

# NOTICE OF PUBLIC HEARING

CITY OF GARDENA

**PUBLIC NOTICE IS HEREBY GIVEN THAT on Tuesday, January 14, 2025, at 7:30 p.m., or soon thereafter,** the City Council of the City of Gardena will conduct a public hearing on the following matters:

**Entitlements Requested: Environmental Assessment #20-21 (SCH #2023050241); General Plan Amendment #3-21; Zone Change # 4-21; Zone Text Amendment #6-21; Specific Plan #1-21; Site Plan Review #11-21; Vesting Tentative Map #4-21; Development Agreement #2-21, and Affordable Housing Agreement.**

**Project Description:** The Applicant is requesting the approval of the Normandie Crossing Specific Plan (**SP #1-21**) that provides for development of approximately 5.3-acres of land. The original project called up to 403 units and the Community Input Alternative reduces this to 333 residential dwelling units. The Project includes the removal of all existing onsite structures (approximately 115,424 square feet (SF) of industrial uses) and, in their place under the Community Input Alternative, the construction of 258 apartment units in a six-story residential apartment building, with one level below grade, and 75 three-story townhome units within eleven buildings. The Applicant's request includes: a General Plan Amendment (**GPA #3-21**) to change the land use designation of the Gardena General Plan Land Use Map from Industrial and Industrial with a High Density 30 Overlay to "Specific Plan"; a Zone Change (**ZC #4-21**) to replace the existing zoning designation of General Industrial (M-2) and General Industrial (M-2) with a Housing Overlay 4 (HO-4) with the Normandie Crossing Specific Plan zone and Zone Text Amendment (**ZTA #6-21**) to amend the text of the Gardena Municipal Code to add this new zone; a Site Plan Review (**SPR #11-21**) of the physical design of the development which is incorporated in the Specific Plan; a Vesting Tentative Tract Map (**VTM #4-21**) to combine four lots into two and create one parcel for the apartment building and one parcel for the townhome-style buildings with the ability to create condominiums on the 75 townhome-style units; a Development Agreement (**DA #2-21**) between the City and developer that guarantees the right to build the development as set forth in this Specific Plan for a period of 10 years and provides community benefits to the City. The Project will require an Affordable Housing Agreement to guarantee the affordability of the 7 moderate income apartment units for a period of 55 years.

As part of the project, the City is considering the Zoning Map and General Plan Land Use map amendments of two separate parcels, immediately adjacent to the Project site, to correspond to the existing land uses within each parcel. The first is a change to the residential parcel at 16964 West 179th Street, from a General Industrial (M-2) designation to Single-Family Residential (R-1). The second is a change to the Union Pacific Railroad parcel immediately adjacent and east of the project site, from a General Industrial (M-2) designation to Official (O).
