. The Commission advises the Council on all matters relating

to social conditions within the City, assesses and reports to the Council the social needs of the citizenry, and advises the Human Services Division regarding policy and program direction for meeting such needs and making appropriate recommendations to the Council.

GARDENA YOUTH COMMISSION

The Youth Commission is composed of five members appointed by the City Council and five "at-large" members approved by the Commission and ratified by the City Council. The Commission identifies and evaluates youth and community issues and projects and makes recommendations to the City Council to resolve such issues. Commission members also work as volunteers with community groups, organizations, and Recreation and Human Services programs.

APPOINTED CORPORATIONS / AGENCIES / BOARDS

CITY OF GARDENA FINANCING AGENCY

The Agency was created in July 1991 as a Joint Powers Authority between the City of Gardena and the Gardena Parking Authority. The Agency provides for financing of the acquisition, construction and improvement of Public Capital Improvements, for working capital requirements, and for liability or other insurance programs of the City and the Parking Authority.

BOARD OF APPEALS

This board is comprised of the members of the Planning and Environmental Quality Commission, with the building official as an ex-officio member. The Board is governed by the same procedures as the Planning and Environmental Quality Commission. The Board determines the suitability of alternate materials and methods of construction and provides reasonable interpretations of the provisions of the Uniform Building Code. The Board also determines whether a building constitutes a menace to public safety, and whether repairs, alterations, or demolition are necessary to abate the menace to public safety.

RENT MEDIATION BOARD

This fifteen-member Board is composed of five landlords, five tenants, and five members-at-large, all of whom are appointed by the City Council to assist citizens in mediating rental increase-related disputes.

CITY OF GARDENA COMMISSIONS, CORPORATIONS, AGENCIES, BOARDS, ADVISORY GROUPS, COMMITTEES AND ASSOCIATIONS

HOUSING APPEALS BOARD

This Board, consisting of members of the Planning and Environmental Quality Commission, is authorized by the City Council to hear all appeals relating to violations of housing standards and is governed by the provisions of the Uniform Housing Code. The Community Development Director serves as secretary to the Housing Appeals Board.

APPOINTED ADVISORY GROUPS

GARDENA ECONOMIC BUSINESS ADVISORY COUNCIL (GEBAC)

Established in May 2016, its mission is to promote economic opportunities by establishing and preserving a business and job friendly environment to attract and retain businesses, industry and commerce, that will enhance Gardena's economic viability, financial stability, and improve the overall quality of life of its residents. GEBAC has the following goals:

- Promote new business development opportunities;
- Strengthen the relationship between the City and the business community;
- Support retention and attraction of diversified tax base for the long-term viability of the City;
- Provide support on issues affecting the economy and quality of life in the City
- Review City business practices and programs to ensure the City of Gardena remains business friendly

The Council consists of eleven members from the business community within the City of Gardena. GEBAC meets the 3rd Wednesday of odd months at 4:00 p.m.

GARDENA BEAUTIFICATION COMMITTEE

This Committee has a maximum of nine voting members who study and make recommendations to the City Council relating to the beautification and livability of all areas of the City of Gardena. The Chairperson is a member of the City Council. Five of the members are appointed by the City Council, and the remaining three at-large members are nominated by the Committee Chair and ratified by City Council. Committee projects include elimination of graffiti, beautification of streets and parkways; tree planting, and other related activities.

NON-APPOINTED COMMITTEES / ASSOCIATIONS:

GARDENA VALLEY AFFILIATED COMMITTEE ON AGING

The Gardena Valley Affiliated Committee on Aging is composed of a five-member board of directors and members at large, who assist and coordinate the work of community organizations, government agencies, and private entities concerned with the betterment of living conditions for the aging. They coordinate events, activities and programs into a unified approach that will meet the economic and social needs of the elderly, and those in need of assistance throughout the greater Gardena community. The committee advises the Gardena Senior's Bureau and the Gardena Senior Citizen's Commission on all matters relating to the needs and concerns of the City's older adult population.

GARDENA SISTER CITY ASSOCIATION

The Gardena Sister City Association, comprised of community volunteers, has been active in promoting international friendship for over five decades. The program's goal is to learn more about the community, enjoy the hospitality, and build personal contacts with other cultures. This is done through adult and youth exchange programs that encourage person-to-person visitations in each city. **Ichikawa, Chiba, Japan** has been an official Sister City to Gardena since 1962 and **Huatabampo, Sonora, Mexico**, since 1973. Gardena has also maintained an unofficial mutual friendship with Rosarito, Baja, California, Mexico for many years.

GARDENA POLICE FOUNDATION

The Gardena Police Foundation is a partnership of citizens, businesses, and philanthropic organizations whose mission is to provide additional resources to improve public safety. Incorporated in September 2006 as an independent 501(c)3 non-profit organization, the Foundation relies solely on donations and fundraising efforts. The Board of Directors actively raises money from the community and awards grants directly to the police department in response to the department's request for program, training and equipment needs not included in the City's budget.

GARDENA TRAFFIC COMMITTEE

The City Traffic Committee is composed of City staff persons, including the Chief of Police; Recreation, Human Services, Parks, & Facilities Director; and the Transportation Director. This Committee advises the City concerning traffic-related matters including, but not limited to, parking, stop signs, signals, and congestion, etc.

CITY OF GARDENA COMMISSIONS, CORPORATIONS, AGENCIES, BOARDS, ADVISORY GROUPS, COMMITTEES AND ASSOCIATIONS

MLK & CINCO DE MAYO COMMITTEES

Dr. Martin Luther King, Jr. Cultural Committee of Gardena was founded in 1972 by Arthur Johnson, a chemist and educator who originally wanted Gardena to honor Dr. King with a city holiday. The committee is made up of volunteers from the community. The annual event activities include a parade, a battle of the bands, an annual youth night, and the essay contest.

Cinco de Mayo Scholarship and Festival Committee of Gardena is made up of volunteers from the community. The annual Gardena's Cinco de Mayo celebration is one of the South Bay's longest running Cinco de Mayo events and its goal is to share some of the area's Latino heritage and culture.

A "structurally balanced budget" projects revenues to exceed expenditure appropriations within the term of the budget. The City's fiscal year (term) is from July 1 - June 30 so expenditure appropriations must be made within revenue projections. The variance between revenue and expenditures is referred to as the "delta" (^) and may be positive, reflecting a structurally balanced budget, or negative, indicating a structural imbalance. A structural imbalance is normally the result of the revenue being received in a prior fiscal year. When a positive delta exists at the end of a fiscal year, revenues may be appropriated to expend in the next fiscal year or may be set aside as a reserve to be used for an emergency or one-time opportunities. Fund balance reserves are not intended to offset normal operating cost or to balance an unstructured budget. The General Fund is the only fund that is totally discretionary and therefore must balance a negative delta in any fund; conversely other funds may not be used to balance a negative delta in the General Fund.

A "structurally balanced budget" projects revenues to exceed expenditure appropriations within the term of the budget. The City's fiscal year (term) is from July 1 - June 30 so expenditure appropriations must be made within revenue projections. The variance between revenue and expenditures is referred to as the "delta" (^) and may be positive, reflecting a structurally balanced budget, or negative, indicating a structural imbalance. A structural imbalance is normally the result of the revenue being received in a prior fiscal year. When a positive delta exists at the end of a fiscal year, revenues may be appropriated to expend in the next fiscal year or may be set aside as a reserve to be used for an emergency or one-time opportunities. Fund balance reserves are not intended to offset normal operating cost or to balance an unstructured budget. The General Fund is the only fund that is totally discretionary and therefore must balance a negative delta in any fund; conversely other funds may not be used to balance a negative delta in the General Fund.

GARDENA MUNICIPAL BUS LINES

GTRANS

CITY OF GARDENA

Providing transit service to the City of Gardena and surrounding communities for over 84 years, GTrans provides safe and reliable transportation to the communities we serve. Providing nearly 2 million trips annually using a fleet of alternatively-fueled, zero-emission buses, the service area extends to various cities in the South Bay. In addition, GTrans operates a paratransit service called Flexi for seniors and person with disabilities residing in the City of Gardena.

GOAL #1

Develop and implement employee training programs to improve customer service, leadership, and communication skill sets.

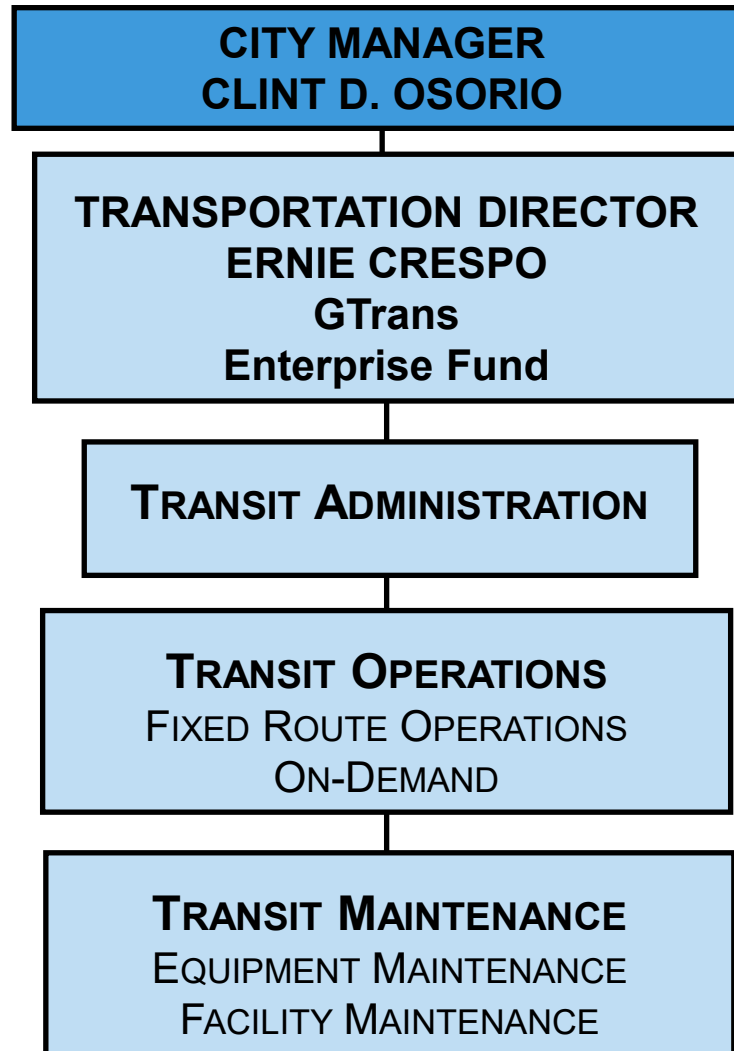

GOAL #2

Design and construct infrastructure to support both Compressed Natural Gas fueling and the charging of zero-emission battery electric buses and energy generation through installation of charging stations, solar panels and battery storage.

GOAL #3

Identify and implement new service opportunities that will provide improved mobility for GTrans customers, and promote efficiencies within the design and operation of the service.

POLICE DEPARTMENT

CITY OF GARDENA

Our role is to foster a responsible partnership with the community to identify, reduce, eliminate, and prevent problems that impact community safety and order. Our employees provide law enforcement services directed toward achieving the goals and objectives of the Police Department and the City. While adhering to the Law Enforcement Code of Ethics, we execute our activities along with our fellow departments to ensure that all work efforts effectively mobilize the resources of the department to promote public safety in our community.

GOAL #1

Succession Planning:
Develop innovative ways to recruit, mentor, and retain the next generation of employees at the Gardena Police Department.

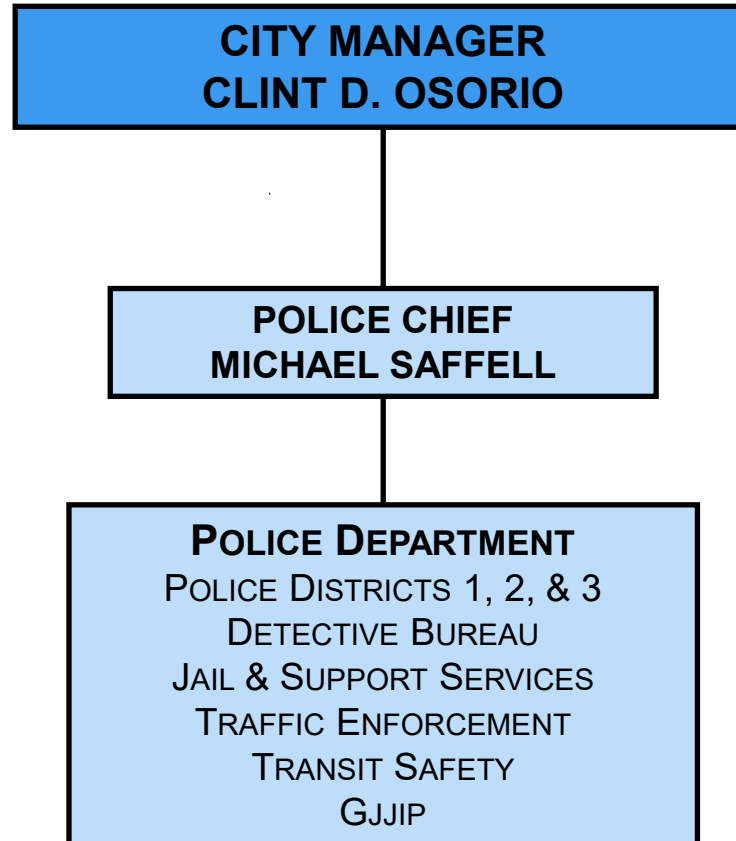

GOAL #2

District Policing:
Continue to evolve our community policing outreach to strengthen trust with our community partners.

GOAL #3

Innovation & Technology to Create a Safer Future:
Use innovation and technology to increase safety and effectiveness when impacting crime and disorder.

INTERNAL SERVICE FUNDS PROPOSED BUDGET FY 24/25 – FY 25/26

INTERNAL SERVICE FUNDS

PUBLIC SERVICE GOAL: *To continually build and maintain adequate reserves through annual budget contributions to protect the City's investment in the cost of insurance and other ongoing administrative obligations.*

Internal Service Funds are established to cover the cost of insurance and other ongoing administrative obligations and to separate these funds from the General Fund account. The City is self-insured for general liability, worker's compensation and employee health benefits coverage. Funds in these accounts are used to pay all self-insured losses and related administrative costs with the balance in each account at the end of the fiscal year accumulated as reserves against future liabilities.

SELF - INSURANCE PROGRAMS

The City retains the services of Third-Party Administrators (TPA) to handle claims for general liability, worker's compensation and health care claims. Current services are provided by:

General Liability Claims – Carl Warren & Co.

Workers Compensation Claims – LWP Claims Solutions

Health Benefits Plan – Pinnacle Claims Management

- **General Liability**

The General Liability Fund provides for the City's general liability, self-insurance program, and other insurance needs in order to reduce cost and provide better control; to provide for the administration and legal service necessary for the operation of this program; to provide insurance protection against catastrophic loss or losses and to provide payment of liability insurance purchased in excess of the City's self-insurance limits.

Charges to departments are established by the Director of Administrative Services and included in the budget manual. Upon recommendation from the finance committee, additional reserves may be transferred at year-end from the General Fund reserves.

- **Workers Compensation**

The Workers Compensation Fund is established to pay administrative and legal services necessary for the operation of this program; to provide payment of compensation benefits and medical expenses associated with industrial injuries; to provide insurance protection against a catastrophic loss or losses; to review and analyze the City's industrial injury risks and determine the most suitable means of reducing employee exposure, and to develop procedures for the administration of the City's Self-Insurance Compensation and Safety Program.

Charges to departments are established by the Director of Administrative Services and included in the budget manual.

INTERNAL SERVICE FUNDS

PUBLIC SERVICE GOAL: *To continually build and maintain adequate reserves through annual budget contributions to protect the City's investment in the cost of insurance and other ongoing administrative obligations.*

- **Health Benefits**

The City is self-insured for health benefits for its employees and purchases reinsurance to transfer some of its risk. Rates are set by the Health Benefits Committee, which is comprised of management and one employee from each of the employee bargaining groups. The committee reviews the cost of health care, changes in benefits, and market trends in order to establish the rate for health insurance. Fund levels are set at a 70% confidence rate.

The fund is supported through contributions of both employees and the City as negotiated each year with the employee bargaining groups. The City's contribution is \$1,531 per month for the employee and one dependent. Employees contribute an additional \$494 per month if they have more than one dependent insured. Rates for life insurance varies depending on the bargaining group.

Internal Service Funds	Audited 2022-2023	Adopted 2023-2024	Proposed 2024-2025	Proposed 2025-2026

APPENDIX

ACCOUNTING SYSTEM

The total set of records and procedures that are used to record, classify, and report information on the financial status and operations of an entity.

ACCOUNTS PAYABLE

Amounts owing to private persons, firms, or corporations for goods and services received.

ACCOUNTS RECEIVABLE

Amounts owing from private persons, firms, or corporations for goods and services furnished.

ACCRUAL

Transactions and events are recognized as revenues/gains or expenses/losses when they occur, regardless of the timing of the related cash flows.

ADOPTION

Formal action by the City Council that sets the spending path for the fiscal year.

ALLOCATION

The practice of spreading costs among various cost centers on some predetermined reasonable basis (e.g., percentages) as opposed to distribution of expenses on a unit charge or direct identification basis.

ACTIVITY

A specific unit of work or service performed.

APPROPRIATION

An authorization made by the City Council that permits officials to incur obligations against and to make expenditures of governmental resources. Appropriations are usually made for fixed amounts and are typically granted for a one-year period.

APPROPRIATION ORDINANCE

The official enactment by the City Council establishing the legal authority for the City officials to obligate and expend resources.

ASSESSED VALUATION

The estimated value placed upon real and personal property by the County Assessor as the basis for levying property taxes.

ASSETS

The entries on a balance sheet showing all properties and claims against others that may be used directly or indirectly to cover liabilities.

AUDIT

A systematic examination of resource utilization concluding in a written report. It is a test of management's internal accounting controls and is intended to:

- Ascertain whether financial statements fairly present financial positions and results of operations;
- Test whether transactions have been legally performed;
- Identify areas for possible improvements in accounting practices and procedures;
- Ascertain whether transactions have been recorded accurately and consistently; and
- Ascertain the managerial conduct of officials responsible for governmental resources.

BALANCE SHEET

A statement purporting to present the financial position of an entity by disclosing its assets, liabilities, and fund equities as of a specific date. Under varying circumstances, assets are carried at "lower of cost or market," "cost less allowance for depreciation," etc.

BOND (Debt Instrument)

A written promise to pay (debt) a specified sum of money (called principal or face value) at a specified future date (called the maturity date) along with periodic interest paid at a specified percentage of the principal (interest rate). Bonds are typically used for long-term debt to pay for specific capital expenditures.

BUDGET (Operating)

A plan of financial operation embodying an estimate of proposed expenditures for a given period (typically a fiscal year) and the proposed means of financing them (revenue estimates). The term is also sometimes used to denote the officially approved expenditure ceilings under which the City and its departments operate.

BUDGET CALENDAR

The schedule of key dates or milestones which the City follows in the preparation and adoption of the budget.

BUDGET MESSAGE (City Manager's)

A general discussion of the proposed budget presented in writing as a part of, or supplement to, the budget document. The budget message explains principal budget issues against the background of financial experience in recent years and presents recommendations made by the City Manager.

CAPITAL ASSETS

Assets of significant value and having a useful life of more than one year. Capital assets are also called fixed assets.

CAPITAL BUDGET

A plan of proposed capital expenditures and the means of financing them. The capital budget is enacted as part of the City's consolidated budget which includes both operating and capital outlays, and is based on a capital improvement program (CIP).

CAPITAL IMPROVEMENT PROGRAM (CIP)

A plan for capital expenditures to be incurred each year over a period of ten future years setting forth each capital project, the amount to be expended in each year, and the method of financing those expenditures.

CAPITAL OUTLAYS

Expenditures for the acquisitions of capital assets. Includes the cost of land, buildings, permanent improvements, machinery, large tools, rolling, and stationary equipment.

CAPITAL PROJECTS

Projects which purchase or construct capital assets. Typically a capital project encompasses a purchase of land and/or the construction of a building or facility.

CAPITAL PROJECTS FUND

Used to account for financial resources used for the acquisition or construction of major capital facilities (other than those financed by Proprietary Funds).

CERTIFICATE OF DEPOSIT

A negotiable or non-negotiable receipt for monies deposited in a bank or financial institution for a specified period and rate of interest.

COMMODITIES

Items of expenditure (in the operating budget) which after use, are consumed or show a material change in their physical condition, and

which are generally of limited value and are characterized by rapid depreciation, i.e. office supplies and motor fuel.

CONTINGENCY

A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted for.

CONTRACTUAL SERVICES

Items of expenditure for services the City receives from an internal service fund or an outside company. Utilities, rent and maintenance service agreements are examples of contractual services.

CONSUMER PRICE INDEX (CPI):

A statistical description of price levels provided by the U.S. Department of Labor. The change in this index from year to year is used to measure the cost of living and economic inflation.

DEBT SERVICE

Payment of interest and repayment of principal to holders of the City's debt instruments.

DEBT SERVICE FUND

Used to account for the accumulation of resources for, and payment of, general long-term debt.

DEFICIT

- The excess of entity's liabilities over its assets (See Fund Balance).
- The excess of expenditures or expenses over revenues during a single accounting period.

DEPARTMENT

An organizational unit comprised of one or more divisions.

DEPRECIATION

Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence.

- That portion of the cost of a capital asset, which is charged as an expense during a particular period.

DEBT RATIO

A ratio that indicates the proportion of debt compared to assets, calculated by dividing total debt by total assets.

DIVISION

A program or activity, within a department, that furthers the objectives of the City Council by providing services or products.

ENCUMBRANCES

Obligations in the form of purchase orders or contract commitments, which are chargeable to an appropriation and for which a part of the appropriation is reserved. They cease to be encumbrances when paid or when an actual liability is set up.

ENTERPRISE FUND

Separate financial accounting used for government operations that are financed and operated in a manner similar to business enterprises, and where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public be financed or recovered primarily through user charges, or where the governing body had decided that periodic determination of net income is appropriate for capital maintenance, public policy, management control, or other purposes (i.e. utilities and transit systems).

EXPENDITURES

Where accounts are kept on the accrual or modified accrual basis of accounting, the cost of goods received or services rendered whether cash payments have been made or not. Where accounts are kept on a cash basis, expenditures are recognized only when the cash payments for the above purposes are made.

FISCAL YEAR

The City's fiscal year is based on the twelve-month period beginning July 1st and ending the following June 30th.

FIXED CHARGES

Items of expenditure for services rendered by internal operations of the City. Examples include: rental equipment, computer services, building rental, indirect operating expenses, and depreciation.

FRINGE BENEFITS

Included are employee retirement, social security, Medicare, health, dental, life insurance, workers' compensation, uniforms, and deferred compensation plans.

FULL FAITH AND CREDIT

A pledge of the City's taxing power to repay debt obligations (typically used in reference to General Obligation Bonds or tax-supported debt).

FUND

An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives.

FUND BALANCE

The excess of an entity's assets over its liabilities. A negative fund balance is sometimes called a deficit.

GENERAL FUND

The fund supported by taxes, fees and other revenues that may be used for any lawful purpose. The general fund accounts for all financial resources except those required to be accounted for in another fund.

GENERAL OBLIGATION BONDS

When the City pledges its full faith and credit to the repayment of the bonds it issues, then those bonds are general obligation (G.O.) bonds. Sometimes the term is also used to refer to bonds, which are to be repaid from taxes and other general revenues. In California, G.O. bonds must be authorized by public referenda with two-thirds voter approval.

GOVERNMENTAL ACCOUNTING STANDARDS BOARD

To establish and improve standards in governmental accounting and financial reporting that will result in useful information.

INTERGOVERNMENTAL GRANT

A contribution of assets (usually cash) by one governmental unit or organization to another. Typically, these contributions are made to local governments from the State and Federal governments. Grants are usually made for specified purposes.

INTERNAL SERVICE FUND

Funds used to account for the financing of goods or services provided by one department or agency to another department or agency within the same organization.

INVESTMENT

Securities and real estate purchased and held for the production of income in the form of interest, dividends, rental or base payments.

LIABILITY

Debt or other legal obligations arising out of transactions in the past, which must be liquidated, renewed or refunded at some future date; financial obligations entered in the balance sheet. NOTE: The term does not include encumbrances.

MATURITIES

The dates on which the principal or stated values of investments or debt obligations mature and may be reclaimed.

MODIFIED ACCRUAL

Revenues are recognized when measurable and available to liquidate liabilities of the current period. Expenditures are recognized when an event or transaction is expected to draw on current or available resources.

MUNICIPAL CODE

A book containing City Council Approved Ordinances currently in effect. The Code defines City Policy in various categories (i.e., building regulations, planning and zoning regulations, sanitation and health standards, and traffic regulations).

OBJECT OF EXPENDITURE

Expenditure classifications based upon the types of categories of goods and services purchased. Examples include:

- personnel services (salaries and wages)
- contractual services (utilities, maintenance contracts, travel)
- commodities
- fixed charges (rental of City equipment, City building rental)
- capital outlays

OBJECTIVES

Departmental statements describing significant activities to be accomplished during the fiscal year.

OPERATING FUNDS

Resources derived from recurring sources used to finance ongoing operating expenditures and pay-as-you-go capital projects.

ORDINANCE

A formal legislative enactment by the governing board (City Council) of a municipality. If it is not in conflict with any higher form of law, it has the full force and effect of law within the boundaries of the municipality to which it applies.

PERFORMANCE MEASURES

Specific quantitative measures of work performed within an activity or program (e.g., total miles of streets cleaned). A specific quantitative measure of results obtained through a program or activity (e.g., reduced incidence of vandalism due to new street lighting program).

PERSONNEL SERVICES

Items of expenditures in the operating budget for salaries and wages paid for services performed by City employees, the incident fringe benefit cost associated with City employment, and amounts paid to outside firms, consultants, or individuals for contract personnel services.

PROGRAM

An activity, or division, within a department, which furthers the objectives of the City Council, by providing services or a product.

RATING

The credit worthiness of a City as evaluated by independent agencies.

REIMBURSEMENTS

Payments remitted by another agency, department, or fund to help defray the costs of a particular service or activity for which some benefit was obtained by the reimbursing party. These amounts are recorded as expenditures, or expenses in the reimbursing fund and as a reduction of expenditures, or expenses, in the fund that is reimbursed.

RESERVE

An account used to indicate that a portion of fund equity is legally restricted for a specific purpose, or set aside for emergencies or unforeseen expenditures not otherwise budgeted for. Reserve accounts can also be used to earmark a portion of fund balance to indicate that it is not appropriate for expenditures.

RESOLUTION

A special order of the City Council which requires less legal formality than an Ordinance in terms of public notice and the number of public readings prior to approval. A Resolution has lower legal standing than an Ordinance. The adopted operating budget is approved by Resolution and requires a majority vote of the Council members present at the time of adoption.

RESOURCES

Total dollars available for appropriations including estimated revenues, fund transfers, and beginning fund balances.

REVENUE

The term designates an increase to a fund's assets which:

- does not increase a liability (e.g., proceeds from a loan);
- does not represent a repayment of an expenditure already made;
- does not represent a cancellation of certain liabilities; and
- does not represent an increase in contributed capital.

REVENUE BONDS

When a government issues bonds, which do not pledge the full faith and credit of the jurisdiction, it issues limited liability revenue bonds. Typically, pledges are made to dedicate one specific revenue source to repay these bonds. In addition to a pledge of revenues, such bonds sometimes may be secured by a lien against property.

REVENUE ESTIMATES

A formal estimate of how much revenue will be earned from a specific revenue source for some future period; typically, a future fiscal year.

REVOLVING ACCOUNT

A reserve account that is funded by the amortization of a capital asset value charged annually to the user department with the accumulated funds used to replace the asset when it has reached the end of its normal life cycle.

SALARIES AND BENEFITS

An operating budget category which generally accounts for full-time and part-time salaries, overtime costs, and fringe benefits.

SOURCE OF REVENUE

Revenues are classified according to their source or point of origin.

SPECIAL REVENUE FUND

Used to account for the proceeds of special revenue sources that are restricted by law (or administrative action) to expenditures for specific purposes.

SUPPLIES AND SERVICES

This budget category accounts for all nonpersonnel, and noncapital outlay expenses (i.e., building/structure maintenance, contractual services, equipment maintenance, office supplies, small tool purchases, and utility costs).

TAXES

Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits, such as special assessments. Neither does this term include charges for services rendered only to those paying such charges.

TRIPLE-FLIP

The revenue formula the State of California imposed on local government. The formula modifies (flips) the rate of distribution of three (triple) revenue sources that are passed through and distributed by the State: property tax, sales tax and motor vehicle-in-lieu fees.

TRANSFERS IN/OUT

Payments from one fund to another fund, primarily for work or services provided.

TRUST AND AGENCY FUND

A type of fund that temporarily holds monies for other agencies or legal entities.

UNIT COST

The cost required to produce a specific product or unit of service (e.g., the cost to purify one thousand gallons of water).

USER CHARGES (also known as USER FEES)

The payment of a fee for direct receipt of a public service by the party benefiting from the service.

YIELD

The rate earned on an investment based on the price paid.
