CITY OF GARDENA DEPARTMENT OF PUBLIC WORKS – ENGINEERING STANDARD CONDITIONS OF APPROVAL (Page 1 OF 2)

FOR PERMIT INFO: (310) 217-9528 OR PWPERMITS@CITYOFGARDENA.ORG

- 1. Pursuant to Chapter 13 of the Gardena Municipal Code, no work shall be performed within the public right-of-way, without first obtaining a permit from the City Public Works Engineering.
- 2. The permit shall be become null and void if work permitted thereby is performed in violation of any applicable federal, state or local law, standard specifications, as well as requirement of this permit and this standard conditional of approval.
- 3. Upon a written notice, the City Engineer and/or his representative may cancel or revoke this permit for any cause whatsoever if the work is not per approved plan or in violation of this permit and standard conditions. Consequently, the contractor shall restore all affected improvements to its original condition, to the satisfaction of the City Engineer and/or his representative, at contractor's sole cost, and vacate the public right-of-way. Should the contractor, fail to restore the affected improvements to its original condition, the City Shall either perform the restoration work, or have the work performed by an outside contractor. The permittee and contractor, jointly and individually, hereby agree to reimburse the City for the cost of said City-financed restoration work, within thirty (30) calendar days from the date of receipt of a statement from the City.
- 4. All contractors performing work in the City will be required to have a business license prior to the issuance of a Public Works Permit.
- 5. This permit shall become null and void unless the work permitted is commenced and diligently pursued within 60 calendar days from issuance of the permit.
- 6. This permit shall become null and void if work permitted is suspended for any reason whatsoever, at any time during construction, <u>for</u> 60 calendar days.
- A 90 calendar days extension of a permit can be requested at the discretion of the City Engineer/City Inspector prior to the permit
 expiration. If the permit is closed prior to expiration, Permittee must apply for a new permit.
- 8. The Contractor's working hours shall be limited to the hours between 7:30 a.m. and 4:30 p.m., Monday through Friday except holidays. No work which will cause loud or disruptive noise to adjacent residents and "No Parking" enforcement shall begin prior to 8:00 a.m. nor terminate later than 4:30 p.m. Deviation from normal working hours will not be allowed unless otherwise approved by the City Engineering.
- 9. No work within the public right-of-way shall be performed on Saturday, Sunday, and holidays without prior written approval of the City Engineering and/or his representative. Permittees can schedule work and request an inspection outside of normal working hours; however, extra fees will apply. The permittee must submit an After-Hours Inspection Request and notify the City at least 48 hours prior for work done outside working hours.
- 10. Contractor shall call <u>Underground Service Alert</u> at its toll-free number, (800) 227-2600, Two (2) Working Days, not including the date of notification, prior to the commencement of any excavation.
- 11. The City has an exclusive agreement with <u>Waste Resources, Inc.</u>, (310) 366-7600, and no other firm may provide bulk trash bins in the event the work requires this services.
- 12. Contractor shall submit traffic control plans to the City Engineering for approval. When the requirement for traffic control plans is waived by the City, Contractor shall execute traffic control in accordance with the latest edition of the CA MUTCD or WATCH Manual as applicable to the satisfaction of the City Engineering and/or his representative.
- 13. Contractor shall ensure that all works comply with the requirements of the latest edition CAL/OSHA Construction Safety Orders, as amended, to the satisfaction of the City Engineering and/or City PW Inspector. Excavations equal or exceed five (5) feet in deep, into which a person is required to descend, and the construction or the demolition of any scaffolding falsework, building or structure more than three stories high, require a separate permit from CAL/OSHA.
- 14. Contractor shall ensure that all work comply with the requirements of the Clean Water Act (CWA) and the National Pollutant Discharge Elimination System (NPDES), to the satisfaction of the City Engineer and/or his representative. Contractor shall adhere to the selected Best Management Practices (BMP) plan and all additional corrective steps as required by the City.
- 15. The permittee will protect in place all existing facilities in the project area and be responsible for repairing them to match the existing conditions. Any damage to concrete improvements shall be removed and replaced joint-to-joint or discretion of the City Inspector.
- 16. The permittee and/or contractor shall always keep public right-of-way clean and clear for pedestrian and vehicular traffic, to the satisfaction of the City Engineer and/or his representative.
- 17. The permittee and/or contractor shall NOT store neither debris, materials nor equipment within the public right-of-way, without the prior written consent of the City Engineer and/or his representative.
- 18. The permittee and/or contractor shall enforce the City's dust control requirements at all times, to the satisfaction of the City Engineer and/or their representative.
- 19. The permittee and/or contractor shall enforce the City's noise control requirements at all times, to the satisfaction of the City Engineer and/or their representative.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED - STATE OR GOVERNMENTAL AGENCY OR SUBDIVISION OR POLITICAL SUBDIVISION - PERMITS OR AUTHORIZATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

State Or Governmental Agency Or Subdivision Or Political Subdivision:

City of Gardena 1717 W. 162nd Street Gardena, CA 90247

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

- A. Section II Who Is An Insured is amended to include as an additional insured any state or governmental agency or subdivision or political subdivision shown in the Schedule, subject to the following provisions:
 - This insurance applies only with respect to operations performed by you or on your behalf for which the state or governmental agency or subdivision or political subdivision has issued a permit or authorization.

However:

- The insurance afforded to such additional insured only applies to the extent permitted by law; and
- b. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

- 2. This insurance does not apply to:
 - a. "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the federal government, state or municipality; or
 - Bodily injury or "property damage" included within the "products-completed operations hazard".
- B. With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits Of Insurance:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

- 1. Required by the contract or agreement; or
- Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.
