

# Ranking Order Determined by Lottery – Marine Place Project

On December 19, 2024, the City held lotteries to establish the ranking order for applicants seeking one of the two low-income units at the Marine Place Project, located at 2545 Marine Avenue in Gardena. The project includes one studio unit and one one-bedroom unit, dedicated for low-income households. Applicants were assigned unique identifier numbers, which were used during the lottery drawing and which are listed below in the order of selection.

The City will review and approve applications from households that meet the low-income criteria, based on their position on the interest list and their eligibility according to the project guidelines. Please note that being selected in the lottery does not guarantee financial eligibility to purchase a unit. Applicants must also meet the requirements for a purchase loan or mortgage.
