

CITY OF GARDENA

# Construction Alert

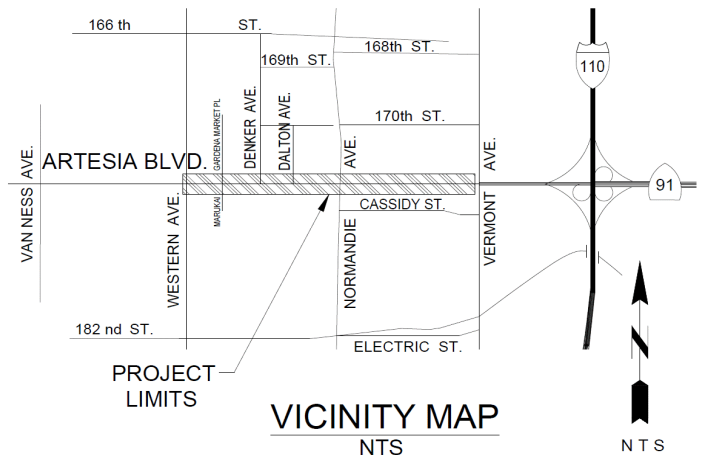

## Artesia Boulevard Improvements

Work will start in May 2025 from Western Ave. to Vermont Ave.

Starting May 2025, the City of Gardena will begin street improvements on Artesia Boulevard between Western Avenue and Vermont Avenue (West to East City limits). Construction will be scheduled to help minimize impacts on businesses, motorists and nearby residents. **The total construction duration is expected to be approximately six months, and Artesia will remain open throughout.**

Access to all businesses and residential neighborhoods within the project area will remain open during construction. The project will include the following improvements, carried out in sequence:

- Replacement of Damaged Concrete; ramp access, sidewalks, curb & gutter, driveways
- Traffic Signal Improvements at intersections
- Median and Landscape Improvements
- Pavement rehabilitation (night work)
- Traffic Loops, Signs, and Striping

The City of Gardena will take extra steps to minimize potential impacts to nearby businesses and residents. As with all construction projects, safety will be a primary concern. Businesses and residents within the project area may experience noise and vibrations due to construction-related activities.

Although traffic will be reduced to a minimum of two lanes in each direction the regular work hours and one lane in each direction during the night work for pavement rehabilitation, Artesia will remain open for the duration of the project and detour routes will be clearly marked.

**City hired contractor DASH Construction Co. Inc., will begin additional notifications through message boards, signs, and letters two weeks prior to the start of construction.**

Efforts to reduce the construction schedule include night work during the asphalt resurfacing. Construction will last approximately ~~six months~~, and is subject to change due to inclement weather, operational changes or unforeseen circumstances.

The project will be financed by the Measure M & R grants, and Prop C local funds.

### Artesia Construction Schedule at-a-Glance

Begins: May 2025

Regular Hours: 7:30 am to 4:30 pm

Paving/Night Work Hours: 8 pm to 5 am

Days: Approx. 6 months, Monday - Friday
