PERSONNEL REPORT – ATTACHMENT 1
GPOA SIDE LETTER AGREEMENT

SIDE LETTER OF AGREEMENT
City of Gardena
and
Gardena Police Officers Association
March 4th, 2020

The City of Gardena (City) and the Gardena Police Officers Association (GPOA) enter into this Side Letter of Agreement and hereby agree to the following:

1. In August 2019, the City of Gardena and the Gardena POA (hereinafter the "Parties") entered into a Memorandum of Understanding ("MOU") that altered the maximum number of vacation hours an employee could accrue; to wit, 550 hours. The MOU provides that if an employee's accrual reached the maximum accrual amount, the employee would cease to accrue additional vacation hours until the employee's vacation bank reduced below the maximum accrual. The MOU also established a separate bank of vacation hours, over the maximum allowed accrual; to wit, an "excess bank" wherein already accrued vacation hours over the maximum of 550 would be stored. The employees were given until June 30, 2020, to reduce their accrued vacation hours to the maximum level, and any remaining already accrued hours in the "excess bank" that had been accrued by the employee would be then forfeited, in essence a "Use it or Lose it" provision. (MOU, Article IV, Section 9, Paragraphs 8 and 8a)

The MOU also altered the maximum number of Holiday Leave hours that could be accrued; to wit, 187.50 hours each year, with an accrual cap of 400 hours. The Holiday Leave language included similar "Use or Lose it" provisions. (Article IV, Sect 8, Paragraphs 2 and 2a).

The Parties are concerned that providing the employees only to June 30, 2020, does not and/or will not provide employees sufficient time to use the vacation and/or holiday hours they have already accrued. It is mutually agreed upon that it would be equally beneficial for the City and GPOA to extend the date by which the "excess banks" are to be exhausted by. Therefore, in order to prevent the forfeiting of accrued hours, the Parties hereby agree that the employees shall have until JUNE 30, 2021, to use their "excess bank" of hours for vacation and/or holiday accruals and/or any other overages of accrued time.

This Side Letter Agreement is not intended to waive either Parties' legal rights nor the rights of the individual members of the Gardena Police Officers Association under the laws of the State of California. This Side Letter of Agreement is also not meant to confer any new benefit, nor to remove any prior benefit.

Agreed to on this on the 4th day of March 2020, by the parties authorized representatives.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Independent Auditors' Report

To the Honorable Mayor and the Members of City Council
of the City of Gardena
Gardena, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Gardena, California (the "City"), as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated December 5, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

of the City of Gardena

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE
SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE**

Independent Auditors' Report

To the Honorable Mayor and the Members of City Council
of the City of Gardena
Gardena, California

Report on Compliance for Each Major Federal Program

We have audited the City of Gardena, California's (the "City") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended June 30, 2019. The City's major federal programs are identified in the summary of the auditors' results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City's compliance.

Opinion on Each Major Federal Program

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

To the Honorable Mayor and the Members of City Council
of the City of Gardena
Gardena, California
Page 2

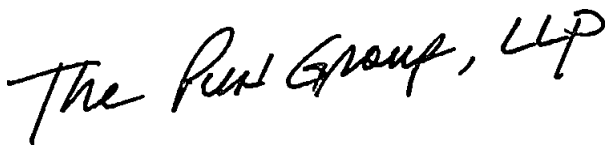

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We have issued our report thereon dated December 5, 2019, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming our opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain other procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditure of Federal Awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

The City Council acts as the governing body and is able to impose its will on the following organization, establishing financial accountability:

- City of Gardena Public Improvement Corporation

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

Funds received under the various grant programs have been recorded within the special revenue funds and enterprise fund of the City. The City utilizes the modified accrual basis of accounting for the special revenue funds and the accrual basis of accounting for the enterprise funds. Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in, the preparation of City’s basic financial statements.

Federal financial assistance received directly from federal agencies, as well as federal financial assistance passed through the State of California Department of Housing and Community Development, the State of California Department of Transportation, the State of California Office of Traffic Safety, the State of California Department of Education, and the County of Los Angeles, are included in the Schedule. The Schedule was prepared from only the accounts of various grant programs and, therefore, does not present the financial position or results of operations of the City.

Indirect Cost Rate

The City did not elect to use the 10% de minimis cost rate.

Note 3 – Subrecipients

Condition:

To follow up with prior audit finding, we tested similar current year transactions. Pursuant to the adopted policy dated March 7, 2018 to address our prior year finding 2017-002, all volunteer applications should be signed by a Senior Bureau staff member upon receipt and review. Applications should continue to be reviewed thoroughly, and an orientation/intake meeting with the volunteer shall follow before they are assigned a role. However, during our testing of volunteer applications, we noted that 7 out of 40 volunteer applications selected for testing were missing indication of reviewing by City staff.

Recommendation:

We recommend the City follow the formal policy created on March 7, 2018 for the reviewing process over volunteer applications to ensure the volunteers are qualified for the responsibilities that they are taking on.

Current Status:

Finding was resolved during the year ended June 30, 2019.

2019 NOTICE OF FUNDING AVAILABILITY LOCAL EARLY ACTION PLANNING GRANTS PROGRAM

I. Introduction

The California Department of Housing and Community Development (Department) is pleased to announce the release of this Notice of Funding Availability (NOFA) for approximately \$119,040,000 as part of the Local Early Action Planning Grants Program (LEAP or Program). LEAP is made available as a portion of the Local Government Planning Support Grants Program pursuant to Chapter 3.1 of Health and Safety Code (Sections 50515.03 (Chapter 159, Statutes of 2019)). The Program provides funding to jurisdictions for the preparation and adoption of planning documents, process improvements that accelerate housing production, and facilitate compliance in implementing the sixth cycle of the RHNA.

II. Authority and Scope

This NOFA is authorized pursuant to Chapter 3.1 of Health and Safety Code (Sections 50515 to 50515.05). The NOFA implements, interprets, and makes specific provisions for purposes of implementing planning grants to jurisdictions pursuant to 50515.03 (hereinafter "LEAP").

This NOFA establishes terms, conditions, forms, procedures and other mechanisms as the Department deems necessary to exercise the powers and perform the duties conferred by Chapter 3.1.

The matters set forth herein are regulatory mandates, and are adopted in accordance with the authorities set forth below:

Quasi-legislative regulations ... have the dignity of statutes ... [and]... delegation of legislative authority includes the power to elaborate the meaning of key statutory terms...

Ramirez v. Yosemite Water Co., 20 Cal. 4th 785, 800 (1999)

Further, the Department may implement the Program through the issuance of forms, guidelines, and one or more NOFAs, as the Department deems necessary, to exercise the powers and perform the duties conferred on it by this chapter. Any forms, guidelines, and notices of funding availability adopted pursuant to this section are hereby exempted from the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). (Health and Safety Code Section 50515.04(f)).

The Department reserves the right, at its sole discretion, to suspend or amend the provisions of this NOFA, including, but not limited to, grant award amounts.

III. Program Summary

The Local Early Action Planning Grants Program (LEAP or Program) is part of the broader Program formerly known as the Local Government Planning Support Grants Program, which was established as part of the 2019-20 Budget Act. The 2019-20 Budget Act provides a spectrum of support, incentives, resources and accountability to meet California’s housing goals. Some specific elements include:

- Planning Support (local and regional planning grants)
- Incentives (Prohousing preference and infill incentive grants)
- Funding Resources
- Accountability (penalties for noncompliant housing plans)
- Reform (collaborative processes to reform regional housing needs)

The Local Government Planning Support Grants Program provides one-time grant funding to regions and jurisdictions for technical assistance, preparation and adoption of planning documents, and process improvements. The over-arching goals of the Program are to (1) accelerate housing production; and (2) facilitate compliance to implement the sixth cycle of the regional housing need assessment (RHNA).

IV. Program Timeline

Grants will be available to eligible applicants on a noncompetitive, Over-the-Counter (OTC) basis. Applications will be accepted from the date of the release of this NOFA and up until July 1, 2020. See Table 1 below for the anticipated timeline for awards for the OTC period.

Maximum award amounts are based on population estimates as of January 1, 2019.¹ The minimum award amount is \$25,000. The maximum amount that a jurisdiction may receive pursuant to this subdivision shall be as follows:

Eligible activities are not necessarily jurisdiction-wide and may include a smaller geography with a significant impact on housing production. For example, eligible activities may include a housing development-related project with a significant community level impact, or planning or process improvement for a project with an ongoing community impact beyond the project. Eligible activities may include a variety of planning documents and processes, including, but not limited to, the following as set forth in Health and Safety Code section 50515.03(c):

9. Rezoning to meet requirements pursuant to Gov. Code Section 65583(c)(1), and other rezoning efforts to comply with Housing Element requirements, including Gov. Code Section 65583.2(c) (AB 1397, Statutes of 2018);
10. Upzoning or other implementation measures to intensify land use patterns in strategic locations, such as close proximity to transit, jobs or other amenities;

19. Other planning documents or process improvements that demonstrate an increase in housing related planning activities and facilitate accelerating housing production; and
20. Establishing Prohousing Policies, as follows:

Prohousing Policies

The Department encourages applicants to consider LEAP funds to facilitate designation as a Prohousing jurisdiction.

The 2019-20 Budget Act requires the Department to develop the Prohousing designation emergency regulations by no later than July 1, 2021. This program will allow the Department to designate jurisdictions as "Prohousing," when they demonstrate policies and strategies to accelerate housing production. In turn, Prohousing jurisdictions will be awarded additional points or preference in programs such as the Affordable Housing and Sustainable Communities (AHSC), Transformative Climate Communities (TCC), Infill Infrastructure Grant (IIG) programs and other state funding programs. The Department anticipates developing emergency regulations and Prohousing designations prior to July 1, 2021, and will seek to designate jurisdictions prior to future rounds of AHSC, TCC and IIG

programs.

Pursuant to Gov. Code Section 65589.9(f)(2), “Prohousing” policies mean policies that facilitate the planning, approval, or construction of housing. These policies may include, but are not limited to, the following:

- A. Planning for local financial incentives for housing, including, but not limited to, establishing a local housing trust fund;
- B. Reducing parking requirements for sites that are zoned for residential development;
- C. Adoption of zoning allowing for use by right for residential and mixed-use development;
- D. Zoning more sites for residential development or zoning sites at higher densities than is required to accommodate the minimum existing RHNA for the current Housing Element cycle;
- E. Adoption of accessory dwelling unit ordinances or other mechanisms that reduce barriers for property owners to create accessory dwelling units beyond the requirements outlined in Section 65852.2, as determined by the Department;
- F. Process improvements that reduce permit processing time;
- G. Creating of objective development standards;
- H. Studies and implementing actions that reduce development impact fees; and
- I. Establishing a Workforce Housing Opportunity Zone, as defined in Section 65620, or a housing sustainability district, as defined in Section 66200.”

VIII. Ineligible Activities

1. Activities unrelated to preparation and adoption of planning documents, and process improvements to accelerate housing production and facilitate compliance to implement the sixth cycle of the RHNA;
2. Activities that obstruct or hinder housing production, e.g., moratoriums, downzoning, planning documents with conditional use permits that significantly impact supply, cost, approval certainty and timing, planned development, or other similarly constraining processes; and
3. Project specific planning documents that do not have a significant impact on accelerating housing production or significant community level or re-occurring benefit beyond the project.
4. The Department may consider proposals that are combined with larger proposals that have a positive housing component and the net effect on accelerating housing production is significant. For example, an applicant may propose combining an open-space designation, downzoning, or anti-displacement measures with by-right upzoning that has a significant net gain in housing capacity.

IX. Eligible Uses

1. Grant funds may cover the costs of temporary staffing or consultant needs associated with eligible activities;
2. Grant funds shall be used for the costs of preparing and adopting the proposed activity;
3. A jurisdiction that receives funds under this Program may use a subcontractor. The subcontract shall provide for compliance with all the requirements of the Program. The subcontract shall not relieve the jurisdiction of its responsibilities under the Program;
4. Eligible expenditures may be incurred and expended for the project(s) subject to the terms and conditions of the Standard Agreement; and
5. Only approved and eligible costs incurred for work after the NOFA date, continued past the date of the Standard Agreement, and completed during the grant term, will be reimbursable.

X. Ineligible Uses

1. Program grant funds may not be used for administrative costs of persons employed by the grantee for activities not directly related to the preparation and adoption of the proposed activity;
2. No more than 5 percent of the grant amount may be used for administrative costs for any proposed use, to be approved by the Department upon disbursement; and
3. Approved and eligible costs incurred prior to the NOFA date are ineligible.

XI. Application Requirements

Until July 1, 2020, a jurisdiction may request an allocation of funds pursuant to this section by submitting a complete application to the Department that demonstrates:

1. A budget, including timelines, deliverables, sub-steps and adoption, that demonstrates funds will be utilized for eligible activities and uses;

XVI. Administration

1. Grant Execution and Term

- A. The Department will notify the grantee if they have been selected for a grant award;
- B. After the Standard Agreement has been drawn, the grantee will be provided instructions for signing all required documents. The grantee must submit all supporting materials and a signed Standard Agreement within the timeline provided in the instructions, or risk forfeiting the grant award;
- C. The grant term begins on the day the Department and the grantee have fully executed the Standard Agreement. The Department will notify the grantee and partners when work may proceed under the agreement. However, eligible activities that are approved by the Department may be retroactively reimbursed to the date of the NOFA; and
- D. The end of the grant term will be determined by the state based on the availability of grant funds and the administrative requirements for liquidation.

2. Payment and Accounting of Grant Funds

- A. Grant funds cannot be disbursed until the Standard Agreement has been fully executed;
- B. The grantee will be responsible for compiling and submitting all invoices and reporting documents. Grantees will submit for reimbursements to the Department based on actual cost incurred;
- C. The grantee must bill the state based on clear deliverables outlined in the Standard Agreement or budget timeline. Only approved and eligible costs incurred for work after the NOFA date, continued past the date of the Standard Agreement, and completed and processed prior to the expenditure deadline, will be reimbursable. Approved and eligible costs incurred prior to the NOFA date are ineligible;
- D. Work must be completed prior to requesting reimbursement;
- E. Grant fund payment will be made on a reimbursement basis; advance payments are not allowed. The grantee and partners must have adequate cash flow to pay all grant-related expenses prior to requesting reimbursement from the Department. Project invoices will be submitted to the Department by the grantee on a quarterly basis;
- F. In unusual circumstances, the Department may consider alternative arrangements to reimbursement and payment methods based on documentation demonstrating cost burdens, including the inability to pay for work;
- G. Supporting documentation may include, but is not limited to: receipts, progress payments, subcontractor invoices, time cards, etc.;
- H. Invoices must be accompanied by reporting materials where appropriate. Invoices without the appropriate reporting materials will not be paid. The Department may withhold 10 percent of the grant until grant terms have been fulfilled; and
- I. Each recipient of funds under the Program shall expend those funds no later than December 31, 2023.

3. Accounting Records and Audits

- A. The grantee must establish a separate ledger account for receipts and expenditures of grant funds and maintain expenditure details in accordance with the budget and timeline. Separate bank accounts are not required;
- B. The grantee shall maintain documentation of its normal procurement policy and competitive bid process (including the use of sole source purchasing), and financial records of expenditures incurred during the course of the project, in accordance with generally accepted accounting principles;
- C. The grantee agrees that the state or designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of the Standard Agreement;
- D. The grantee agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated;
- E. Subcontractors employed by the grantee and paid with moneys under the

terms of this Standard Agreement shall be responsible for maintaining accounting records as specified above;

- F. At any time during the term of the Standard Agreement, the Department may perform, or cause to be performed, a financial audit of any and all phases of the award. At the Department's request, the awardee shall provide, at its own expense, a financial audit prepared by a certified public accountant. The State of California has the right to review project documents and conduct audits during project implementation and over the project life;
- G. The Department may request additional information, as needed, to meet other applicable audit requirements; and
- H. The Department may monitor expenditures and activities of an applicant, as the Department deems necessary, to ensure compliance with Program requirements.

4. Remedies of Nonperformance

- A. In the event that it is determined, at the sole discretion of the state, that the grantee is not meeting the terms and conditions of the Standard Agreement, immediately upon receiving a written notice from the Department to stop work, the grantee shall cease all work under the Standard Agreement. The Department has the sole discretion to determine that the grantee meets the terms and conditions after a stop work order, and to deliver a written notice to the grantee to resume work under the Standard Agreement;
- B. Both the grantee and the Department have the right to terminate the Standard Agreement at any time upon 30 days written notice. The notice shall specify the reason for early termination and may permit the grantee or the Department to rectify any deficiency(ies) prior to the early termination date. The grantee will submit any requested documents to the Department within 30 days of the early termination notice; and
- C. There must be a strong implementation component for the funded activity through this Program, including, where appropriate, agreement by the locality to formally adopt the completed planning document. Localities that do not formally adopt the funded activity could be subject to repayment of the grant.
- D. The Department may, as it deems appropriate or necessary, request the repayment of funds from an applicant, or pursue any other remedies available to it by law for failure to comply with Program requirements (Health and Safety Code section 50515.04(e)).

5. Reporting

- A. At any time during the term of the Standard Agreement, the Department may request a performance report that demonstrates satisfaction of all requirements identified in the Standard Agreement with emphasis on eligible activities, eligible uses, ineligible uses, and expenditures, according to timelines and budgets referenced in the Standard Agreement;
- B. Awardees shall submit a report, in the form and manner prescribed by

the Department, to be made publicly available on its internet website, by April 1 of the year following the receipt of those funds, and annually thereafter until those funds are expended, that contains the following information:

- The status of the proposed uses listed in the entity's application for funding and the corresponding impact on housing within the region or jurisdiction; and
 - A summary of building permits, certificates of occupancy, or other completed entitlements issued by entities within the region, or by the jurisdiction, as applicable.
- C. The awardee must, in lieu of a separate report, provide the above described information as part of its annual report pursuant to Gov. Code Section 65400;
- D. The Department may request additional information, as needed, to meet other applicable reporting requirements;
- E. Upon completion of all deliverables within the Standard Agreement, the awardee shall submit a close out report. See Attachment 1; and
- F. The Department shall maintain records of the following and provide that information publicly on its internet website:
- The name of each applicant for Program funds and the status of that entity's application;
 - The number of applications for Program funding received by the Department; and
 - The information described in 5(B) above for each recipient of Program funds.

XVII. Right to Modify or Suspend the NOFA, and Final Decision-making

The Department reserves the right, at its sole discretion, to suspend, amend, or modify the provisions of this NOFA at any time, including, without limitation, the amount of funds available hereunder. If such an action occurs, the Department will notify all interested parties and will post the revisions to the Department's website. You may subscribe to the Department's email list here: http://www.hcd.ca.gov/HCD_SSI/subscribe-form.html.

Further, the Department's decision to approve or deny an application or request for funding pursuant to the Program, and its determination of the amount of funding to be provided, shall be final.

CITY COUNCIL MEETING AGENDA STAFF REPORT

Agenda Item No. 8.F. (1)
Department: Recreation & Human Services
Meeting Date: March 10, 2020

AGENDA TITLE:

APPROVAL OF A FOURTH OF JULY FIREWORKS AGREEMENT WITH PYRO SPECTACULARS INC.

RECOMMENDATION:

Staff respectfully recommends approval of the proposed fireworks agreement for the presentation of the City's 56th Annual Fourth of July Fireworks Show at Paul A. Rowley Memorial Park.

BACKGROUND:

On April 22, 2019, a Request for Proposals (RFP) for the annual Fourth of July Fireworks Show was posted through Planet Bids. Unfortunately, the City did not receive any bids via the site. City staff then reached out to Pyro Spectaculars Inc., Garden State, and Zambelli Fireworks to obtain quotes for our annual show. Pyro Spectaculars Inc. was the lowest responsible bidder at the time bids were being requested.

Pyro Spectaculars Inc. is a full-service program that includes a Fireworks display that will last approximately 18 to 20 minutes, the services of a licensed pyrotechnic operator, specialized crew, an electronic firing system, and safety equipment for support and protection. The proposed price includes insurance coverage, sales tax, and delivery.

Pyro Spectaculars Inc. is a reputable Southern California company with a proven track record in the South Bay area that had serviced the City for over 20 years prior to the City switching to Expo Fireworks in 2018. Pyro had provided safe, reliable, and affordable services.

At the February 25th, 2020 Council Meeting the following options were presented:

Option 1 – Agreement includes a one-year commitment for \$35,000.

Option 2 – Agreement includes a three-year commitment totaling \$100,000. The contract consists of a \$5,000 (14.2%) discount for year one (1) and locks-in years two (2) and three (3) at \$35,000. In addition to the cost savings, Option 2 also ensures the City has a scheduled firework show on July 4, the most popular day of the year for fireworks shows securing a three (3) Agreement also reducing the number of hours spent looking for a qualified vendor.

During the City Council meeting on the 25th, City Council asked that staff provide different options related to dates and costs.

FINANCIAL CONSIDERATIONS

Per City Council request City staff made a second attempt to contact all three companies; Pyro Spectaculars Inc., Garden State, and Zambelli Fireworks, to obtain additional options for the City's 56th Annual Fireworks Show. The options are as follows:

1. **Zambelli Fireworks** is a fireworks company located in Pennsylvania with a regional office in Lake Tahoe, California. Zambelli's representatives provided two proposals for fireworks.

- **Friday, July 3, 2020** – A 15-18-minute show supplied by trained professionals for \$22,500, including insurance coverage, sales tax, and delivery. Hosting an event on July 3rd would also require us to provide additional advertisement since the show has traditionally been held on July 4th for the past 55 years.
- **Saturday, July 4, 2020-** A 15-18-minute show provided by trained professionals for \$22,500, including insurance coverage, sales tax, and delivery.

2. **Garden State Fireworks, Inc** is a fireworks company located in New Jersey with an office in California and is one of the largest fireworks manufacturers in the United States.

- **Friday, July 3, 2020** - A 15-minute show provided by trained professionals for \$22,000, including insurance coverage, sales tax, and delivery. Garden State would need to begin set-up on Wednesday, July 1, 2020. This would require additional security to be provided at the City's cost. Hosting an event on July 3rd would also require us to provide additional advertisement since the show has traditionally been held on July 4th for the past 55 years.

3. **Pyro Spectaculars, Inc.** is a fireworks company located in Rialto, California, and up until 2018 was the City's fireworks provider. Pyro Spectaculars has been in business for 90 years and is the largest fireworks company on the west coast and one of the largest in the country.

- **Saturday, July 4, 2020** - A 18 to 20-minute show provided by trained professionals, a specialized crew, an electronic firing system, and safety equipment for support and protection for \$30,000 (Year 1), including insurance coverage, sales tax, and delivery. Pyro Spectacular's amended contract allows us to cancel before December 31, 2020, in the event we are not completely satisfied with their performance and only pay the original contract amount of "**Option One**" presented at the February 25th Meeting, which is \$35,000. If we choose to stay with Pyro Spectaculars, we will save \$5,000 in our first year and lock-in years two (2) and three (3) at \$35,000 with a potential savings of 5-10% between years two and three. In addition to the cost-savings, we would secure the highly sought-after July 4th date and save staff time by not having to do the procurement process for the next two years.

			Additional Advertising needed to inform Community about date change

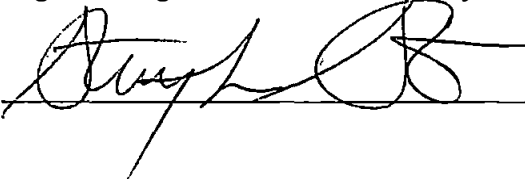

It is important to note that the agreements are not fundamentally the same based on the show that each company can provide. Each company has created a show that includes different firework effects such as comets, brocades, chrysanthemums, pearls, dragon eggs, waterfalls, and many more. The difference in the show accounts for the difference in cost. In 2018, the City switched from Pyro Spectaculars to Expo because we were promised a show synchronized to music and additional shotshells for relatively the same price. The show that Expo provided was disappointing, and we received several complaints from the City Council. As a result, we no longer choose to work with Expo and would like to return to Pyro Spectaculars based on their track record with the City and neighboring cities.

RECOMMENDATION / CONCLUSION:

Staff respectfully recommends that the City Council approve the proposed three (3) year contract which includes an updated cancellation clause between the City of Gardena and Pyro Spectaculars, Inc. for the presentation of the City's 56th- 58th Annual Fourth of July Fireworks Show at Paul A. Rowley Memorial Park.

This option provides the City with a \$5,000 discount for year one (1) if we choose to continue our agreement after the show on July 4, 2020. This option also locks-in a guaranteed price of \$35,000 for years two (2) and three (3), which could potentially increase annually based on client demand and other contributing factors (e.g., tariffs and licensing). The clause will allow the City to cancel the agreement before December 31, 2020, if we are not completely satisfied with the Fourth of July Show.

Staff understands that the cost of the show has increased over the years and is establishing a plan to increase the number of food and retail vendors at the Park to off-set the cost of the show. Also, with your approval, we will seek sponsorship opportunities with local businesses and organizations to help continue this long-standing tradition within the City of Gardena.

PYRO and CLIENT are sometimes referred to as "Party" or collectively as "Parties" herein.

1. **Engagement** - CLIENT hereby engages PYRO to provide to CLIENT three (3) fireworks productions ("Production"), and PYRO accepts such engagement upon all of the promises, terms and conditions hereinafter set forth. The Production shall be substantially as outlined in Program "C", attached hereto and incorporated herein by this reference.

If litigation arises out of this Agreement, the prevailing party shall be entitled to reasonable costs incurred in connection with the litigation, including, but not limited to attorneys' fees.

3.5 **Expenses** - PYRO shall pay all normal expenses directly related to the Production including freight, insurance as outlined, pyrotechnic products, pyrotechnic equipment, experienced pyrotechnic personnel to set up and discharge the pyrotechnics and those additional items as outlined as PYRO's responsibility in the Scope of Work. CLIENT shall pay all costs related to the Production not supplied by PYRO including, but not limited to, those items outlined as CLIENT's responsibility in this Agreement and Scope of Work.

4. **Proprietary Rights** - PYRO represents and warrants that it owns all copyrights, including performance rights, to this Production, except that PYRO does not own CLIENT-owned material or third-party-owned material that has been included in the Production, and as to such CLIENT-owned and third-party-owned material, CLIENT assumes full responsibility therefore. CLIENT agrees that PYRO shall retain ownership of, and all copyrights and other rights to, the Production, except that PYRO shall not acquire or retain any ownership or other rights in or to CLIENT-owned material and third-party-owned material and shall not be responsible in any way for such material. If applicable, CLIENT consents to the use of CLIENT-owned material and represents that it has or will obtain any permission from appropriate third parties sufficient to authorize public exhibition of any such material in connection with this Production. PYRO reserves the ownership rights in its trade names that are used in or are a product of the Production. Any reproduction by sound, video or other duplication or recording process without the express written permission of PYRO is prohibited.

5. **Safety** - PYRO and CLIENT shall each comply with applicable federal, state and local laws and regulations and employ safety programs and measures consistent with recognized applicable industry standards and practices. At all times before and during the Production, it shall be within PYRO's sole discretion to determine whether or not the Production may be safely discharged or continued. It shall not constitute a breach of this Agreement by PYRO for fireworks to fail or malfunction, or for PYRO to determine that the Production cannot be discharged or continued as a result of any conditions or circumstances affecting safety beyond the reasonable control of PYRO.

6. **Security** - CLIENT shall provide adequate security personnel, barricades, and Police Department services as may be necessary to preclude individuals other than those authorized by PYRO from entering an area to be designated by PYRO as the area for the set-up and discharge of the Production, including a fallout area satisfactory to PYRO where the pyrotechnics may safely rise and any debris may safely fall. PYRO shall have no responsibility for monitoring or controlling CLIENT's other contractors, providers or volunteers; the public; areas to which the public or contractors have access; or any other public or contractor facilities associated with the Production.

7. **Cleanup** - PYRO shall be responsible for the removal of all equipment provided by PYRO and clean up of any live pyrotechnic debris made necessary by PYRO. CLIENT shall be responsible for any other clean up which may be required of the Production or set-up, discharge and fallout areas including any environmental clean-up.

8. **Permits** - PYRO agrees to apply for permits for the firing of pyrotechnics only from the LOS ANGELES COUNTY FIRE DEPARTMENT, FAA, and USCG, if required. CLIENT shall be responsible for any fees associated with these permits including standby fees. CLIENT shall be responsible for obtaining any other necessary permits, paying associated fees, and making other appropriate arrangements for Police Departments, other Fire Departments, road closures, event/activity or land use permits or any permission or permit required by any Local, Regional, State or Federal Government.

9. **Insurance** - PYRO shall at all times during the performance of services herein ensure that the following insurance is maintained in connection with PYRO's performance of this Agreement: (1) commercial general liability insurance, including products, completed operations, and contractual liability under this Agreement; (2) automobile liability insurance, (3) workers' compensation insurance and employer liability insurance. Such insurance is to protect CLIENT from claims for bodily injury, including death, personal injury, and from claims of property damage, which may arise from PYRO's performance of this Agreement, only. The types and amounts of coverage shall be as set forth in the Scope of Work. Such insurance shall not include claims which arise from CLIENT's negligence or willful conduct or from failure of CLIENT to perform its obligations under this Agreement, coverage for which shall be provided by CLIENT.

The coverage of these policies shall be subject to reasonable inspection by CLIENT. Certificates of Insurance evidencing the required general liability coverage shall be furnished to CLIENT prior to the rendering of services hereunder and shall include that the following are named as additionally insured: CLIENT; Sponsors, Landowners, Barge Owners, if any; and Permitting Authorities, with respect to the operations of PYRO at the Production. Pyrotechnic subcontractors or providers, if any, not covered under policies of insurance required hereby, shall secure, maintain and provide their own insurance coverage with respect to their respective operations and services.

10. **Indemnification** - PYRO represents and warrants that it is capable of furnishing the necessary experience, personnel, equipment, materials, providers, and expertise to produce the Production in a safe and professional manner. Notwithstanding anything in this Agreement to the contrary, PYRO shall indemnify, hold harmless, and defend CLIENT and the additional insureds from and against any and all claims, actions, damages, liabilities and expenses, including but not limited to, attorney and other professional fees and court costs, in connection with the loss of life, personal injury, and/or damage to property, arising from or out of the Production and the presentation thereof to the extent such are occasioned by any act or omission of PYRO, their officers, agents, contractors, providers, or employees. CLIENT shall indemnify, hold harmless, and defend PYRO from and against any and all claims, actions, damages, liability and expenses, including but not limited to, attorney and other professional fees and court costs in connection with the loss of life, personal injury, and/or damage to property, arising from or out of the Production and the presentation thereof to the extent such are occasioned by any act or omission of CLIENT, its officers, agents, contractors, providers, or employees. In no event shall either party be liable for the consequential damages of the other party.

11. **Limitation of Damages for Ordinary Breach** - Except in the case of bodily injury and property damage as provided in the insurance and indemnification provisions of Paragraphs 9 and 10, above, in the event CLIENT claims that PYRO has breached this Agreement or was otherwise negligent in performing the Production provided for herein, CLIENT shall not be entitled to claim or recover monetary damages from PYRO beyond the amount CLIENT has paid to PYRO under this Agreement, and shall not be entitled to claim or recover any consequential damages from PYRO including, without limitation, damages for loss of income, business or profits.

12. **Force Majeure** - CLIENT agrees to assume the risks of weather, strike, civil unrest, terrorism, military action, governmental action, and any other causes beyond the control of PYRO which may prevent the Production from being safely discharged on the scheduled date, which may cause the cancellation of any event for which CLIENT has purchased the Production, or which may affect or damage such portion of the exhibits as must be placed and exposed a necessary time before the Production. If, for any such reason, PYRO is not reasonably able to safely discharge the Production on the scheduled date, or at the scheduled time, or should any event for which CLIENT has purchased the Production be canceled as a result of such causes, CLIENT may (i) reschedule the Production and pay PYRO such sums as provided in Paragraph 13, or (ii) cancel the Production and pay PYRO such sums as provided in Paragraph 14, based upon when the Production is canceled.

13. **Rescheduling Of Event** - If CLIENT elects to reschedule the Production, PYRO shall be paid the original Fee plus all additional expenses made necessary by rescheduling plus a 15% service fee on such additional expenses. Said expenses will be invoiced separately and payment will be due in full within 5 days of receipt. CLIENT and PYRO shall agree upon the rescheduled date taking into consideration availability of permits, materials, equipment, transportation and labor. The Production shall be rescheduled for a date not more than 90 Days subsequent to the date first set for the Production. The Production shall not be rescheduled to a date, or for an event, that historically has involved a fireworks production. The Production shall not be rescheduled between June 15th and July 15th unless the original date was July 4th of that same year, or between December 15th and January 15th unless the original date was December 31st of the earlier year unless PYRO agrees that such rescheduling will not adversely affect normal business operations during those periods.

14. **Right To Cancel** - CLIENT shall have the option to unilaterally cancel the Production prior to the scheduled date. If CLIENT exercises this option, CLIENT agrees to pay to PYRO, as liquidated damages, the following percentages of the Fee as set forth in Paragraph 3.1. 1) 50% if cancellation occurs 30 to 90 days prior to the scheduled date, 2) 75% if cancellation occurs 15 to 29 days prior to the scheduled date, 3) 100% thereafter. In the event CLIENT cancels the Production, it will be impractical or extremely difficult to fix actual amount of PYRO's damages. The foregoing represents a reasonable estimate of the damages PYRO will suffer if CLIENT cancels the Production.

14.1 The City of Gardena agrees to three (3) displays to be held on July 4, 2020, 2021 and 2022. A Five Thousand Dollar (\$5,000.00) discount for the year 2020 has been applied based on this three (3) year agreement. Should the City cancel the 2021 and/or 2022 portion of this agreement due to an ordinance prohibiting a professional fireworks display in the City, the City must notify Pyro Spectaculars, Inc. on or before April 1 of 2021 or 2022. Upon that cancellation, the City agrees to pay Pyro Spectaculars, Inc. the FIVE THOUSAND DOLLARS (\$5,000.00) difference of the discounted offset from 2020, but will not be subject to the cancellation clause of paragraph 14 of this Agreement. Should the City cancel this Agreement due to an ordinance prohibiting professional fireworks displays in the City, there will be no damages owed to Pyro Spectaculars other than the 2020 discount amount.

15. **No Joint Venture** - It is agreed, nothing in this Agreement or in PYRO's performance of the Production shall be construed as forming a partnership or joint venture between CLIENT and PYRO. PYRO shall be and is an independent contractor with CLIENT and not an employee of CLIENT. The Parties hereto shall be severally responsible for their own separate debts and obligations and neither Party shall be held responsible for any agreements or obligations not expressly provided for herein.

16. **Applicable Law** - This Agreement and the rights and obligations of the Parties hereunder shall be construed in accordance with the laws of California. It is further agreed that the Central Judicial District of San Bernardino County, California, shall be proper venue for any such action. In the event that the scope of the Production is reduced by authorities having jurisdiction or by either Party for safety concerns, the full dollar amounts outlined in this Agreement are enforceable.

17. **Notices** - Any Notice to the Parties permitted or required under this Agreement may be given by mailing such Notice in the United States Mail, postage prepaid, first class, addressed as follows: PYRO - Pyro Spectaculars, Inc., P.O. Box 2329, Rialto, California, 92377, or for overnight delivery to 3196 N. Locust Avenue, Rialto, California 92377. CLIENT - City of Gardena, 1700 W. 162nd St., Gardena, CA 90247.

18. **Modification of Terms** - All terms of the Agreement are in writing and may only be modified by written agreement of both Parties hereto. Both Parties acknowledge they have received a copy of said written Agreement and agree to be bound by said terms of written Agreement only.

19. **Severability** - If there is more than one CLIENT, they shall be jointly and severally responsible to perform CLIENT's obligations under this Agreement. This Agreement shall become effective after it is executed and accepted by CLIENT and after it is executed and accepted by PYRO at PYRO's offices in Rialto, California. This Agreement may be executed in several counterparts, including faxed and emailed copies, each one of which shall be deemed an original against the Party executing same. This Agreement shall be binding upon the Parties hereto and upon their heirs, successors, executors, administrators and assigns.

20. **Price Firm** - If any changes or alterations are made by CLIENT to this Agreement or if this Agreement is not executed by CLIENT and delivered to PYRO on or before the PRICE FIRM date shown below, then the price, date, and scope of the Production are subject to review and acceptance by PYRO for a period of 15 days following delivery to PYRO of the executed Agreement. In the event it is not accepted by PYRO, PYRO shall give CLIENT written notice, and this Agreement shall be void.

Janina,

I would like to thank you for providing Zambelli Fireworks with the opportunity to design a display package for the upcoming 2020 City of Gardena Fireworks Celebration.

I have provided an exciting fast paced display option for your consideration. This program suggests our initial considerations as to show design and describes basic product types and quantities. Our design is consistent with your viewing location from the grounds at Rowley Park

Zambelli Fireworks will provide all equipment and labor, acquire all permissions and security mandated by authorities having jurisdiction, reserve all transportation required, Workman's Compensation in addition to liability insurance for your fireworks display. I have attached to the proposal a copy of our sample insurance certificate. Zambelli uses the highest insurance premium in the industry, only offered to "AAA" rated companies. We carry \$10 Million dollars per incident clause to cover the Fireworks Display.

We have taken into account all the aspects that are involved with producing a display within the county of Los Angeles. The product we selected will be maximized to afford you the best viewing from the spectator location around the park. We have been certain to include a great variety of colors and effects that will be adding a special touch to your fireworks display. This display package will be utilizing Zambelli high quality two and half inch diameter shells. We will also be incorporating our specialty multi shot effect devices that fire multiple shots in quick succession. This will certainly keep the sky filled for the duration of this rapid paced display. We will also be adding our "signature" Zambelli finale that will leave your spectators breathless as we launch hundreds of shells into the air in a giant finale conclusion.

I have done my best to provide you with a quote that we feel you will get the "most bang for your buck".

I welcome any questions you may have and I thank you for considering our company to be part of the City of Gardena Firework Celebration.

Sincerely,

John Hagan
