Business License Application Guideline

HOW TO APPLY FOR A BUSINESS LICENSE

All businesses must have a business license to operate. This includes home-based businesses, non-profits, contractors, and businesses that lease property.

STEP 1: COMPLETE YOUR NEW BUSINESS LICENSE APPLICATION

The New Business License application may be applied for online by e-mail bl@cityofgardena.org, by mail or in-person at the City Hall. A New Business License Checklist is available online at www.cityofgardena.org/business-license and also at the City Hall.

STEP 2: ZONING CLEARANCE – IS MY BUSINESS ALLOWED?

The City's zoning code defines what types of land uses are allowed and where, including business operations. Before you start, move, change, or expand your business, find out how a location is zoned and what uses are allowed there. Your business must be allowed by the zoning code in order for you to obtain a business license and operate.

Complete your New Business License Application and visit the Planning Division Counter at City Hall or e-mail bl@cityofgardena.org to help identify the determine if your proposed business activity is allowed at your location. **Business License will not be processed without Zoning Clearance.**

STEP 3: BUSINESS LICENSE APPROVAL AND PAYMENT

Once zoning clearance is complete, make sure all necessary documents are compiled based on the checklist, and visit the Business License Division or e-mail bl@cityofgardena.org for approval and payment.

STEP 4: CERTIFICATE OF OCCUPANCY

If your business is operating out of a commercial, industrial or retail zone, a Business Occupancy Inspection will be required to obtain a Certificate of Occupancy. An inspection will be scheduled during your zoning clearance with the Planning Division. For more information on this certificate, please contact the Building & Safety Division at (310) 217-9672. To Schedule for an inspection please contact the Inspection Line at (310) 217-9510.

STEP 5: BUSINESS LICENSE CERTIFICATE

A Business must start business operation once the Business License process is fully completed, and Certificate of Occupancy and Business License Certificate are received. If you have not yet received your certificate, please contact bl@cityofgardena.org.
