BATTING ORDER

The first batter in each inning (after the first inning) shall be the player whose name follows that of the last player who legally **COMPLETED** their time at bat in the preceding inning.

EXAMPLE: The batter who was at bat (regardless of ball and strike count) when a runner was caught stealing for the third out, will lead off the next inning with a new count.

BATTING OUT OF ORDER

Coaches must report lineup changes to the scorekeeper and umpire when players enter or re-enters the game defensively. In the event that an incorrect batter is sent up to bat, the opposing coach must bring it to the attention of the umpire after a pitch or pitches have been made to the incorrect batter. If it is found that the incorrect batter is at-bat, that batter is then declared out. The correct batter must then take their turn at-bat and assume the count of the incorrect batter. If no pitches are made to the incorrect batter, no penalty shall apply and the correct batter may then take their turn at bat.

CATCHER'S GEAR

- Catchers in all leagues must wear a catcher's helmet, mask, chest protector, and shin guards.
- Catchers in all divisions of baseball must wear an athletic supporter with plastic cup.
- Catchers warming up pitchers, on all levels of play, must wear a helmet with facemask (at practice or games).

COACHES RULES

- Teams are allowed a maximum of three (3) coaches: One (1) near first base and one (1) near third base, and one (1) in the dugout. They must not physically assist players in base running. The baserunner will be declared out if a base coach physically assists the runner.
- Only head coaches who have been assigned to a team may approach the umpire. In the event that official coaches are not able to attend the game, then a substitute coach will be designated to the umpire before the game, and this coach will be the only coach to approach the umpire with questions concerning rules. Other coaches will be allowed to coach bases, warm-up pitchers, etc., but will not be allowed to approach the umpire.
- Coaches may not protest balls or strikes called by the umpire. Immediate ejection will follow for protesting balls and strikes.
- Occupants of player's bench shall not demonstrate, by word or sign, violent disapproval of umpire's decisions. **PENALTY:** After the first warning, individual offenders shall be removed from the game. Repeated outbursts will result in

forfeiture of the game.

- Coaches shall be responsible for their team's conduct on the field or as spectators. Coaches are also responsible for spectators who follow their team. The umpire shall have the authority to stop the game or call for forfeiture of the game if spectator action warrants.
- A coach shall abide by an umpire's decision. **PENALTY:** Removal from the game and possible forfeit.
- Profanity from a coach or player will result in their **IMMEDIATE** removal from the game.
- Recreation staff will fill in at games in the absence of the head coach or assistant coach.
- Youth Sports Coordinator shall have authority to suspend any manager, coach, or player for sufficient cause such as profanity or unsportsmanlike conduct, whether on the field or as a spectator. Players suspended a second time for such violations may not be allowed to further participate in league play.

DROPPED THIRD STRIKE RULE

Explanation:

- With less than two (2) outs and without a runner on first base, the batter may attempt to reach first base if the pitched ball, that is ruled a strike, is not caught cleanly by the catcher.
- With a runner on first base, the batter will be declared out even if the third strike is not fielded cleanly with less than two (2) outs. The batter is declared out in this situation because of the positioning of the baserunner when the pitch was made.
- With two (2) outs, regardless of a baserunner on first base or not, the defense must record the third out.

GROUND RULES FOR FREEMAN AND THORNBURG PARKS

FREEMAN PARK

- Fair balls hit through right field gate exit, and balls that lodge behind outfield trees: 3rd – 4th Grade and 5th – 6th Grade Divisions = **TRIPLE**.
- Dead-ball area (on throws): Both dugouts, and area outside the extension of left field and right-field fences.

THORNBURG PARK

- Batted fair balls that lodge behind right-field trees; fly balls that hit tree overhang in centerfield which could have been caught (Umpire's judgment) regardless of fielders position; and batted balls that bounce over fence: 5th – 6th Grade Division = **DOUBLE**.
- Fly balls hit over fence are home runs; fly balls that hit trees but would have gone over fence (Umpire's judgment) are home runs.
- Dead-ball area (on throws): Both dugouts, and area outside the extension of leftfield and right field fence.

HIT BY PITCH

The batter is awarded first base when hit by a pitch, (ball becomes dead), even if ball bounces before touching the batter. If a batter swings at a pitched ball and gets hit by the pitch, the swing will supersede the result of the pitched ball.

LIVE BALL/DEAD BALL SITUATIONS

- Ball becomes dead when the umpire calls "time". For injured players, the ball remains live unless in the umpire's judgment, a safety factor is involved.

- Ball becomes live (after dead ball) when umpire signals or calls "play". While ball is dead (for any reason), no player may be put out and no runner may advance or score (except on award by the umpire).
- Either team may ask for "timeout" provided such a request is not an attempt (umpire's judgment) to confuse a pitcher, base runner or batter and that no further play can, in the umpire's judgment, result while runners are on base.

MAXIMUM RUNS PER INNING

GRADE DIVISIONS	Maximum Runs Per Inning
TK – K: Introduction to Baseball	N/A
1 st – 2 nd : Coach Pitch	N/A
3 rd – 4 th	4 runs
5 th – 6 th	5 runs
7 th – 8 th	5 runs

PITCHERS

Pitching Distance:

GRADE DIVISIONS	Pitching Distance
3 rd – 4 th Grade	40 ft.
5 th – 6 th Grade	45 ft.
7 th – 8 th Grade	50 ft.

- New pitchers will be allowed seven (7) warm-up pitches, and all others; two (2) warm up throws. If, in the umpire's judgment, a pitcher (or coach) has unnecessarily delayed the game, the number of warm-up throws allowed may be less (number to be determined by the umpire, keeping in mind the safety factor for prevention of injuries).
- Please note that one (1) pitch made in an inning constitutes an inning pitched. The total number of innings pitched does not have to be consecutive. For example, a pitcher may pitch every other inning in a game, provided that they do not exceed the total innings allowed per game.
- Pitchers may not wear white sleeves extending from the jersey and must remove any wristbands, bracelets, or any other arm/hand equipment while pitching.
- Pitchers must remove all rings, earrings, and chains around the neck.

Balk Rules (7th – 8th Grade Division Only)

All the balk rules from the Official Baseball Rule Book will be used.

What is a Balk in Baseball?

A balk is one of the lesser-known rules in the sport of baseball. A balk restricts the actions of the pitcher when there are runners on base. In general, a balk is called whenever a pitcher interrupts the pitching motion. Here are most of the situations that would cause an umpire to call a balk:

- Pitcher does not come to a complete stop while standing on the pitching rubber.
- During a pitch, ball slips out of a pitcher's hand. This would be a 'ball' if there were no runners on base.
- Pitcher begins to make the motions typically associated with their pitching stroke but ceases during its delivery.
- While on the pitching rubber, pitcher throws to a base before or without stepping toward that base. Note, that the pitcher can step off of the pitching rubber and throw anywhere.
- Pitcher fakes a throw to an unoccupied base.
- With runners on base, pitcher makes a pitch before the batter has had sufficient time to get set in the batter's box. This would be a 'ball' if there were no runners on base.
- Pitcher makes a pitch while not facing the batter.
- Pitcher makes a motion typically associated with their pitching motion but their foot is not touching the pitching rubber.
- After pausing in the pitching position, pitcher removes one hand from the ball. Dropping the ball once on the pitching plate is also ruled a balk.

What is the penalty for balking? Each base runner is allowed to advance one (1) base; runners on third advance to home and score one run.

PLAYER RULES

- Players shall not mingle with spectators during the game. Players shall remain on the bench or field of play. **PENALTY:** After warning, possible ejection from the game.
- Players shall not attempt to discuss umpire calls with the umpire. **PENALTY:** After warning, possible ejection from the game.
- Players (except pitcher or catcher) may be stationed anywhere inside the foul lines within fair territory.

PLAYER SELECTION

- Teams will be selected at random with the only exception being children of volunteer coaches will be placed on their team.
- Players signing up after teams are assembled will be placed on a waiting list and only allowed to register on a need basis; placement is not guaranteed.
- Siblings will be placed on the same team when playing in the same league and division unless parents desire otherwise before teams are assembled.
- Players will be placed in the selection pool regardless of past season team affiliation.

PLAYOFF RULES

- Each player present must play two (2) complete innings. **PENALTY:** Forfeit game.
- All regular season pitching rules shall apply.
- All playoff game times shall be as described in the regular season game times. The final inning of the game will be an open inning, meaning teams may score unlimited runs in that inning. The open inning will be called at the top of the inning before the game time limit expires. If tied after time limit, extra innings shall be played until a winner has been determined after the bottom half of the extra inning(s) has been completed, despite the time used to play the additional inning(s). Extra innings shall be played as open innings.
- Teams to receive a playoff "bye" shall be determined by final standings, if necessary.
- Playoff format will be decided by the Youth Sports Coordinator. In case of a tie in the final standings, head to head records shall be used. If still tied after head to head records, runs scored per team will follow. If still tied after runs scored, runs against will follow. If still tied after runs against, a coin toss will determine final standings.

PROTEST RULES

- Protests shall be considered only when based on the violation or interpretation of a playing rule or the use of an ineligible player. No protest shall be considered on a decision involving an umpire's judgment.
- Equipment deemed unsafe by an official and removed from the field of play shall not be the basis for a protest.
- Any protest for any reason whatsoever must be submitted by the head coach first to the umpire. The umpire shall confer with the coach of whom a rule violation is in question. Appropriate action will be taken to fix the violation. If an agreement can't be made recreation staff shall then be called to rule on the protest. The umpire shall also submit the protest information to the scorekeeper.
- Any coach who withdraws a team from the playing field under any circumstance

prior to an official completion or suspension of play shall automatically forfeit such game and all rights to protest.

SCOREKEEPERS

- All players present and playing must be listed on the official lineup card. A copy of the lineup card must be given to scorekeeper and opposing coach. All players must appear in the official scorebook with a first and last name and a jersey number.
- Scorekeepers are not responsible for reporting when a team is batting out of order.
- Recreation Staff or an assigned scorekeeper will be present at all games. Home team may also be designated to keep score.
- The scorekeeper must remain **NEUTRAL** and report information only when an umpire or coach requests it. Upon request a scorekeeper is obligated to give the information requested.

STARTING AND ENDING GAMES

All teams shall start the game if a minimum of seven (7) players are present. If a team is unable to field at least seven (7) players, the game is forfeited at the scheduled game time.

SUBSTITUTION RULES

All leagues and divisions must use a continuous batting order of all players present. Such batting order **MUST** be used for that entire game. After the 12 consecutive outs playing criteria has been met, a player may be substituted freely in and out of the game defensively.

For all leagues:

- a. All players present must play a minimum of two (2) complete innings (total of 12 consecutive outs) in all games that proceed past four (4) innings of play. **PENALTY:** Forfeited game if substitute players do not meet this play criteria.
- b. All players who do not start the game defensively, must be entered into the line-up defensively, in the top of the third inning, before the inning begins. Game staff will remind both coaches to enter all substitutes before the top of the third inning. Substitutes must then play 12 consecutive outs. Players who start the game must play the first 12 consecutive outs. **PENALTY:** Forfeited game.
- c. All players who are in attendance at the game, but who are not going to play in the game for whatever reason should be reported to the umpire, the scorekeeper and the opposing coach before the game starts, or as soon as player arrives if game is underway. **NOTE:** Twelve (12) consecutive outs means six (6) outs on offense and six (6) outs on defense.

Pitching substitution:

The pitcher shall be removed from pitching upon the 2nd visit to the mound, in the same inning, by a coach. Coaches shall not send messages to the mound through players on the field. This will be considered a visit to the mound by a coach (umpire's discretion). Umpires should also use discretion and warn players and coaches about stalling if players continually visit the mound. **PENALTY:** Umpire **MAY** start calling automatic balls until pitcher begins to pitch. A pitcher will be removed from pitching duties for the remainder of the game, the second time he is replaced on the mound, during the game, by another pitcher of record.

7 th – 8 th	1 hour 30 minutes, or seven (7) innings

Rule clarification: A new inning begins when the 3rd out of the previous inning is recorded. Time limits, in consideration of starting a new inning will not be marked by when a pitcher is ready to pitch to the batter in the top half of the inning but rather by when the 3rd out is recorded in the bottom half of the inning.

UMPIRES

- Umpires shall establish and discuss ground rules with both coaches prior to each game. Ground rules will affect that game only.

- **UNIFORMS AND EQUIPMENT**

- All team players shall wear City-issued uniforms identical in color, with numbers appearing on their backs.
- All divisions of play must use complete uniforms (baseball jersey, pants, hats and socks). Parents are required to purchase baseball pants for their child and must be the same color as their teammates. The pant color will be determined by team at the first team meeting, prior to the beginning of the season. Players wearing altered uniforms without approval from the Youth Sports Coordinator will be declared ineligible to play in the said game.
- Players must wear athletic shoes such as molded rubber cleats or tennis type shoes. Metal cleats and bare feet are not allowed.
